I was wearing my Milwaukee Police Department issued Body Worn Camera (BWC) at the time of this investigation.

NATURE OF CALL/JUSTIFICATION

On the mentioned date at approximately 10:36 pm, I responded to a Shots Fired complaint at the Hideaway Tavern which is located at 9000 W Kaul Ave. This address is in the City and County of Milwaukee, WI. The caller stated that patrons were arguing outside of the business in the parking lot and he heard approximately 3 gunshots in the parking lot. The caller could not provide a description of the subjects nor could he provide who fired the shots due to the fact that he closed and locked the main entrance of the business to protect the remaining patrons inside.

INITIAL OBSERVATION

Upon arrival, I observed the exterior lights in the parking lot were on and approximately 20 vehicles were parked in the parking lot. I observed a security guard standing outside of the main entrance to the business who flagged me down stating that he was the one who called the police. The main door of the building was closed shut but was unlocked to allow access in and out of the building. I did not observe any other individuals standing in the parking lot of the business.

I then spoke to the business security guard later identified as Henry S ALLEN (B/M 06/03/1975) and gathered the following information.

STATEMENTS from Henry S ALLEN (B/M 06/03/1975)

ALLEN stated that on this day at approximately 10:30 pm, he was working inside of the bar as an unarmed security guard. ALLEN stated that while inside of the bar, two groups of individuals engaged in a verbal argument that escalated quickly. ALLEN stated that he thought the

altercation would turn physical so he escorted one of the groups out of the building to separate the parties. ALLEN stated that the second group pushed pass him and exited the building to continue the engage the other party which was now in the parking lot. ALLEN informed the individuals in the parking lot that he would call the police if they did not leave the property. ALLEN stated that he closed and locked the main entrance to prevent the individuals from re-entering the building when he heard approximately 3 to 5 gunshots coming from the parking lot. ALLEN stated that he call 911 to report the incident and remained inside until he saw the police squad car lights.

FOLLOW UP

I entered the business through the main entrance where I observed the kitchen area inside of the business was closed for business and the employees were in the act of cleaning. The seating area of the kitchen was occupied by three adult males and two adult female patrons. This area is separate from the main bar and does not require an age restriction.

I observed approximately 10 patrons seated around the bar in the bar area of the business. I did not observe anyone in distress nor needing police service inside of the business.

I walked through the entire parking lot of the bar and did not locate any casings nor observed any bullet strikes to vehicle of the exterior of the building.

The exterior security cameras did not have a clear image of the parking lot due to a dirty lens and the fact that it was raining outside.

LICENSE PREMISE REPORT

Stamps III, O'Neal 029826

12/05/2021

This report is written by PO O'Neal STAMPS III, assigned to District Four, Late Power Shift. On Friday, December 3, 2021 I was assigned to Squad 4467 and operating a fully marked MPD squad car 421. I was dressed in full Milwaukee Police Department issued uniforms, with my nameplate and badge affixed to our outermost garments. I was wearing my Milwaukee Police Department issued Body Worn Camera (BWC) at the time of this investigation.

NATURE OF CALL/JUSTIFICATION

On the mentioned date at approximately 10:45 pm, I responded to a Subject with Gun complaint at the Hideaway Tavern which is located at 9000 W Kaul Ave. This address is in the City and County of Milwaukee, WI. The caller stated that there was a fight at the location and subjects were in possession of firearms. The caller, who did not provide her name, could not provide a description of the subjects nor the firearm.

INITIAL OBSERVATION

Upon arrival, I observed the exterior lights in the parking lot were on and approximately 20 vehicles were parked in the parking lot. I observed a security guard standing outside of the main entrance to the business who was monitoring the exterior of the business. The main door of the building was closed shut but was unlocked to allow access in and out of the building.

I entered the business through the main entrance where I observed the kitchen area inside of the business was closed for business. The seating area of the kitchen was unoccupied at this time. This area is separate from the main bar and does not require an age restriction.

I observed approximately 18 patrons seated around the bar in the bar area of the business with two bartenders tending to customers. I observed one black male

seated at the security table near the main entrance who was actively checking patrons as they entered the building.

