Item: 1. 241791 Motion directing the City Clerk to expend from the resources reserved from the Council-Led Transfer Fund.

eComment: I support funding for Hanan Refugees Relief Group. Their work providing emergency assistance, housing support, language learning, and employment services is essential for refugees in Milwaukee. Supporting Hanan not only helps refugee families but also strengthens our community, helping it grow and prosper. Investing in refugees is an investment in a stronger, more vibrant Milwaukee. I urge the Common Council to approve this funding.
