I, Richard Waiting am in favor of the liquor license renewal for the miramar theater because it is very special to me and my friends. I perform there often and it is huge for my music career and many others that this venue stays open. Everyone is very respectful and safe and everybody that attends the venue/works there arw fantastic people. I really do hope that the license gets renewed, Thank you!

Hello,

I'd like to say I am in favor of the renewal for the Miramar Theatre. It is a much safer and welcoming place compared to The Rave. The environment is much more family like where people are all together and support each other. I've had countless wonderful experiences at the venue and would love to be able to continue to make more. I've met some of my favorite artists there and was able to have one on one interactions with them due to how small the venue is. Please don't take this away from me and the rest of the community.

Thank you,
Ben Pflfka

To whom it may concern,

I am writing this to support the renewal of the Miramar Liquor License renewal.

The Miramar has been a staple in the community for years, bringing people across the city together to enjoy live music and events. I attend events at the Miramar on a regular basis and have never felt safety being an issue, as the atmosphere is welcoming and security is always present. Rejecting the license renewal will be just another example of the city taking away a positive presence in the community.

Thank you,
Scott Turza
