Subject: Excited for the New FPC Live Milwaukee Venues in Deer District

You don't often get email from edwdavid@edwarddavidsc.com. [Learn why this is important](#)

Mayor Cavalier Johnson,

I live in your district and I am very excited about the prospect of the new FPC Live venues in Downtown Milwaukee. I believe that Milwaukee needs growth and change in order to prosper and stand out among other Midwest cities, and we can do that by elevating our music scene. I welcome this new business and the development it will bring. I encourage you to vote in support of these venues. Thank you.

Sincerely,

Edward David
