

Tom Barrett
Mayor, City of Milwaukee

June 17, 2008

The Honorable Robert Bauman
200 E. Well Street, St. 200
Milwaukee, WI 53202

Honorable Robert Bauman:

I would ask that you delay the consideration of the nominations of Jeff Mantes and Jeff Polenske until the next scheduled Public Works committee. I would have no objection if the council does not act on these nominations within the 45 days required by state statute.

I would, however, request that the council vote on these nominations by the July 30, 2008 Common Council meeting.

Thank you for your consideration of this matter.

Respectfully submitted,

Tom Barrett
Mayor

C: President Willie Hines