INVESTIGATION

I walked through the business and visually checked all the patrons inside of the bar area. I observed that all the individuals inside of the business were adults and were above the minimum age requirements to be inside of the business. I did not observe any physical nor verbal altercations inside of the bar. I spoke to the bartender who stated that there was a verbal argument between two groups of customers in which the security staff escorted them out of the building. The bartender stated that there was no physical fight inside of the bar and she did not observe anyone with a firearm.

I then spoke to the owner, Binyoti F. AMUNGWAFOR (B/M 07/07/1957), who stated that he has been inside of the business the entire day. AMUNGWAFOR stated that he was in the upstairs unit of the bar where he heard a commotion coming from the bar area. AMUNGWAFOR stated that he came downstairs to see what was happening and was informed by a security member, Emmett K. DUNLAP (B/M 03/30/1967), that he just escorted a few people out of the business who were causing a disturbance. AMUNGWAFOR stated that he did not see anyone actively fighting when he arrived in the bar area and did not observe anyone with a firearm.

AMUNGWAFOR then escorted me to the basement area where the monitor for the security system was located. I then observed the following images captured on the surveillance system:

At approximately 10:40 pm, approximately 7 individuals were seated on the northside of the bar where a verbal altercation took place. Two security members were seen walking towards the situation and were seen escorting the individuals out of the bar. I did not observe a firearm being displayed by anyone inside of the building during the altercation. At approximately 10:44 pm, 3 black males were seen standing near the rear of a silver Chevrolet Malibu parked near the main entrance of the bar. One of the males opened the trunk of the vehicle and pulled out a black rifle. The male who pulled the rifle out of the trunk then handed the weapon to a second black male who placed the rifle in the passenger side of the vehicle and closed the door. The individuals remained outside of the bar for approximately 10 minutes before they entered the vehicle and departed from the scene.

I did not observe anyone point the rifle towards anyone while it was taken from the truck area and placed inside of the vehicle. I did not observe any physical

engagements on the exterior of the business. The security cameras could not capture a clear image of the vehicles license plates.

FOLLOW UP

I did not observe any issues inside nor outside of the business which required police attention while on scene. I spoke to AMUNGWAFOR regarding how PO MAJEED and I observed gaps at the main entrance when the security staff was not at the door handling other duties as taking out the trash. While viewing the security footage, I observed the security guard posted at the main entrance, leave his post which allowed 4 individuals to freely enter the establishment unchecked. AMUNGWAFOR stated that he would address this concern immediately.

On Wednesday, February 16th, 2022, at approximately 12:36 AM, myself and PO REESE (while in full duty uniform, wearing an Axon Body Worn Camera, and operating a marked MPD Squad Car), were dispatched to a subject with gun complaint at the Hideaway Bar located at 9000 W Kaul Av, which is in the City and County of Milwaukee, WI.

Upon arrival, I spoke with the bar's owner, Binyoti F AMUNGWAFOR (B/M, 07/07/57), who stated that security had kicked two patrons out of the bar at 12:20 PM due to them arguing. AMUNGWAFOR stated that the arguing between the patrons continued out into the parking lot and that the male patron got into a newer model black BMW. AMUNGWAFOR stated that the female stayed outside the car and that a silver Lincoln pulled up and was trying to leave with the woman. AMUNGWAFOR stated that another altercation between the patrons occurred and that the male patron produced a firearm and fired 2 shots into the air. AMUNGWAFOR stated that the female got into the silver Lincoln and left the scene and that the male got into the BMW and fled eastbound on W Fond Du Lac Av. AMUNGWAFOR stated that the firearm that the male had was a silver revolver. AMUNGWAFOR stated that it did not appear as if any of the subjects were injured when they left the scene.

AMUNGWAFOR showed me video footage of the altercation. The video shows the male patron in the black BMW and the female standing outside of the silver Lincoln. at 12:31 AM. The video skips time so the video does not show any shots fired.

Security on scene stated that the patrons were playing pool before being kicked out. I looked at security footage inside the pool room and observed a B/M, mid 30's, thin build wearing a beige knit cap, black long sleeve shirt, and gray Nike sweatpants. Security confirmed that was the subject that fired the gun.

No casings were recovered on scene.

I issued AMUNGWAFOR a community contact card and notified him that a License Premise Report would be made.

AMUNGWAFOR was extremely cooperative throughout the investigation. Allowed us to observe video surveillance without hesitation. License was valid.

End of Report.
