Honorable Nik Kovac
Alderman, 3rd Aldermanic District
Room 205, City Hall

SUBJECT: 3rd ALD. DIST. - FILE #161146
INSTALL ALL-WAY STOP ON NORTH ASTOR STREET
AND EAST PLEASANT STREET

Dear Alderman Kovac:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents that warrant the installation of the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Mark A. Borkowski
Alderman, 11th Aldermanic District
Room 205, City Hall

SUBJECT: 11th ALD. DIST. - FILE #161146
INSTALL STOP SIGNS ON WEST DAKOTA STREET
AT SOUTH 53RD STREET

Dear Alderman Borkowski:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northeast, northwest and southeast corners of the intersection in the form of bushes and trees that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
