In such event, the Trustee shall authenticate and shall transfer and exchange Bond certificates as requested by DTC and any other Bondholders in appropriate amounts in writing. In the event: (i) DTC determines to discontinue providing its services with respect to the Bonds at any time by giving notice to the Notice Parties and discharging its responsibilities with respect thereto under applicable law, or (ii) the City determines that DTC shall no longer so act, and delivers a written certificate to the Notice Parties to that effect, and there is no successor Securities Depository named, the City and the Trustee shall be obligated to deliver Bond certificates as described in this Indenture. In the event Bond certificates are issued, the provisions of this Indenture shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal, purchase price and premium, of and interest on such certificates. Whenever DTC requests the

City and the Trustee to do so, the Trustee and the City will cooperate with DTC in taking appropriate action after reasonable notice (A) to make available one or more separate certificates evidencing the Bonds to any Participant having Bonds credited to its DTC account or (B) to arrange for another Securities Depository to maintain custody of certificates evidencing the Bonds.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal, purchase price and premium, if any, of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the City or the Trustee with respect to any consent or other action to be taken by Bondholders, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible. Notice to DTC shall be given only when DTC is the sole Bondholder.

NEITHER THE CITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS OR BENEFICIAL OWNERS WITH RESPECT TO: THE PAYMENT BY DTC TO ANY PARTICIPANT OR BENEFICIAL OWNERS OF THE PRINCIPAL OF, PURCHASE PRICE OR, PREMIUM, IF ANY, OR INTEREST ON THE BONDS; THE PROVIDING OF NOTICE TO PARTICIPANTS OR BENEFICIAL OWNERS; THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY PARTICIPANT OR ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS OWNER OF THE BONDS.

Section 2.05. Transfers Outside Book-Entry System. (a) In the event (i) the Securities Depository determines not to continue to act as securities depository for the Bonds, or (ii) the City determines that the Securities Depository shall no longer so act, and delivers a written certificate to the Notice Parties to that effect, then the City will discontinue the book-entry system with the Securities Depository. If the City determines to replace the Securities Depository with another qualified securities depository, the City shall prepare or direct the preparation of a new, single, separate, fully registered Bond for each of the maturities of the Bonds, registered in the name of such successor or substitute qualified securities depository or its nominee or make such other arrangement acceptable to the City and the Securities Depository as are not inconsistent with the terms of this Indenture. If the City fails to identify another qualified securities depository to replace the Securities Depository, then the Bonds shall no longer be restricted to being registered in the books of registry in the name of the Nominee, and the City and the Trustee shall issue replacement bonds directly to the Beneficial Owners of the Bonds or their nominees as directed in writing by the Securities Depository.

(b) Any Bond may be transferred only upon the books of registry upon surrender thereof to the Trustee duly endorsed for transfer or accompanied by an assignment duly executed by the Registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Trustee. Upon any such transfer, the City shall execute and the

Trustee shall authenticate and deliver in exchange for such Bond a new Bond or Bonds of the same series, registered in the name of the transferee, of any denomination or denominations authorized by this Indenture and of the same maturity and bearing interest at the same rate.

(c) Any Bonds, upon surrender thereof at the payment office of the Trustee, together with an assignment duly executed by the Registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Trustee, may, at the option of the Registered Owner thereof, be exchanged for an equal aggregate principal amount or Maturity Amount of Bonds of the same series and maturity, of any Authorized Denomination, and bearing interest at the same rate.

(d) In all cases in which Bonds shall be exchanged or transferred hereunder, the City shall execute and the Trustee shall authenticate and deliver at the earliest practicable time Bonds in accordance with this Indenture. All Bonds surrendered in any such exchange or transfer shall forthwith be cancelled by the Trustee.

(e) The Agency, the Trustee or the Securities Depository may make a charge against the Bondowner requesting the same for every such transfer or exchange of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such transfer or exchange, and such charge shall be paid before any such new Bond shall be delivered. The fees and charges of the Trustee for making any transfer or exchange hereunder and at the expense of any bond printing necessary to effect any such transfer or exchange shall be paid by the City. In the event any Bondowner fails to provide a correct taxpayer identification number to the Trustee, the Trustee may impose a charge against such Bondowner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Trustee from amounts otherwise payable to such Bondowner hereunder or under the Bonds.

(f) The Trustee shall not be required to (i) transfer or exchange any Bond during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of such Bond and ending at the close of business on the day of such mailing, or (ii) transfer or exchange any Bond so selected for redemption in whole or in part, during a period beginning at the opening of business on any Record Date for such Bond and ending at the close of business on the relevant Interest Payment Date therefor.

(g) The Person in whose name any Bond shall be registered on the books of registry shall be deemed and regarded as the absolute owner of such Bond for all purposes, and payment of or on account of the Maturity Amount, the principal of and redemption premium, if any, and interest on any such Bond shall be made only to or upon the order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

(h) At reasonable times and under reasonable regulations established by the Trustee, the books of registry may be inspected and copied by the City or by the Owners (or a designated representative thereof) of 10% or more of the Bond Obligation, such ownership and

the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 2.06. Security for the Bonds. A direct annual irrevocable tax shall be levied in each year that the Bonds are Outstanding, in an amount sufficient to pay and for the express purpose of paying the interest on the Bonds, as it falls due, and also to pay and discharge the principal thereof at maturity, and shall be extended upon the tax roll of the City of Milwaukee and shall be collected (except to the extent that necessary funds have been irrevocably deposited in the Debt Service Fund established for the payment of principal of and interest on the Bonds) by the officers of the City in the same manner and at the same time as taxes for general City purposes for such years are extended and collected, and when so collected, the proceeds of said taxes shall be used solely for paying the principal and interest on such Bonds as long as any Bonds remain outstanding.

Interest on or principal of the Bonds falling due at any time when there shall be on hand insufficient funds from proceeds of the tax levy for the payment of such interest or principal shall be paid promptly when due from other funds of the City, which funds shall be reimbursed thereof out of the proceeds of the taxes above levied when such taxes shall have been collected.

Section 2.07. Execution and Authentication of Bonds. The Bonds shall be executed on behalf of the City with the facsimile signatures of the Mayor, Comptroller and Clerk of the City and shall have impressed or imprinted thereon, by facsimile or otherwise, the official seal of the City and shall be attested by the Commissioners of Public Debt of the City. In case any officer of the City whose signature or whose facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of such Bonds, such signature or the facsimile signature thereof shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until such delivery.

No Bonds shall be secured hereby or entitled to the benefit hereof or shall be or become valid or obligatory for any purpose unless there shall be endorsed thereon a certificate of authentication, substantially in the form as set forth in the form of Bond referred to in Section 2.02(b), executed by an officer or authorized signatory of the Trustee; and such certificate on any Bond issued by the City is conclusive evidence and the only competent evidence that it has been duly authenticated and delivered hereunder.

Section 2.08. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond shall become mutilated, or be lost, stolen or destroyed, the City shall execute and the Trustee shall authenticate and deliver a new Bond of like date and tenor as the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with such security or indemnity as may be required by the Trustee to save the City and the Trustee harmless. In the event any such Bond shall have matured or been selected for redemption, the Trustee in its discretion may, instead of issuing a substitute Bond, pay such Bond without surrender thereof. Upon the issuance of any substitute Bond or payment of a Bond in lieu thereof, the City and the Trustee may require the payment of an

amount by the Bondholder sufficient to reimburse the City and the Trustee for any tax or other governmental charge that may be imposed in relation thereto and any other reasonable fees and expenses incurred in connection therewith.

Section 2.09. Cancellation and Disposition of Bonds. The City may deliver Bonds to the Trustee for cancellation at any time and for any reason and the Trustee is hereby authorized to cancel such Bonds. All Bonds that have been paid (whether at maturity or by acceleration, upon redemption or pursuant to Section 2.08) or delivered to the Trustee for cancellation shall not be reissued. Unless otherwise directed by the City in writing, the Trustee shall treat such Bonds in accordance with its document retention policies or as may be directed by applicable law and regulations.

ARTICLE III

INTEREST ON BONDS AND OTHER BOND PROVISIONS

Section 3.01. General. Bonds may be Outstanding in one or more Tranches, as designated by the City, at the same time.

Section 3.02. Interest Rates; Conversion. The term of the Bonds shall be divided into consecutive Interest Rate Periods during each of which the Bonds shall bear interest pursuant to a Mode as provided in Exhibits B, C, D, E, F and G to this Indenture.

The Bonds shall initially bear interest at the Weekly Interest Rate. Thereafter the City may designate a portion of the Bonds as a Tranche and, in accordance with the provisions of this Section 3.02, designate a Mode or Modes for the Bonds or a Tranche thereof or convert the Bonds or a Tranche thereof to a Fixed Interest Rate pursuant to Exhibit G hereof. The interest rate or rates payable with respect to the Bonds shall be determined as set forth in this Section 3.02 and Exhibits B, C, D, E, F and G to this Indenture.

(a) Adjustable Interest Rate. Prior to the Fixed Interest Rate Date, the Adjustable Interest Rate for a Bond shall be determined as provided for in the respective Exhibit hereof describing the applicable Mode. Except as provided in Section 3.06 hereof with respect to Bank Bonds, in the manner hereinafter provided, the term of the Bonds, prior to the Fixed Interest Rate Date, will be divided into consecutive Interest Rate Periods during which periods each Tranche of Bonds shall bear interest at an Adjustable Interest Rate in accordance with Exhibits B, C, D, E or F of this Indenture.

(b) Conversion to a Different Mode. Subject to Sections 3.04, 3.05 and 3.08 hereof, the City may, from time to time, by the written direction to the Notice Parties, elect that the Bonds, or a Tranche thereof, shall bear interest at a different Mode. The direction of the City shall specify: (1) the new Mode selected by the City; (2) the effective date of such Conversion from the current Mode to a new Mode, which shall be (a) in each case, a Business Day not earlier than the thirtieth day, or forty-fifth day for a Conversion to the Short Term Interest Rate Period, following the receipt by the Trustee of such direction; (b) a valid Redemption Date for the current Mode or a day on which such Bonds would otherwise be subject to optional

redemption pursuant to Section 4.01, or mandatory tender pursuant for purchase to Section 4.02(c), if such Conversion did not occur; and (3) the date of delivery of such Bonds to be converted (if other than the effective date). In addition, the direction of the City shall be accompanied by a form of notice to be mailed to the Bondholders of such Bonds by the Trustee as provided in Section 3.02(c).

