RE: "Title Only" Grant
Resolution

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolution that the Health Department would like to be introduced:

Municipal Health Services Program Grant - This is a continuing grant funded by the Center for Medicare and Medicaid Services. The program waives certain Medicare reimbursement limitations for Medicare beneficiaries. The program pays for services typically not covered by regular Medicare.

As always, thank you for your consideration of this "title only" resolution. The file will be filled as soon as possible.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
