

## Safe Schools/ Healthy Students Programs

The programs listed below are being implemented in SS/HS schools. Community members play an active role in supporting our students. It is our hope that through these programs, the needs of our students, families and the community will be met.

### Restorative Practices

### Love and Logic

### Classroom Organization and Management Program (COMP)

### Life Skills

### Staying Alive

### Problem Solving Works

### School Resource Officers (SRO)

### Center for Neighborhood Enterprise (CNE) / Violence Free Zone

For more information on our programs,  
please visit our website at:

**Safe Schools  
Healthy Students**

Milwaukee Public Schools  
Safe Schools/Healthy Students  
Initiative will develop  
community-wide approaches  
to create safe, respectful,  
drug-free schools and to  
promote pro-social skills and  
healthy childhood development.
