

Dear City of Milwaukee Clerk,

I am in receipt of your letter and would like to appeal your decision for C.I File NO. 1029-2022-581.

As you can see on the 3 enclosed photographs, the potholes on Douglas Avenue were extensive, spanning both lanes on the road. Not only were they difficult to avoid, but their size was large and they were deep. The base of the orange cone completely sat in the crater of one and the barricade did not quite span the entire pothole of the other.

This was not a typical pothole, but a minefield of them. I would greatly appreciate it if you would reconsider your decision in light of these circumstances. Thank you for reviewing my case.

Warmest regards,

Elizabeth J. Consiglio

Re: Communication from ELIZABETH CONSIGLIO
C.I. File No. 1029-2022-581

Dear Ms. Consiglio:

The City of Milwaukee is in receipt of the claim for damages you incurred as a result of a defect in a sidewalk or street.

Based on 2011 Wisconsin Act 132, Wisconsin municipalities are not liable for any damages that occurs on or after April 5, 2012 due to a defect in a sidewalk or street. Although the city is not liable for damages, the city takes any report of defective streets or sidewalks seriously. Therefore, your claim has been forwarded to the Department of Public Works so city staff may inspect the area in question and repair any defect as promptly as possible.

For the reasons stated above, we are denying your claim. If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, WI 53202, requesting a hearing.

Very truly yours,

TEARMAN SPENCER
City Attorney
