RE: FILE NUMBER: 011504

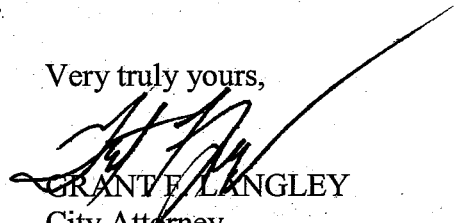

Dear Alderman Pratt:

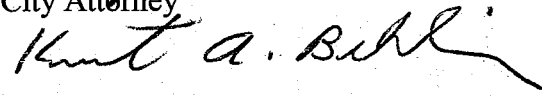

Thank you for referring the above file to our office for our opinion on the legality and enforceability of the above proposed ordinance to authorize the police department to issue citations for the parking of motor vehicles on various areas of residential properties.

We would request at this time that this matter be held over until the next council meeting. We would like the opportunity to meet with the sponsors of this proposed ordinance to discuss previous opinions our office has written on this issue. We have discussed our request to hold this over with Alderman Suzanne Breier, sponsor of the proposed ordinance, and she does not object.

Thank you for your consideration.

Very truly yours,

  
GRANT F. LANGLEY  
City Attorney
