Zoning, Neighborhoods and Development Committee
Milwaukee Common Council

Honorable Members,

Please be advised that, on September 18, 2024, the Zoning Code Technical Committee met to review Common Council File Number 240721, an ordinance relating to the membership of the Board of Zoning Appeals. The Committee unanimously approved a motion finding that the proposed ordinance meets two of the Committee's three review criteria, administrative efficiency and consistency with the format of the zoning code, but that further review by the City Attorney's Office is necessary to determine if the proposed ordinance meets the third criterion, legality and enforceability.

Sincerely,

Jeff Osterman
