RE: "Title Only" Grant  
Resolutions

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolutions that the Health Department would like to be introduced:

Federally Qualified Health Center Grant - The resolution will approve the application, funding and expenditure for this grant. The program serves the medically underserved citizens and at-risk community members of the City of Milwaukee.

Coordinated Community Response Grant - This resolution authorizes the Milwaukee Health Department to accept the funding to enhance and expand the coordinated community response relative to the City of Milwaukee's Commission on Domestic Violence and Sexual Assault.

Making Connections Grant - The resolution approves funding from Making Connections Milwaukee that will be used to assist low-income families in obtaining medical insurance.

SURVNET Grant - Funded by the State of Wisconsin Division of Health and Family Services, this grant is used to maintain a countywide system for reporting communicable diseases in Milwaukee.

As always, thank you for your consideration of these "title only" resolutions. The files will be filled as soon as possible.

Sincerely,

Yvette M. Rowe  
Business Operations Manager-Health