(c) Notice of Conversion. The Trustee shall give notice, together with the notice required by Section 4.02(e), by Mail of a Conversion to a new Mode to the other Notice Parties, the Bondholders of the Bonds subject to Conversion and, if a book-entry system is in effect, then to the Securities Depository, not less than 20 days prior to the effective date of such new Mode. Such notice shall state (1) that the interest rate on the Bonds will be converted to a new Mode, and that all Bonds are subject to mandatory tender pursuant to Section 4.02 regardless of whether or not the Conversion to a new Mode is completed; (2) the effective date of such new Mode; and (3) that such Bonds are subject to mandatory tender for purchase on such effective date, setting forth the applicable purchase price.

(d) Revocation of Conversion. The City may revoke a notice of Conversion prior to the effective date of such new Mode. If the Conversion is revoked, or all the conditions of Section 3.08 hereof are not met as to such Conversion on or prior to the Conversion Date, then the provisions of Section 3.09 hereof shall apply.

Section 3.03. Determinations of Remarketing Agent Binding. The determination of any Adjustable Interest Rate and/or Fixed Interest Rate by the Remarketing Agent or Broker-Dealer shall be conclusive and binding upon the Notice Parties and the Bondholders.

Section 3.04. Method of Notice of Conversion. In the event that the City shall elect to convert the interest rate on the Bonds or a Tranche, thereof, as the case may be, to a new Mode as provided in Section 3.02(b), then the written direction furnished by the City as required by such Section shall be made by registered or certified mail, or by electronic mail, telex or facsimile confirmed by registered or certified mail. Any such direction of the City shall specify the new Mode for the Bonds or a Tranche thereof and shall be accompanied by a copy of the notice required to be given by the Trustee pursuant to Sections 3.02(c). Notwithstanding anything in this Indenture to the contrary, the City may not elect to convert the interest rate on the Bonds from a Fixed Interest Rate.

Notwithstanding anything in Section 3.02 to the contrary, in connection with any Conversion to a new Mode, the City shall cause to be provided to the Notice Parties a Favorable Opinion of Bond Counsel on the Conversion Date. In any event, if notice of such Conversion has been mailed to the Bondholders as provided in Section 3.02 and the City fails to deliver a Favorable Opinion of Bond Counsel on the effective date as herein described, the Bonds shall continue to be subject to mandatory purchase on what would have been the Conversion Date as provided in Section 4.02(c)(i).

Section 3.05. Favorable Opinion of Bond Counsel. Notwithstanding anything in Section 3.02 to the contrary, in connection with any Conversion to a new Mode, the City shall cause to be provided to the Notice Parties a Favorable Opinion of Bond Counsel on the Conversion Date. In any event, if notice of such Conversion has been mailed to the Bondholders

as provided in Section 3.02 and the City fails to deliver a Favorable Opinion of Bond Counsel on the Conversion Date as herein described, the Bonds shall be subject to the provisions of Section 3.09 hereof.

Section 3.06. Bank Bonds. Anything contained herein to the contrary notwithstanding, Bank Bonds and all other obligations owed by the City to the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, under the Reimbursement Agreement or the Liquidity Facility, shall, subject to the next paragraph, bear interest at the Bank Rate for the period commencing from the date that the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, shall have purchased such Bank Bond or made any advance under the Letter of Credit, the Reimbursement Agreement or the Liquidity Facility, as the case may be, or the City has incurred any other obligations under the Reimbursement Agreement or the Liquidity Facility, as the case may be, and, subject to Section 6.03, continuing until the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be (or such other parties owning Bank Bonds as provided in the Reimbursement Agreement or the Liquidity Facility, as the case may be), shall no longer be the Bondholder of such Bonds, as provided in the Reimbursement Agreement or the Liquidity Facility, as the case may be, or until the City no longer owes the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, for any advance or other obligation under the Reimbursement Agreement or the Liquidity Facility, as applicable. Notwithstanding anything in this Indenture to the contrary, interest on Bank Bonds and all other obligations owed by the City to the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, under the Reimbursement Agreement or the Liquidity Facility, shall be paid by wire transfer, on the date on which such interest is due, in accordance with the written wire transfer instructions to be provided by the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, prior to such date when interest is due thereon, as provided in the Reimbursement Agreement or the Liquidity Facility, as the case may be. Bank Bonds may be sold, assigned or disposed of by the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, as more fully provided in the Reimbursement Agreement or the Liquidity Facility, as the case may be. The Bank Bonds shall indicate therein the requirements of the Reimbursement Agreement or Liquidity Facility, as the case may be, and the applicability of the provisions of this Section to subsequent ownership of the Bank Bonds.

Notwithstanding the foregoing, in the event the terms of the Reimbursement Agreement or the Liquidity Facility conflict with this Indenture, Bank Bonds and all other obligations owed by the City to the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, under the Reimbursement Agreement or the Liquidity Facility, shall bear interest and shall be payable as provided in the Reimbursement Agreement or the Liquidity Facility, as the case may be.

Section 3.07. Amendments of the Letter of Credit or Liquidity Facility Upon Conversion. In connection with any Conversion of the Interest Rate Period applicable to the Bonds (other than a change to a Mode which does not require a Letter of Credit or a Liquidity Facility to be in effect), if such converted Interest Rate Period requires a Letter of Credit or a Liquidity Facility to be effective and would extend beyond the expiration date of the applicable Letter of Credit or Liquidity Facility or would require a modification to the available commitment from that which is provided currently in the applicable Letter of Credit, or Liquidity Facility, the City, as a condition to the effectiveness of the direction to convert the Interest Rate

Period, must supply the Trustee with an amendment to the applicable Letter of Credit or Liquidity Facility or an Alternate Letter of Credit or Alternate Liquidity Facility with respect to the Bonds satisfying the requirements of their respective Exhibits when it delivers written direction to the Notice Parties of a Conversion pursuant to Section 3.02(b).

Section 3.08. Conditions. No Conversion from one Mode to another, or the establishment of a new Mode, shall take effect under this Indenture unless each of the following conditions, to the extent applicable, shall have been satisfied.

(a) With respect to the new Mode, the conditions for converting to that Mode, as provided in the Exhibit describing that Mode, shall be satisfied.

(b) The Trustee and the City shall have received a Favorable Opinion of Bond Counsel with respect to such Conversion.

Section 3.09. Failure to Meet Conditions. In the event that any condition to the Conversion of the Bonds or a Tranche thereof shall not have been satisfied as provided in this Indenture, then the Mode with respect to such Bonds shall not be converted and the provisions of “Failure to Meet Conditions to Convert to a New Mode” as described in the respective Exhibit describing the then current Mode for such Bonds shall apply.

Section 3.10. Certain Provisions of Bonds and Indenture Inapplicable After Fixed Interest Rate Date. On and after the Fixed Interest Rate Date of a Tranche of Bonds, the Bonds of such Tranche shall no longer be subject to the following provisions of this Indenture:

(a) the provisions of Sections 3.02, 3.03, 3.04, 3.05, 3.06, 3.07, 3.08, 3.09, 4.02 and Exhibits B, C, D, E, F and G;

(b) any provisions relating to a Letter of Credit or Liquidity Facility, except to the extent that any Bank Bonds and other obligations are Outstanding under the provisions of the Reimbursement Agreement or Liquidity Facility.

ARTICLE IV

REDEMPTION AND PURCHASE OF BONDS

Section 4.01. Redemption of Bonds.

(a) Optional Redemption. The Bonds shall be subject to redemption prior to stated maturity at the option of the City, in whole or in part, in accordance with the provisions of this Section 4.01(a).

(i) *Bonds*. Bonds in a Mode shall be subject to redemption prior to stated maturity pursuant to the terms specified in the Exhibit defining the Mode.

(ii) *Bank Bonds*. Bank Bonds shall be subject to optional redemption by the City, in whole or in part at any time, and from time to time, at a redemption price

equal to 100% of the principal being redeemed plus accrued interest, if any, at the Bank Rate to such Redemption Date.

(b) Mandatory Sinking Fund Redemption of Bonds. The Bonds shall be subject to mandatory sinking fund redemption prior to stated maturity on February 1 of each year set forth below in Sinking Fund Installments in the amount set forth next to each year at a redemption price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date:

February 1 of the Year	Principal Amount	February 1 of the Year	Principal Amount
-----------------------------------	-----------------------------	-----------------------------------	-----------------------------

* Final Maturity Date

The City may purchase Bonds and credit them against the Sinking Fund Installments at the principal amount thereof by delivering them to the Trustee for cancellation at least forty-five (45) days before the applicable Redemption Date. Upon the purchase or optional redemption of any Bonds for which Sinking Fund Installments shall have been established, an amount equal to the principal amount of the Bonds so purchased or redeemed shall be credited toward future applicable Sinking Fund Installments in such order as the City shall determine.

If fewer than all the Bonds are to be redeemed, the City will select which Tranche or Tranches of Bonds are to be redeemed, and the Trustee will select the Bonds within such Tranche or Tranches. The Trustee will make the selection from Bonds not previously called for redemption. For this purpose, the Trustee will consider each Bond in a denomination larger than the minimum Authorized Denomination permitted by the Indenture at the time to be separate Bonds each in the minimum Authorized Denomination. During the period that DTC or DTC's nominee is the Registered Owner of the Bonds, if less than all of the Bonds are to be redeemed, the particular Bonds or portions of the Bonds to be redeemed shall be selected by DTC in such manner as DTC may determine.

In the event that the Bonds shall be optionally redeemed in part pursuant to Section 4.01(a), then the principal amount so redeemed (including principal of Bank Bonds) shall be applied to reduce the amount of Sinking Fund Installments (including principal due on

the Maturity Date) as the City shall specify in writing to the Trustee and the Remarketing Agent; provided that the amounts so applied shall be in Authorized Denominations.

Notwithstanding the foregoing, when any Bonds to be redeemed pursuant to this subsection (b) are bearing interest at an Auction Rate, if such February 15 is not an Auction Rate Interest Payment Date, the mandatory sinking account redemption shall occur on the Auction Rate Interest Payment Date immediately preceding such February 15.

