

January 5, 2005

Mr. James Owczarski  
Common Council Administration Manager  
City Clerk's Office  
City Hall, Room 205

Dear Mr. Owczarski:

The Health Department is submitting the following grant resolution for Common Council approval.

Women, Infants and Children's Grant - This continued funding from the U.S. Department of Agriculture through the State of Wisconsin Division of Health and Family Services helps to prevent nutrition-related health problems and to improve the health status of low income, at-risk pregnant or breast feeding infants and children up to the age of five years.

Lead Demonstration Grant - This file amends Common Council 041037 which approved the application, acceptance and funding of this grant. The grant will make an additional 1,295 housing units lead-safe with a community-based organization to assure lead-safe and habitable housing in the southside target area. Changes to the Positions Ordinance are incorporated in this file.

MBCAP Outreach Grant - This continued funding from the Susan B. Komen Foundation will be used to provide education to women ages 40 and over on breast health, breast self-exam and breast cancer screening guidelines.

Municipal Health Services Program - This continuing grant from the Center for Medicare and Medicaid Services waives certain Medicare reimbursement limitations for Medicare beneficiaries.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Yvette Rowe  
Business Operations Manager- Health
