Dear Mr. Leonhardt:

Please introduce the enclosed resolution at the next Common Council meeting. The application for this grant is due August 1, 2006.

This resolution would permit the Port to apply for a Grant from the Harbor Assistance Program for Liquid Cargo Pier Rehabilitation & Related work. The project has been included in the Port's Three-year statement of intentions (planning document required by the Harbor Assistance program) and the Port's budget.

The Liquid Cargo Pier is the facility at the port where asphalt is received. The Pier was built around 1960 and is in need rehabilitation. Enclosed are some pictures of the pier. Approximately \$1,200,000 of the \$1,500,000 cost for Liquid Cargo Pier Rehabilitation & Related work would come from the grant.

Please contact us if you need additional information or if you have any questions. Thank you for your assistance with this matter.

Sincerely,