Notwithstanding the mandatory Sinking Fund Installments established above, the City may modify such mandatory Sinking Fund Installments at any time the City decides to convert the Bonds to a Fixed Interest Rate. In order for any such modification to become effective, the City shall first deliver to the Notice Parties a Favorable Opinion of Bond Counsel.

(c) Mandatory Redemption of Bank Bonds. Mandatory redemption of Bank Bonds, if any, shall be governed by the Reimbursement Agreement or the Liquidity Facility, as the case may be, and as provided herein, and any Bank Bonds shall be redeemed pursuant to the Reimbursement Agreement or the Liquidity Facility, as the case may be, upon written notice to the Trustee from the Letter of Credit Bank or the Liquidity Facility Provider, as applicable, but without any notice for or direction by the City except as otherwise provided therein.

(d) Selection of Bonds to be Redeemed. Bonds are subject to redemption in the manner provided in Section 4.02(b) hereof, provided that for so long as the Book-Entry-Only system is being used, the interests of the Participants in the particular Bonds or portions thereof to be redeemed within a maturity shall be selected by lot by DTC in such manner as DTC and the Participants may determine.

Upon surrender of a Bond to be redeemed, in part only, the Trustee will authenticate for the Holder a new Bond or Bonds of the same Tranche equal in principal amount to the unredeemed portion of the Bond surrendered.

Notwithstanding the previous two paragraphs, at any time less than all of the Bonds are to be redeemed, any applicable Bank Bonds Outstanding will be redeemed prior to any other Bonds which are not Bank Bonds.

(e) Notice of Redemption. Notice of the call for any redemption of Bonds prior to maturity, specifically identifying by designation, letters, numbers or other distinguishing marks (including CUSIP numbers), the Bonds or portions thereof to be redeemed, the redemption price to be paid, the date fixed for redemption, the name and address of the place or places where the amounts due upon such redemption are payable, and the maturity dates of the Bonds to be redeemed shall be given by the Trustee on behalf of the City by mailing a copy of the redemption notice by registered or certified mail, if to a Securities Depository, otherwise by Mail, and in either case postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the Redemption Date, to the registered Holder of each such Bond to be redeemed at the address shown on the registration books kept by the Trustee. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the redemption price thereof, or the redemption price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued to the

Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. In the case of any redemption of Bonds prior to maturity to be made at the direction of the City, the Trustee shall give the notices required by this Section 4.01 after receipt of 15 day prior written notice from the City of such direction and shall not be required to give such notices until such time. The provisions of this Section shall be subject to the provisions of Section 2.04 hereof relating to DTC.

The City may provide that, if at the time of mailing of notice of an optional redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, that is, subject to the deposit of the redemption moneys with the Trustee not later than the opening of business five (5) Business Days prior to the scheduled Redemption Date, and such notice shall be of no effect unless such moneys are so deposited. In the event sufficient moneys are not on deposit on the required date, then the redemption shall be canceled and on such cancellation date notice shall be mailed to the Holders of such Bonds, to be redeemed in the manner provided in this Section.

Failure to give any required notice of redemption or any defect therein as to any particular Bonds will not affect the validity of the call for redemption of any Bonds in respect of which no failure occurs. Any notice sent as provided herein will be conclusively presumed to have been given whether or not actually received by the addressee.

(f) Payment of Bonds Called for Redemption. Upon surrender to the Trustee or the Trustee's agent, Bonds called for redemption shall be paid at the redemption price stated in the notice, plus, when applicable, interest accrued to the Redemption Date.

(g) Effect of Redemption Call. On the date so designated for redemption, notice having been given in the manner and under the conditions provided herein and moneys for payment of the redemption price being held in trust to pay the redemption price, the Bonds so called for redemption shall become and be due and payable on the Redemption Date, interest on such Bonds shall cease to accrue from and after such Redemption Date, such Bonds shall cease to be entitled to any lien, benefit or security under this Indenture and the Owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price.

Bonds which have been duly called for redemption under the provisions of this Article and for the payment of the redemption price of which moneys shall be held in trust for the Holders of the Bonds to be redeemed, all as provided in this Indenture, shall not be deemed to be Outstanding under the provisions of this Indenture.

Section 4.02. Purchase of Bonds.

(a) Tender at the Option of the Bondholder. Eligible Bonds in a Mode shall be subject to tender at the option of the Bondholder pursuant to the terms specified in the Exhibit defining the Mode. Each Bond (provided such Bond is an Eligible Bond), shall be purchased (in whole) from its Bondholder at the option of the Bondholder on a Business Day at a purchase price equal to the principal amount thereof plus accrued interest, if any, from and including the Interest Accrual Date immediately preceding the date of purchase through and including the day

immediately preceding the date of purchase, unless the date of purchase shall be an Interest Payment Date, in which case at a purchase price equal to the principal amount thereof

(b) Mandatory Tender for Purchase. The Bonds in a Mode shall be subject to mandatory tender for purchase on each Conversion Date relating to that Tranche of Bonds or pursuant to the terms specified in the Exhibit defining the Mode; provided, however, that in the case of any failed Conversion of Bonds bearing interest at an Auction Rate, no mandatory purchase shall apply.

(c) Mandatory Tender for Purchase upon Termination, Expiration or Replacement of the Letter of Credit or a Liquidity Facility. The Bonds are subject to mandatory purchase in the event of (i) (A) the termination or expiration of a Letter of Credit or Liquidity Facility; or (B) a Letter of Credit or Liquidity Facility is being replaced (C) an Alternate Letter of Credit or an Alternate Liquidity Facility is delivered to the Trustee; or (ii) the Letter of Credit Bank or the Liquidity Facility Provider notifies the Trustee that (A) an “Event of Default” has occurred under the Letter of Credit, the Reimbursement Agreement or the Liquidity Facility, as the case may be, and that the Letter of Credit Bank or the Liquidity Facility Provider is terminating the Letter of Credit or the Liquidity Facility, as the case may be, in accordance with its, the Reimbursement Agreement’s or the Liquidity Facility’s terms, or (B) the Letter of Credit Bank notifies the Trustee that interest will not be reinstated under the Letter of Credit, then on the second Business Day preceding any such termination, expiration or replacement of or non-reinstatement of interest under the Letter of Credit or the Liquidity Facility, as the case may be, the Bonds shall be purchased or deemed purchased as provided herein.

(d) Notice of Mandatory Tender for Purchase. In connection with any mandatory tender for purchase of Bonds in accordance with Section 4.02(b) or (c) hereof, the Trustee shall give notice of a mandatory tender for purchase, which in the case of Section 4.02(b) shall be given, as a part of the notice given pursuant to Section 3.02 hereof. Such notice shall state (i) the Bonds are subject to mandatory tender for purchase, (ii) the tender date, (iii) the purchase price and that the purchase price of any Bond so subject to mandatory purchase shall be payable only upon surrender of such Bond to the Trustee at its Corporate Trust Office for delivery of Bonds accompanied by an instrument of transfer thereof, in form satisfactory to the Trustee, executed in blank by the Holder thereof or his duly authorized attorney in fact, with such signature guaranteed by an eligible guarantor institution; (iv) that, provided that moneys sufficient to effect such purchase have been provided through the remarketing of such Bonds by the Remarketing Agent or through the Letter of Credit or the Liquidity Facility, as the case may be, all Bonds so subject to mandatory tender for purchase shall be purchased on the Mandatory Purchase Date, and that if any Owner of a Bond subject to mandatory tender for purchase shall not surrender such Bond to the Trustee for purchase on such Mandatory Purchase Date, and moneys sufficient to pay the purchase price thereof are on deposit with the Trustee, then such Bond shall be deemed to be an “Undelivered Bond,” and that no interest shall accrue thereon on and after such Mandatory Purchase Date and that the holder thereof shall have no rights under this Indenture, other than to receive payment of the purchase price thereof; and (v) in the event that moneys sufficient to pay the purchase price of such Bonds have not been provided to the Trustee either through the remarketing of such Bonds or from the Letter of Credit or the Liquidity Facility or from the City, as the case may be, that such Bonds shall not be purchased or

deemed purchased and shall continue to bear interest as if such failed purchase shall not have occurred. The City shall provide the Trustee with a form of any such notice.

The Trustee shall give notice by Mail to the Owners of the Bonds then entitled to the benefits of the Letter of Credit or Liquidity Facility, as the case may be, (a) on or before the fifteenth day preceding the expiration of any Letter of Credit or Liquidity Facility in accordance with its terms; (b) on or before the fifteenth day preceding any replacement of the Letter of Credit or Liquidity Facility; (c) as soon as practicable after receipt by the Trustee of notice from the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, that an “Event of Default” has occurred under the Letter of Credit or Liquidity Facility, as the case may be (but only if such Event of Default would result in the Bonds being subject to mandatory tender pursuant to Section 4.02(c)), or (d) promptly after receipt by the Trustee of notice from the Letter of Credit Bank that interest on the Letter of Credit will not be reinstated.

For payment of the purchase price of any Bond required to be purchased pursuant to this Section 4.02 on the date specified, such Bond must be delivered, at or prior to 12:00 noon, New York City time, on the purchase date, to the Trustee at its Corporate Trust Office for delivery of Bonds accompanied by an instrument of transfer thereof, in form satisfactory to the Trustee, executed in blank by the Holder thereof or his duly authorized attorney in fact, with such signature guaranteed by an eligible guarantor institution. In the event any such Bond is delivered after 12:00 noon, New York City time, on the purchase date, payment of the purchase price of such Bond need not be made until the Business Day following the date of delivery of such Bond, as the case may be, but such Bond shall nonetheless be deemed to have been purchased on the date specified in such notice and no interest shall accrue thereon from and after such date.

(e) Notice of Owner’s Election to Tender Bonds Deemed to be Irrevocable; Undelivered Bonds.

(i) The giving of notice by an Owner of a Bond as provided in Section 4.02(a) shall constitute the irrevocable tender for purchase of each such Bond with respect to which such notice shall have been given, regardless of whether such Bond is delivered to the Trustee for purchase on the relevant purchase date as provided in this Section 4.02; provided that moneys sufficient to pay the purchase price (as described in Section 4.02(f) hereof) of such Bond are on deposit with the Trustee for such purpose.

