Dear Mr. Overholt:

First, I want to appeal the decision that was made against me and I want a hearing.
Second, The letter that was sent to me I received it on March 17, 2001 and the letter was dated on March 5, 2001. I wanted to make that clear.

The letter that you sent me was contradictive. It was me that called the Infrastructure Services Division and upon calling them they went and repaired the light on January 5, 2001 but it was on January 4, 2001 that the incident happened. Again I filed a police report and I want to be compensated for the damages to my car.

Sincerely,

RONDALYN PERRY

Dear City Clerk:

On January 4, 2001 at about 5:20 pm I was headed southbound on 76 street. As I was approaching the hill just before you get to Florist street on 76 I noticed one of the light poles was shorting out sparks were flying. I continued southbound as I got over the hill the light popped out and the glass hit the hood of my 1985 Buick Lasaber. I was on my way to pick up my boyfriend and when he got in I told him you wouldn't believe what just happen to me. I told he what happen and he to me to call the city of Milwaukee tomorrow. I awoke the next morning and gave them a call. I spoke with a Mr. Franklin and he informed to file a police report and I did that as well.

Sincerely,
