RE: C.I. File No: 05-S-338

Dear Mr. Langley & Mr. Carini:

I am dissatisfied with your findings. This is an insult to my intelligence the reply I was given by your office. It appears that you never went out to the site, but quoted to me what the procedure is for doing the job. Realistically no one drives behind a working truck that is spraying paint.

I have every intention of pursuing this to fullest degree. I have been no choice but to appeal and consult with an attorney about this matter. Your explanation does not appease me and as a taxpayer I am going to have to seek a higher authority concerning this matter.

If you have any questions, please contact me in writing **only**.

Respectfully,

Ms. Maticia Franklin

Attention: Claims

To Whom It May Concern:

Presumably, October 12, 2005, I was traveling southwest on 54th Street and Maxwell the cross section Fond Du Lac and Capitol Drive when gold paint splashed on my Chevrolet Trailblazer '05. The paint went on wheel wells and running boards.

Please contact me to discuss the matter in further detail.