(ii) The Trustee may refuse to accept delivery of any Bond for which a proper instrument of transfer has not been provided; such refusal, however, shall not affect the validity of the purchase of such Bond as herein described. If any Bondholder of a Bond who shall have given notice of tender of purchase pursuant to Section 4.02(a) hereof shall fail to deliver such Bond to the Trustee at the place and on the applicable date and at the time specified, or shall fail to deliver such Bond properly endorsed, and moneys sufficient to pay the purchase price thereof are on deposit with the Trustee for such purpose, such Bond shall constitute an Undelivered Bond. If funds in the amount of the purchase price of the Undelivered Bonds are available for payment to the Holder thereof on the date and at the time specified, from and after the date and time of that required delivery, (A) each Undelivered Bond shall be deemed to be purchased

and shall no longer be deemed to be Outstanding; (B) interest shall no longer accrue thereon; and (C) funds in the amount of the purchase price of each such Undelivered Bond shall be held by the Trustee uninvested and without liability for interest for the benefit of the Holder thereof, to be paid on delivery (and proper endorsement) of such Undelivered Bond to the Trustee for delivery of Bonds. Any funds held by the Trustee as described in clause (C) of the preceding sentence shall not be commingled.

(f) Sources of Funds for Purchase of Bonds. Bonds required to be purchased in accordance with Section 4.02 hereof shall be purchased from the Owners thereof, on the date and at the purchase price at which such Bonds are required to be purchased. Funds for the payment of such purchase price shall be derived from the following sources in the order of priority indicated:

(i) proceeds of the sale of such Bonds remarketed to any Person (other than the City) pursuant to Section 6.02 hereof and furnished to the Trustee by the Remarketing Agent for deposit into the in the Remarketing Proceeds Account (as hereinafter defined) of the Remarketing Reimbursement Fund (as hereinafter defined);

(ii) moneys furnished to the Trustee pursuant to a draw on the Letter of Credit or from the Liquidity Facility, as the case may be, for deposit into the Letter of Credit and Liquidity Facility Account (as hereinafter defined) of the Remarketing Reimbursement Fund; and

(iii) monies provided by the City to the Trustee for deposit in the City Account (as hereinafter defined) of the Remarketing Reimbursement Fund, if any.

The City shall not have any obligation to pay the purchase price of any Bonds required to be purchased pursuant to Section 4.02 hereof if the moneys from the sources described in clauses (i) and (ii) above are insufficient to provide for such payment. In the event moneys on deposit with the Trustee are insufficient to pay the purchase price of the Bonds to be purchased pursuant to Section 4.02 hereof, the Trustee shall determine the Bonds tendered for purchase with respect to which such insufficiency exists by lot from those Bonds tendered for purchase and shall return such appropriate Bonds to the Owners thereof together with notice of such insufficiency and the Owners thereof shall thereafter have the right to again tender such Bonds for purchase to the extent provided by Section 4.02 hereof, and no such insufficiency shall constitute a default under this Indenture.

ARTICLE V

APPLICATION OF PROCEEDS; ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 5.01. Application of Proceeds. The City hereby directs that the proceeds of sale of the Bonds, net of Underwriter's discount and costs of issuance of the Bonds as disclosed to the Trustee in writing, shall be deposited in the City's Capital Projects Fund.

Section 5.02. Debt Service Account. A separate account shall be created in the Debt Service Fund held by the City for the Bonds to be held by the Trustee and designated as the “Debt Service Account - Variable Rate General Obligation Corporate Purpose Bonds, Series 2005 V8” (the “Series 2005 V8 Debt Service Account”). On any Interest Payment Date or day when payment of the principal of or redemption price of the Bonds is due, the Trustee shall deposit, no later than 11:00 a.m., New York City time, into the Series 2005 V8 Debt Service Account all payments made by the City pursuant to Section 2.06 hereof and all monies derived from a drawing under a Letter of Credit under Section 5.04 hereof to be applied (1) to the payment of interest, when due, on all Outstanding Bonds, including any accrued interest due in connection with redemption of Bonds, and (2) to the payment, when due, of the principal of or redemption price of the Bonds then payable at maturity or upon redemption. The lien of the Trust Estate upon the Series 2005 V8 Debt Service Account shall only be effective on or after 11:00 a.m., New York City time, on the date a payment of interest on, principal of or redemption price of the Bonds is due.

Section 5.03. Remarketing Reimbursement Fund and Accounts. A separate fund and related accounts to be held by the Trustee shall be created at the time any Bonds bear interest at an Adjustable Interest Rate (except an Auction Rate) and designated as, the “Remarketing Reimbursement Fund” (the “Remarketing Reimbursement Fund”) and therein separate accounts for such Bonds. Within the Remarketing Reimbursement Fund, there shall be created an account designated the “Remarketing Proceeds Account” (the “Remarketing Proceeds Account”), an account designated the “Letter of Credit and Liquidity Facility Account” (the “Letter of Credit and Liquidity Facility Account”) and an account designated the “City Account” (the “City Account”). The Trustee shall deposit into (i) the Remarketing Proceeds Account all proceeds from the remarketing of the Bonds, (ii) the Letter of Credit and Liquidity Facility Account all monies drawn on the Letter of Credit or the Liquidity Facility to pay the purchase price on the Bonds and (iii) the City Account all payments made by the City for deposit in the City Account pursuant to Section 4.02(f)(iii) hereof. The Remarketing Reimbursement Fund shall not be considered a part of the security for the Bonds but shall be used solely in connection with the remarketing of Bonds as set forth in Section 6.02 hereof. Any moneys deposited to the Remarketing Reimbursement Fund shall be held without liability for interest and without investment or commingling thereof. Except as otherwise provided herein, neither the City nor the Trustee shall grant any lien or encumbrance to any Person on the moneys deposited in the Remarketing Reimbursement Fund received from a drawing on a Letter of Credit or a Liquidity Facility, as the case may be, or amounts received from a remarketing of the Bonds.

Certain provisions regarding the Remarketing Reimbursement Fund are set forth in Section 5.05 hereof.

Section 5.04. Draws on Letter of Credit. In the event there is a Letter of Credit in effect, the City hereby authorizes and directs the Trustee to draw on the Letter of Credit pursuant to its terms, in the amounts and at the times necessary to pay principal of, redemption price, purchase price and interest on the Bonds (excluding any premium) pursuant to this Article. In no circumstances shall the Trustee use moneys drawn on the Letter of Credit to pay the principal of or interest on Bank Bonds or to pay premium, if any, on any Bonds. Any moneys received by the Trustee from a draw on the Letter of Credit shall be held without liability for interest and without investment or commingling thereof. Except as otherwise provided herein,

neither the City nor the Trustee shall grant any lien or encumbrance to any Person on the moneys received from a drawing on the Letter of Credit.

The Trustee shall draw upon the Letter of Credit in accordance with the terms thereof on or before 11:00 a.m., New York City time, at the principal office of the Letter of Credit Bank where the draw request is to be presented, on the Business Day prior to any Interest Payment Date (or the Maturity Date or a Redemption Date which is not an Interest Payment Date), and on or before 10:30 a.m., New York City time, at the principal office of the Letter of Credit Bank where the draw request is to be presented, on each tender date for the Bonds pursuant to Section 4.02 hereof. The Trustee shall determine the amount necessary to make all required payments of principal and interest on the Bonds or purchase price payments of the Bonds on the next succeeding Interest Payment Date, Maturity Date, other Redemption Date or such tender date for the Bonds, and shall present a signed draft to the Letter of Credit Bank (together with the required certificates under the Letter of Credit) in such amount, so as to permit the timely transfer of funds from the Letter of Credit Bank to the Trustee for payment of interest on the Bonds on each Interest Payment Date, for payment of the principal of and interest on the Bonds when due, whether at maturity or upon prior redemption, or the payment of the purchase price of the Bonds when due on the applicable tender date for the Bonds.

If on the date and by the time of any required drawing on the Letter of Credit to pay interest on the Bonds, the Trustee is not able to determine the amount of interest accruing on the date of the required drawing, the Trustee shall assume that for such day the Bonds bear interest at the Maximum Interest Rate.

The Trustee shall promptly notify the City by oral or telephonic communication confirmed in writing if the Letter of Credit Bank has not transferred funds in accordance with the Letter of Credit upon the presentment of any such draft.

In calculating the amount to be drawn on the Letter of Credit for the payment of principal of and interest on the Bonds, whether on an Interest Payment Date, at maturity or upon redemption, the Trustee shall not take into account the existence of any other moneys available to pay principal of and interest on the Bonds, but shall draw on the Letter of Credit for the full amount of principal and interest coming due on the Bonds. If sufficient moneys are available in the Remarketing Reimbursement Fund to pay the purchase price of the Bonds tendered for purchase, the Trustee shall not draw on the Letter of Credit, but shall forward such amounts directly to the tendering Owners. The Trustee shall draw on the Letter of Credit to pay the purchase price of Bonds tendered for purchase only to the extent that moneys derived from the remarketing of the Bonds and deposited in Remarketing Proceeds Account of the Remarketing Reimbursement Fund are insufficient to purchase the Bonds so tendered. In calculating the amount, if any, to be drawn on the Letter of Credit for the purchase of the Bonds on a tender date for the Bonds, the Trustee shall take into account funds received from the purchasers of the applicable tendered Bonds or from the Remarketing Agent by 10:00 a.m., New York City time, and by 10:30 a.m., New York City time, on the applicable tender date shall draw on the Letter of Credit only such amounts as may be necessary to purchase such Bonds after taking into account all funds received by 10:00 a.m., New York City time on such date which are attributable to the remarketing of such Bonds. Upon receipt of such moneys from the Letter of Credit Bank, the Trustee shall deposit (and hold uninvested and without liability for interest) the amount

representing a draw on the Letter of Credit for the payment of principal and interest on the Bonds in the Series 2005 V8 Debt Service Account in the City's Debt Service Fund, and apply the same only to the payment of such principal and interest when due on the Bonds, shall deposit (and hold uninvested and without liability for interest) the amount representing a draw on the Letter of Credit for the purchase of Bonds in the Letter of Credit and Liquidity Facility Account in the Remarketing Reimbursement Fund and disburse said amount only to the tendering Owners of the Bonds being purchased and, and subject to the prior satisfaction of all principal, purchase price and interest on payments then due or on account of which funds shall have been paid to the Trustee by the City or shall have been obtained by the Trustee by a drawing or drawings on the Letter of Credit, by wire transfer shall pay, on behalf of the City, but only from and to the extent of moneys available in the City's Debt Service Fund set aside for the payment of principal of and interest on the Bonds or the Remarketing Reimbursement Fund any amounts due and payable to the Letter of Credit Bank under the Reimbursement Agreement for any drawing made on the Letter of Credit.

