To the Public Works Committee

Subject: Common Council Resolution File Numbers 061361 and 061479

Dear Honorable Members:

Returned herewith are Common Council Resolution Files 061361 and 061479, being amendments to special privileges for change of ownership of various items encroaching in the public right-of-way that were previously granted permission. Common Council Resolution File Number 061361 also grants permission for two bollards.

Common Council Resolution File Number 061361 amends a special privilege for change of ownership to Light Ray Development, LLC for a backup driveway and grants permission for the addition of two bollards for the premises at 327 East Brown Street. Permission for said back up driveway was granted in 1977 under Common Council Resolution File Number 76-1882.

Common Council Resolution File Number 061479 amends a special privilege for change of ownership to Light Ray Development, LLC for a backup driveway for the premises at 1929 North Buffum Street. Permission for said back up driveway was granted in 1977 under Common Council Resolution File Number 77-220.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolutions, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