Section 5.05. Demand for Purchase of Bonds under a Liquidity Facility. In the event there is a Liquidity Facility in effect instead of a Letter of Credit with respect to the Bonds, by 10:30 a.m., New York City time (or such other time as may be agreed to between the City and the Liquidity Facility Provider), on the tender date for the Bonds, the Trustee is hereby directed to notify the Liquidity Facility Provider as to the aggregate purchase price of the applicable tendered Bonds required to be purchased by the Liquidity Facility Provider and to make a demand for purchase of such Bonds under the Liquidity Facility in accordance with the terms of the Liquidity Facility, such that the Trustee will have amounts, on deposit in the Remarketing Reimbursement Fund, sufficient to pay the purchase price plus accrued interest, if any, of the Bonds to be tendered by no later than 2:30 p.m., New York City time (or such other time as may be agreed to between the City and the Liquidity Facility Provider). Upon the receipt of amounts payable under the Liquidity Facility, the Trustee shall deposit such purchase price in the Letter of Credit and Liquidity Facility Account in the Remarketing Reimbursement Fund. In determining the amount of any such purchase price then due, the Trustee shall not take into consideration any purchase price due on the Bonds registered in the name of the City or the Liquidity Facility Provider or any affiliate of the City or the Liquidity Facility Provider to the extent identified to the Trustee and no demand for purchase under the Liquidity Facility shall be made to pay the purchase price of any Bonds, registered in the name of the City or the Liquidity Facility Provider or any affiliate of the City or the Liquidity Facility Provider to the extent identified to the Trustee. By 3:00 p.m., New York City time (or such other time as may be agreed to between the City and the Liquidity Facility Provider), the Trustee shall purchase the applicable tendered Bonds and immediately remit to the Liquidity Facility Provider such excess funds in the Letter of Credit and Liquidity Facility Account of the Remarketing Reimbursement Fund which were not used to purchase the Bonds tendered.

ARTICLE VI

REMARKETING AGENT; PURCHASE AND REMARKETING OF BONDS

Section 6.01. Remarketing Agent for Bonds. The City shall appoint a Remarketing Agent for the Bonds, subject to the conditions set forth in the following paragraph,

at the time the Bonds are initially issued in or are converted to an Adjustable Interest Rate (except an Auction Rate) or a Fixed Interest Rate (if necessary). Each Remarketing Agent shall designate its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the City, the Trustee, and any Letter of Credit Bank or Liquidity Facility Provider, as the case may be, under which the Remarketing Agent will agree, particularly, to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the City, the Trustee, and the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, at all reasonable times.

Any Remarketing Agent appointed hereunder shall be a member of the National Association of Securities Dealers, having a combined capital stock, surplus and undivided profits of at least \$75,000,000 (or such other amounts as may be agreed to by the City), and authorized by law to perform all the duties imposed upon the Remarketing Agent by this Indenture and the Remarketing Agreement. Any Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture and the Remarketing Agreement by giving notice to the Notice Parties. Such resignation takes effect only on the appointment of a successor Remarketing Agent by the City and the acceptance of such appointment by the successor Remarketing Agent. If no successor is appointed within sixty (60) days after the notice of resignation, the resigning Remarketing Agent may appoint a successor or at the City's expense petition any court of competent jurisdiction to appoint a successor. The successor Remarketing Agent must be a member of the National Association of Securities Dealers, having a combined capital stock, surplus and undivided profits of at least \$75,000,000 (or such other amounts as may be agreed to by the City), and authorized by law to perform all the duties imposed upon the Remarketing Agent by this Indenture and the Remarketing Agreement. Any successor Remarketing Agent shall accept in writing its duties and responsibilities hereunder. The Remarketing Agent may be removed at any time by the City by written notice given by the City and delivered to the Notice Parties.

Section 6.02. Remarketing of Bonds. No later than 3:00 p.m. New York City (a) on the eighth Business Day prior to each mandatory tender date while the Bonds bear interest at a Long Term Interest Rate, or (b) the sixth calendar day prior to each mandatory tender date or the next succeeding Business Day if such sixth day is not a Business Day while any Bonds bear interest at a Weekly Interest Rate, or (c) the fifth Business Day prior to each mandatory tender date while any Bonds bear interest at a Bond Interest Term Rate, the Trustee shall give notice to the Remarketing Agent by telephone or telecopy, confirmed on the same day in writing, which states the aggregate principal amount of any Bonds which are to be tendered pursuant to Sections 4.02(b) and (c) hereof.

Based upon notices from the Holders for optional tender or from the Trustee pursuant to Section 4.02(d), the Remarketing Agent shall use its best efforts to sell all of the Bonds tendered pursuant to Sections 4.02(a), (b) and (c) hereof for settlement on the applicable tender date.

The Remarketing Agent shall have the right to remarket any Bond (or portion thereof) tendered pursuant to Sections 4.02(a), (b), (c) and (d) hereof; provided, however, that no such Bond shall be remarketed at a price less than 100% of the principal amount thereof plus

accrued interest (if any). The Remarketing Agent shall have the right to purchase any Bond tendered or deemed tendered pursuant to Sections 4.02(a), (b), (c) and (d) hereof at 100% of the principal amount thereof, and to thereafter sell such Bond. Any such purchase shall constitute a remarketing hereunder.

The Remarketing Agent shall not remarket any Bond to the City, any guarantor of Bonds (excluding the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be) or any Person which is an “insider” of the City or any such guarantor within the meaning of the United States Bankruptcy Code.

No later than 10:00 a.m., New York City time, on each tender date the Remarketing Agent shall pay to the Trustee, in immediately available funds, the proceeds theretofore received by the Remarketing Agent from the remarketing of such Bonds tendered for purchase; provided, that the Remarketing Agent may use its best efforts to cause the purchasers of the remarketed Bonds to pay the purchase price plus accrued interest (if any) to the Trustee in immediately available funds. The proceeds from the remarketing of any Bonds shall be deposited in the Remarketing Proceeds Account of the Remarketing Reimbursement Fund and segregated from any funds of the City and shall in no case be considered to be or be assets of the City.

There shall be deposited in the Remarketing Proceeds Account of the Remarketing Reimbursement Fund, on each tender date, the applicable remarketing proceeds received by the Trustee pursuant to this Section plus, if necessary, any moneys from a draw on the Letter of Credit or the Liquidity Facility, as the case may be, to be used to pay the purchase price of the applicable tendered Bonds. The Trustee shall use the amounts deposited in the applicable accounts of the Remarketing Reimbursement Fund to pay the purchase price of the related tendered Bonds.

Section 6.03. Delivery of Bonds and Remarketing of Bank Bonds. On or before the Business Day next preceding each tender date, the Remarketing Agent (or while Bonds bear interest at a Daily Interest Rate, prior to the time on the tender date necessary to effect a draw or borrowing under the Letter of Credit or Liquidity Facility, as the case may be), by telephonic advice, shall notify the Trustee and the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, of (a) the principal amount of Bonds to be sold by the Remarketing Agent pursuant to Section 6.02 hereof and the purchase price, names, addresses and social security numbers or other tax identification numbers of the proposed purchasers thereof and (b) the principal amount of the Bonds tendered for purchase on such tender date which will not be sold by such Remarketing Agent pursuant to Section 6.02 hereof. Such telephonic advice shall be confirmed by written notice delivered or mailed on the same date as the telephonic advice.

Bonds purchased by the Trustee on a tender date shall be delivered as follows:

(a) Bonds sold by the Remarketing Agent pursuant to Section 6.02 hereof shall be delivered to the purchasers thereof.

(b) Bonds not sold by the Remarketing Agent pursuant to Section 6.02 hereof and purchased with proceeds derived from a drawing on the Letter of Credit or the Liquidity

Facility shall be held as Bank Bonds, by the Trustee, as agent for the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, subject to any instructions from the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, to deliver the Bank Bonds to the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be. Any Bank Bonds held by the Trustee shall not be released or transferred except to the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, or to the Remarketing Agent at the written direction of the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, as provided in the last paragraph of this Section. Bonds not sold by the Remarketing Agent shall be deemed purchased by the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, upon application of the proceeds of a draw on the Letter of Credit or the Liquidity Facility, as the case may be, to pay the purchase price thereof.

Bonds (other than Bank Bonds) delivered as provided in this Section shall be registered (or recorded through the Securities Depository) in the manner directed by the recipient thereof. Bank Bonds shall be registered (or recorded through the Securities Depository) in the name of the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, or its designee, as requested by the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be.

The Remarketing Agent shall use its best efforts to remarket Bank Bonds; provided, however, such Remarketing Agent shall not remarket Bank Bonds held as a result of a mandatory tender pursuant to Section 4.02(c) hereof prior to receiving written notice from the Trustee that the Letter of Credit or any Alternate Letter of Credit or the Liquidity Facility or the Alternate Liquidity Facility, as the case may be, has been reinstated or replaced and satisfies the requirements of Section 7.02 hereof. Upon the remarketing of the Bank Bonds, the Remarketing Agent shall notify the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, the Trustee and the City of such remarketing, the name, address and social security or other tax identification number of the purchaser, and the date (the "Placement Date") that the purchaser shall deliver the purchase price to the Trustee or the Remarketing Agent by 10:00 a.m., New York City time at the Corporate Trust Office of the Trustee.

No later than 10:00 a.m., New York City time on each Placement Date, the Remarketing Agent shall pay to the Trustee, in immediately available funds, the proceeds theretofore received by such Remarketing Agent from the remarketing of Bank Bonds on such Placement Date; provided, that the Remarketing Agent may use its best efforts to cause the purchasers of the remarketed Bank Bonds to pay the purchase price plus accrued interest (if any) to the Trustee in immediately available funds. The proceeds from the remarketing of the Bank Bonds shall be deposited in the Remarketing Proceeds Account in the Remarketing Redemption Fund and segregated from any funds of the City and shall in no case be considered to be or be assets of the City. The Trustee shall deposit such funds in the applicable account of the Remarketing Reimbursement Fund and shall pay the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, such funds by wire transfer on the Placement Date. The Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, shall deliver any Bank Bonds held by the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be (or evidence of book entry interests in such Bank Bonds) which have been so remarketed to the Trustee against payment on the Placement Date. With respect to any Bank Bonds not so held by the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, the Letter of

Credit Bank or the Liquidity Facility Provider, as the case may be, shall direct the Trustee to release such Bank Bonds which have been so remarketed to the Remarketing Agent against payment therefor on the Placement Date. On the Placement Date, the Trustee shall authenticate and deliver, if applicable, new Bonds in replacement of the remarketed Bank Bonds to the purchasers thereof based upon written instructions of the Remarketing Agent. Bank Bonds which have not been remarketed within thirty (30) days after becoming Bank Bonds shall require a Favorable Opinion of Bond Counsel prior to the remarketing thereof.

ARTICLE VII

LETTER OF CREDIT; LIQUIDITY FACILITY

Section 7.01. General. The City hereby agrees to maintain a Letter of Credit or a Liquidity Facility with respect to the Bonds, or Tranches thereof, at all times while the such Bonds are Outstanding, except when such Bonds are bearing interest at: (a) a Fixed Interest Rate, (b) a Long Term Interest Rate whereby the Long Term Interest Rate Period is effective to the Maturity Date of the Bonds, (c) a Long Term Interest Rate whereby the duration of the Long Term Interest Rate Period is longer than 2 years, or (d) an Auction Rate. A Letter of Credit or a Liquidity Facility must be in effect prior to any Conversion from an Auction Rate to another Adjustable Interest Rate, except for (i) a Long Term Interest Rate whereby the Long Term Interest Rate Period is effective to the Maturity Date of the Bonds or (ii) a Long Term Interest Rate whereby the duration of the Long Term Interest Rate Period is longer than 2 years. A Letter of Credit or a Liquidity Facility is not necessary for Conversion to a Fixed Rate. If at any time the City obtains a Letter of Credit or a Liquidity Facility with respect to the Bonds which were previously not entitled to the benefit thereof, the City shall submit such Letter of Credit or a Liquidity Facility to Moody's, S&P, Fitch or such other Rating Agency as the City may select for the purposes of obtaining a rating on such Bonds. The Trustee shall be furnished with any Letter of Credit or a Liquidity Facility obtained pursuant to this Section together with evidence of any rating or ratings obtained on the Bonds in connection therewith. If at any time the Trustee resigns or is removed pursuant to this Indenture, the Trustee shall transfer the Letter of Credit or the Liquidity Facility, as applicable, to the successor Trustee. Except as otherwise provided herein, neither the City nor the Trustee shall grant any lien or encumbrance to any Person on the moneys received from a drawing on the Letter of Credit or a Liquidity Facility, as the case may be.

Any Letter of Credit Bank or Liquidity Facility Provider, as the case may be, whose principal office or payment office is not located in New York State shall provide the Trustee with a list of holidays on which it is closed through the next succeeding _____ at the beginning of the term of such Letter of Credit or Liquidity Facility, as the case may be, and by _____ of each year thereafter.

Section 7.02. Alternate Letter of Credit; Alternate Liquidity Facility.

(a) At any time, the City may provide for the delivery to the Trustee of an Alternate Letter of Credit. The terms of any Alternate Letter of Credit shall be the same as the original Letter of Credit in all respects material to the security for the Bonds; provided that the termination date of such Alternate Letter of Credit shall be a date not earlier than (i) 360 days

from its date of issuance, subject to earlier termination upon the occurrence of an event of default under the related reimbursement agreement or other corresponding agreement relating to such Alternate Letter of Credit, (ii) the issuance of a subsequent Letter of Credit, (iii) payment in full of the applicable Outstanding Bonds or (iv) a Conversion of the Interest Rate Period to (A) a Fixed Interest Rate, (B) a Long Term Interest Rate whereby the Long Term Interest Rate Period is effective to the Maturity Date of the Bonds, (C) a Long Term Interest Rate whereby the duration of the Long Term Interest Rate Period is longer than two years, or (D) an Auction Rate. Nothing contained herein shall prevent the City from delivering an Alternate Letter of Credit in substitution for a Letter of Credit which will result in a decline in any ratings assigned to such Bonds by Moody's, S&P, Fitch or such other Rating Agency as a result of obtaining the Alternate Letter of Credit.

(b) At any time, the City may provide for the delivery to the Trustee of an Alternate Liquidity Facility. The terms of any Alternate Liquidity Facility shall be the same as the original Liquidity Facility in all respects material to the security for the Bonds; provided that the termination date of such Alternate Liquidity Facility shall be a date not earlier than (i) 364 days from its date of issuance, subject to earlier termination upon the occurrence of an event of default under the related reimbursement agreement or other corresponding agreement relating to such Alternate Liquidity Facility, (ii) the issuance of a subsequent Liquidity Facility, (iii) payment in full of the applicable Outstanding Bonds or (iv) a Conversion of the Interest Rate Period to (A) a Fixed Interest Rate, (B) a Long Term Interest Rate whereby the Long Term Interest Rate Period is effective to the Maturity Date of the Bonds, (C) a Long Term Interest Rate whereby the duration of the Long Term Interest Rate Period is longer than two years, or (D) an Auction Rate. Nothing contained herein shall prevent the City from delivering an Alternate Liquidity Facility in substitution for a Liquidity Facility which will result in a decline in any ratings assigned to such Bonds by Moody's, S&P, Fitch or such other Rating Agency as a result of obtaining the Alternate Liquidity Facility.

Section 7.03. Delivery of Letter of Credit, Alternate Letter of Credit, Liquidity Facility or Alternate Liquidity Facility. If at any time there shall be delivered to the Trustee:

(a) a Letter of Credit, an Alternate Letter of Credit, a Liquidity Facility or an Alternate Liquidity Facility, as the case may be, covering the Bonds which shall contain administrative provisions reasonably satisfactory to the Trustee;

(b) a Favorable Opinion of Bond Counsel;

(c) an opinion of counsel satisfactory to the Notice Parties, to the effect that such Letter of Credit, Alternate Letter of Credit, Liquidity Facility or Alternate Liquidity Facility, as the case may be, is a valid and enforceable obligation of the issuer or provider thereof;

(d) an opinion of Bond Counsel or other nationally recognized counsel acceptable to the City addressed to the Notice Parties, that no registration of the Bonds or such Letter of Credit, Alternate Letter of Credit, Liquidity Facility or Alternate Liquidity Facility, as the case may be, is required under the Securities Act and no qualification of this Indenture under the Trust Indenture Act of 1939, as amended, is required in connection with the delivery of such

Letter of Credit, Alternate Letter of Credit, Liquidity Facility or Alternate Liquidity Facility, as the case may be;

(e) Rating Confirmation or evidence of ratings from at least one of the Rating Agencies; and

(f) all information required to give the notice of mandatory tender for purchase of the Bonds required by Section 4.02(c) hereof;

then the Trustee shall accept such Letter of Credit, Alternate Letter of Credit, Liquidity Facility or Alternate Liquidity Facility, as the case may be, and, in the case of the delivery of an Alternate Letter of Credit or an Alternate Liquidity Facility, as the case may be, promptly thereafter surrender the Letter of Credit or the Liquidity Facility, as the case may be, then in effect to the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, for cancellation;

Section 7.04. Termination, Expiration or Replacement of the Letter of Credit or a Liquidity Facility. The City will give the Trustee, the Remarketing Agent, and the Rating Agencies written notification of any replacement, termination or expiration of the Letter of Credit or the Liquidity Facility, as the case may be, as soon as practicable after receiving knowledge thereof. The City shall provide the Trustee with written notice of any information required to enable the Trustee to give the foregoing notice and shall provide the Trustee with the form of such notice; provided, however, that in the event the City shall fail to provide such notice, the Trustee shall provide such notice. In the event a Liquidity Facility provides that its may be terminated without the right of prior tender of Bonds for purchase and such Liquidity Facility is so terminated, the Trustee shall promptly give notice of any such termination by Mail to the Owners of the Bonds then payable from such Liquidity Facility.

Section 7.05. Notice by Trustee to Reduce Letter of Credit or Liquidity Facility. In the event that the Bonds shall be redeemed in whole or in part, the Trustee, at the written direction of the City, shall give notice to the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be, in the manner required by the Letter of Credit or the Liquidity Facility, as the case may be, to reflect such reduction in the principal amount of the Bonds as a result of such redemption and no notice to the Owners of the Bonds of such reduction, nor any purchase thereof under Section 4.02(c) shall occur as a result thereof.

ARTICLE VIII

THE TRUSTEE; THE PAYING AGENT; THE REGISTRAR;

Section 8.01. Appointment of Trustee. The Trustee is hereby appointed and does hereby agree to act in such capacity, and to perform the duties of the Trustee under this Indenture, but only on and subject to the following express terms and conditions (and no implied covenants or other obligations are to be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties by or through attorneys, agents, receivers or employees and shall not be

held liable for their actions if such agents are selected with reasonable care. The Trustee is entitled to advice of counsel concerning all matters hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees. The Trustee may act on the opinion or advice of counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, if the same are selected by the City, approved by the Trustee in the exercise of reasonable care. The Trustee is not responsible for any loss or damage resulting from any action or non-action in good faith in reliance on such opinion or advice.

(b) The Trustee is not responsible for any recital herein or in the Bonds, other than the Certificate of Authentication endorsed on the Bonds, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance. The Trustee has no duty or responsibility to examine or review and has no liability for the contents of any documents submitted to or delivered to any Owner in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document.

(c) The Trustee is not accountable for the use of any Bonds authenticated or delivered hereunder after such Bonds have been delivered in accordance with instructions of the City or for the use or application of any moneys received by the Paying Agent. The Trustee and any of its affiliates may become the Owner of Bonds secured hereby with the same rights as any other Owner.

(d) The Trustee shall be protected in acting on opinions of counsel and on any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture on the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of any Bond is conclusive and binding on all future Owners of the same Bond and on Bonds issued in exchange therefor or in place thereof. The Trustee may conclusively rely on a certificate furnished by a Liquidity Facility Provider as to amounts owing under a Liquidity Facility.

(e) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as duties. The Trustee is only responsible for the performance of the duties expressly set forth herein and is not answerable for other than its gross negligence or bad faith in the performance of those express duties.

(f) The Trustee is not required to give any bond or surety in respect of the execution of the trust and powers or otherwise in respect of the premises.

(g) Before taking any action requested hereunder by the Owners (except for purchase of Bonds under the Letter of Credit or the Liquidity Facility as required by Sections 6.2 and 6.3 hereof, for mandatory tenders and redemptions and with respect to the payment of principal, interest, redemption premium, if any, and purchase price to Owners), the Trustee may require satisfactory security or indemnity bond for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its own gross negligence or bad faith by reason of any action so taken.

(h) Except for money held in the Remarketing Reimbursement Fund, moneys received by the Trustee, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Owners of the Bonds, the Letter of Credit Bank and the Liquidity Facility Provider as herein provided. Such moneys need not be segregated from other funds except to the extent required by law or herein provided, and the Trustee is not otherwise under any liability for interest on any moneys received hereunder except such as may be agreed on.

(i) The Trustee shall, before any default by the City hereunder and after the curing of all defaults which may have occurred, perform such duties and only such duties of the Trustee as are specifically set forth in this Indenture. The Trustee shall, during the existence of any default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs.

(j) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel Bonds as provided herein, keep such books and records relating to such duties as are consistent with prudent corporate trust industry practice and make such books and records available for inspection by the City at all reasonable times. All Bonds shall be made available for authentication, exchange and registration of transfer at the Corporate Trust Office of the Trustee.

(k) Any request or direction of the City mentioned herein shall be sufficiently evidenced by a certificate from an officer of the City. Whenever in the administration of this Indenture, the Trustee deems it desirable that a matter be proved or established before it takes, suffers or omits any action, the Trustee may rely upon such certificate.

(l) Except as otherwise expressly provided hereunder, the Trustee shall not be required to give or furnish any notice, demand, report, reply, statement advice or opinion to any Owner, the City or any other Person, and the Trustee shall not incur any liability for its failure or refusal to give or furnish the same unless obligated or required to do so by express provisions hereof.

(m) The Trustee shall not be liable with respect to any action taken or omitted to be taken at the direction of the Owners of a majority in aggregate principal amount of the Bonds Outstanding permitted to be given by them under this Indenture.

(n) The Trustee shall have no responsibility with respect to compliance by the City with Section 148 of the Code or any covenant in this Indenture regarding yields and investments.

(o) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in performance of its duties.

(p) The Trustee shall have no duty or obligation to record or file any mortgage, financing statement, continuation statement or similar document relating to this Indenture.

(q) The Trustee may appoint an agent or agents with powers to act on the Trustee's behalf and subject to the Trustee's direction in the authentication, registration, transfer, exchange or tender of Bonds and the payment of principal, premium, if any, and interest on the Bonds and the payment of the purchase price therefor upon tender. For all purposes of this Indenture, the authentication, registration, and delivery of Bonds by any such agent pursuant to this Section shall be deemed to be the authentication, registration and delivery of those Bonds by the Trustee. The Trustee may pay to any such agent from time to time reasonable compensation for its services, and the Trustee shall be entitled to be reimbursed for such payments as expenses of the Trustee pursuant to Section 8.02 hereof. All provisions protective of the Trustee in this Article VIII shall apply to any such agent.

Section 8.02. Compensation of Trustee. The City, from time to time, shall pay, and the Trustee is entitled to, reasonable compensation as agreed upon from time to time (which may not be limited by any provision of law in regard to the compensation of a trustee of an express trust). The City shall pay or reimburse the Trustee on request for all reasonable expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its counsel and of all agents and other Persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own negligence or bad faith. The Trustee may not be paid from, and has no lien or claim on, any amounts in the Remarketing Reimbursement Fund or the Debt Service Fund. The City covenants and agrees to indemnify and hold the Trustee and its directors, officers, agents and employees (collectively, the "Indemnitees") harmless from and against any and all liabilities, losses, damages, fines, suits, actions, demands, penalties, costs and expenses, including out-of-pocket, incidental expenses, legal fees and expenses, and allocated costs and expenses of in-house counsel and legal staff and the costs and expenses of defending or preparing to defend against any claim ("Losses") that may be imposed on, incurred by, or asserted against the Indemnitees or any of them for following any instruction or other direction upon which the Trustee is authorized to rely pursuant to the terms of this Indenture. In addition to and not in limitation of the immediately preceding sentence, the City also covenants and agrees to indemnify and hold the Indemnitees and each of them harmless from and against any and all Losses that may be imposed upon, incurred by, or asserted against the Indemnities or any of them in connection with or arising out of the Trustee's performance under this Indenture provided that the Trustee has not acted with negligence or engaged in willful misconduct. The provisions of this Section 8.02 shall survive termination of this Indenture, the defeasance of the Bonds, and the resignation or removal of the Trustee for any reason.

Section 8.03. Resignation; Successor Trustees. The Trustee and any successor Trustee may resign only on giving sixty (60) days' prior written notice to the City, the Liquidity Provider, if any, the Remarketing Agent, if any, and each Owner of Bonds then Outstanding as shown on the books of registry. Such resignation takes effect only on the appointment of a successor Trustee by the City and the acceptance of such appointment by the successor Trustee. If no successor is appointed within sixty (60) days after the notice of resignation, the resigning Trustee may appoint a successor or at the City's expense petition any court of competent jurisdiction to appoint a successor. On appointment of a successor Trustee, the resigning Trustee shall assign, without any expense to the Trustee, all of its right, title and interest in this Indenture and the security for the Bonds (including any Letter of Credit and any Liquidity Facility then in

effect) to the successor Trustee. The successor Trustee must be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States of America, or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$100,000,000. Any successor Trustee shall accept in writing its duties and responsibilities hereunder and such writing shall be filed with the City and the Liquidity Provider, if any.

Section 8.04. Removal of Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee, the Liquidity Provider, if any, the Remarketing Agent, if any, and the City and signed by the Owners of a majority in aggregate principal amount of Bonds then Outstanding. During such time that no default has occurred and is continuing under this Indenture and no event has occurred which with the passage of time or giving of notice or both could result in such a default, the Trustee may also be removed by an instrument in writing delivered to the Trustee and the Liquidity Provider, if any, by the City. Such removal shall take effect only on the appointment of a successor Trustee by the City and the acceptance of such appointment by the successor Trustee. On such removal, the Trustee shall assign, without any expense to the Trustee, to the successor Trustee all of its right, title and interest in this Indenture and the security for the Bonds (including any Letter of Credit and Liquidity Facility then in effect) in the same manner as provided in Section 8.03. If the Bonds are rated by a Rating Agency, notice concerning any change in the Trustee shall be furnished by the City to such Rating Agency.

Section 8.05. Instruments of Owners. (a) Any instrument required by this Indenture to be executed by Owners may be in any number of writings of similar tenor and may be executed by Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds given in any of the following forms is sufficient for any of the purposes of this Indenture:

(i) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof;

(ii) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bonds therein mentioned.

(b) The Trustee may rely on such an instrument of Owners unless and until the Trustee receives notice in the form specified in subsection (a)(i) or (ii) above that the original such instrument is no longer reliable. If the Trustee receives conflicting directions from two or more groups of Owners, each with combined holdings of not less than 25% of the principal amount of Outstanding Bonds, the directions given by the group of Owners which holds the largest percentage of Bonds are controlling and the Trustee shall follow such directions to the extent required herein.

Section 8.06. Several Capacities. Anything in this Indenture to the contrary notwithstanding, the same entity may serve hereunder as the Trustee, the Letter of Credit Bank,

the Liquidity Provider, the Paying Agent, the Registrar and the Remarketing Agent and in any other combination of such capacities, to the extent permitted by law.

Section 8.07. Trustee Not Responsible for Duties of Remarketing Agent and Paying Agent. Notwithstanding anything to the contrary in this Indenture, the Trustee is not liable or responsible for any of the duties or obligations of the Remarketing Agent under this Indenture (or liable or responsible for the acts or omissions of or the Remarketing Agent or any action taken by the Trustee or failure to act in reasonable reliance on any action or failure to act by the Remarketing Agent). The Trustee is not bound to ascertain or inquire as to the truth or accuracy of any information provided to it by the Paying Agent or the Remarketing Agent but may for any purpose conclusively rely on any information given to the Trustee by the Remarketing Agent.

ARTICLE IX

DEFAULT PROVISIONS; REMEDIES OF TRUSTEE AND BONDHOLDERS

Section 9.01. Defaults and Remedies. Upon the occurrence of:

- (a) default in the payment of any interest on any Bond when due and payable;
- or
- (b) default in the payment of the principal of any Bond when due and payable.

the Trustee may, and if requested in writing by the registered owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding shall seek to obtain a writ of mandamus from a court of competent jurisdiction requiring the City to assess, levy and collect a tax upon all taxable property within the City, over and above all other taxes, authorized or limited by law and without limitation as to rate or amount, sufficient to pay when due the principal of and interest on the Bonds.

Section 9.02. Other Remedies; Rights of Bondholders. Upon the occurrence of a failure of the City to observe any of its other covenants, conditions or agreements under this Indenture for a period of thirty (30) days after receipt of written notice (unless the Trustee shall agree in writing to an extension of such time prior to its expiration), specifying such failure and requesting that it be remedied, given by the Trustee to the City, or in the case of any such default which cannot with due diligence be cured within such thirty (30) day period, failure of the City to proceed promptly to cure the same and thereafter prosecute the curing of such default with due diligence, the Trustee may proceed to protect and enforce its rights and the rights of the Bondholders by mandamus or other action, suit or proceeding at law or in equity for specific performance of any agreement herein contained.

Upon the occurrence of a default, if requested to do so by the holders of twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding and the provision of indemnity satisfactory to the Trustee, the Trustee shall exercise such one or more of the rights and remedies conferred by this Article IX as the Trustee, upon being advised by counsel, shall deem most expedient in the interests of the Bondholders.

Section 9.03. Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the Holders of a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or any other proceedings hereunder; *provided, however*, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 9.04. Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto and any such suit or proceeding instituted by the Trustee may be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall be for the equal benefit of the holders of the Outstanding Bonds.

Section 9.05. Unconditional Right to Receive Principal, Premium and Interest. Nothing in this Indenture shall affect or impair the right of any Bondholder to enforce, by action at law, payment of the principal of, premium, if any, or interest on any Bond at and after the maturity thereof, or on the date fixed for redemption or on the same being declared due prior to maturity as herein provided, or the obligation of the City to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner herein and in the Bonds expressed.

Section 9.06. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee, then and in every such case the City and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 9.07. Waivers of Events of Default. The Trustee, in its discretion, may waive any default hereunder and its consequences and shall do so at the written request of the Holders of a majority in aggregate principal amount of Bonds then Outstanding; provided, however, that there shall not be waived without the consent of the Holders of all Bonds then Outstanding (A) any default in the payment of the principal of any Outstanding Bonds (whether at maturity or otherwise), or (B) any default in the payment when due of the interest on any such Bonds unless, prior to such waiver or rescission,

(i) there shall have been paid or provided for all arrears of interest in respect of which such default shall have occurred, all arrears of principal and premium, if any, and all expenses of the Trustee in connection with such default, and

(ii) in case of any such waiver or in the case of any discontinuance, abandonment or adverse determination of any proceeding taken by the Trustee on account of any

such default, the City the Trustee and the Bondholders shall be restored to their former positions and rights hereunder respectively.

No such waiver or rescission shall extend to any subsequent or other default or impair any right consequent thereon.

ARTICLE X

Whenever in this Indenture the giving of notice by Mail, publication, or otherwise is required, the giving of such notice may be waived by the Person entitled to receive such notice, and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 10.04. Partial Invalidity. If any one or more of the covenants or agreements or portions thereof provided in this Indenture on the part of the City or the Trustee to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant or covenants, or such agreement or agreements, or such portions thereof, shall be deemed severable from the remaining covenants and agreements or portions thereof provided in this Indenture and the invalidity thereof shall in no way affect the validity of the other provisions of this Indenture or of the Bonds, but the Owners shall retain all the rights and benefits accorded to them hereunder and under any applicable provisions of law.

If any provisions of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatsoever.

Each such amendment shall become effective with respect to the Bonds on the change in an Adjustable Interest Rate next following the filing of a copy thereof with the Trustee, the Remarketing Agent, the Letter of Credit Bank and the Liquidity Facility Provider, together with a Favorable Opinion of Bond Counsel. No such amendment which is reasonably believed by the Trustee, the Remarketing Agent, the Letter of Credit Bank or the Liquidity Facility Provider to adversely affect its rights, immunities and duties hereunder shall be effective without the written consent thereto of the Trustee, the Remarketing Agent, the Letter of Credit Bank or the Liquidity Facility Provider, as the case may be. Without limitation of the foregoing, (x) any provision of this Indenture expressly recognizing or granting rights in or to the Letter of Credit Bank may not be amended in any manner which affects the rights of the Letter of Credit Bank hereunder without the prior written consent of the Letter of Credit Bank and (y) any provision of this Indenture expressly recognizing or granting rights in or to the Liquidity Facility Provider may not be amended in any manner which affects the rights of the Liquidity Facility Provider hereunder without the prior written consent of the Liquidity Facility Provider.

Section 1.01. Definitions. In addition to the words and terms elsewhere defined in the Resolution and the Indenture, the following words and terms as used in this Exhibit B and elsewhere in the Resolution and the Indenture have the following meanings with respect to Bonds in an Auction Rate Period unless the context or use indicates another or different meaning or intent:

“*Agent Member*” means a member of, or participant in, the Securities Depository who will act on behalf of a Bidder.

“*All Hold Rate*” means, as of any Auction Date, 45% of the Index in effect on such Auction Date.

“*Auction*” means each periodic implementation of the Auction Procedures.

“*Auction Agent*” means any auctioneer appointed in accordance with Section 3.01 and 3.02 of this Exhibit B and shall initially be _____ for all of the Bonds.

“*Auction Agreement*” means an agreement between the Auction Agent and the City pursuant to which the Auction Agent agrees to follow the procedures specified in this Exhibit B, with respect to the Bonds while bearing interest at an Auction Rate, as such agreement may from time to time be amended or supplemented.

“*Auction Date*” means, with respect to any Bonds, during any period in which the Auction Procedures are not suspended in accordance with the provisions hereof, (a) if the Bonds of such Tranche are in a daily Auction Rate Period, each Business Day; (b) if the Bonds of such Tranche are in a Flexible Auction Rate Period, the last Business Day of the Flexible Auction Rate Period; and (c) if the Bonds of such Tranche are in any other Auction Rate Period, the Business Day immediately preceding each Auction Rate Interest Payment Date for such Bonds (whether or not an Auction will be conducted on such date); provided, however, that the last Auction Date with respect to the Bonds of such Tranche in an Auction Rate Period other than a daily Auction Rate Period or a Flexible Auction Rate Period will be the earlier of (i) the Business Day immediately preceding the Auction Rate Interest Payment Date immediately preceding the effective date of a change in the Interest Rate Period from an Auction Rate Period to a different Interest Rate Period for such Bonds and (ii) the Business Day immediately preceding the Auction Rate Interest Payment Date immediately preceding the Maturity Date for such Bonds; and provided further, however, that if such Bonds of such Tranche are in a daily Auction Rate Period, the last Auction Date will be the earlier of (A) the Business Day immediately preceding the effective date of a change in the Interest Rate Period applicable to such Bonds from an Auction Rate Period to a different Interest Rate Period; and (B) the Business Day immediately

preceding the Maturity Date for such Bonds; and provided further, however, that the last Business Day of a Flexible Auction Rate Period shall be the Auction Date for the Auction Rate Period which begins on the next succeeding Business Day, if any. On the Business Day preceding the conversion from a daily Auction Rate Period to another Auction Rate Period, there will be two Auctions, one for the last daily Auction Rate Period and one for the first Auction Rate Period following the conversion.

“Auction Multiple” means, as of any Auction Date, the Percentage of Index (in effect on such Auction Date) determined as set forth below, based on the Prevailing Rating of the Bonds in effect at the close of business on the Business Day immediately preceding such Auction Date:

Prevailing Rating	Percentage of Index
“AAA”/“Aaa”	175%

“A”/“A”	250

The Auction Rate shall be determined in accordance with Section 2.03 of this Exhibit B and if Sufficient Clearing Bids exist, the Auction Rate shall be the Winning Bid Rate; provided, however, if all of the Bonds of such Tranche are the subject of Submitted Hold Orders, the Auction Rate shall be the All Hold Rate with regard to such Bonds, and if Sufficient Clearing Bids do not exist, the Auction Rate shall be the Maximum Auction Rate with regard to such Bonds.

(B) the principal amount of Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Rate Period if the rate determined by the Auction Procedures for such Auction Rate Period will not be less than the rate per annum then specified by such Existing Owner (and which such Existing Owner irrevocably offers to sell on the next succeeding Auction Rate Interest Payment Date (or the same day in the case of a daily Auction Rate Period) if the rate determined by the Auction Procedures for the next succeeding Auction Rate Period will be less than the rate per annum then specified by such Existing Owner); and/or

(C) the principal amount of Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably offers to sell on the next succeeding Auction Rate Interest Payment Date (or on the same day in the case of a daily Auction Rate Period) without regard to the rate determined by the Auction Procedures for the next succeeding Auction Rate Period; and

(ii) for the purpose of implementing the Auctions and thereby to achieve the lowest possible interest rate on the Bonds, the Broker-Dealers will contact Potential Owners, including Persons that are Existing Owners, to determine the principal amount of Bonds, if any, which each such Potential Owner irrevocably offers to purchase if the rate determined by the Auction Procedures for the next succeeding Auction Rate Period is not less than the rate per annum then specified by such Potential Owner.

(iii) for the purposes hereof an Order containing the information referred to in clause (i)(A) above is herein referred to as a "Hold Order", an Order containing the information referred to in clause (i)(B) or (ii) above is herein referred to as a "Bid," and an Order containing the information referred to in clause (i)(C) above is herein referred to as a "Sell Order."

(b) (i) A Bid by an Existing Owner will constitute an irrevocable offer to sell:

(A) the principal amount of Bonds specified in such Bid if the rate determined by the Auction Procedures on such Auction Date will be less than the rate specified therein;

(B) such principal amount or a lesser principal amount of Bonds to be determined as described in Section 2.04(a)(v) of this Exhibit B if the rate determined by the Auction Procedures on such Auction Date will be equal to such specified rate; or

(C) a lesser principal amount of Bonds to be determined as described in Section 2.04(b)(iv) of this Exhibit B if such specified rate will

be higher than the Maximum Auction Rate, and Sufficient Clearing Bids do not exist.

(ii) A Sell Order by an Existing Owner will constitute an irrevocable offer to sell:

(A) the principal amount of Bonds specified in such Sell Order;
or

(B) such principal amount or a lesser principal amount of Bonds as described in Section 2.04(b)(iv) of this Exhibit B if Sufficient Clearing Bids do not exist.

(iii) A Bid by a Potential Owner will constitute an irrevocable offer to purchase:

(A) the principal amount of Bonds specified in such Bid if the rate determined by the Auction Procedures on such Auction Date will be higher than the rate specified therein; or

(B) such principal amount or a lesser principal amount of Bonds as described in Section 2.04(a)(vi) of this Exhibit B if the rate determined by the Auction Procedures on such Auction Date will be equal to such specified rate.

(c) Anything herein to the contrary notwithstanding:

(i) for purposes of any Auction, any Order which specifies Bonds to be held purchased or sold in a principal amount which is not \$25,000 or an integral multiple thereof will be rounded down to the nearest \$25,000, and the Auction Agent will conduct the Auction Procedures as if such Order had been submitted in such lower amount;

(ii) for purposes of any Auction other than during a daily Auction Rate Period, any portion of an Order of an Existing Owner which relates to a Bond which has been called for redemption on or prior to the Auction Rate Interest Payment Date next succeeding such Auction will be invalid with respect to such portion and the Auction Agent will conduct the Auction Procedures as if such portion of such Order had not been submitted;

(iii) for purposes of any Auction other than during a daily Auction Rate Period, no portion of a Bond which has been called for redemption on or prior to the Auction Rate Interest Payment Date next succeeding such Auction will be included in the calculation of Available Bonds for such Auction; and

(iv) the Auction Procedures will be suspended during the period commencing on the date of the Auction Agent's receipt of notice from the City of the occurrence of a default resulting from a failure to pay principal, premium or

interest on any Bond when due (provided, however, that for purposes of this provision only, payment by a Liquidity Facility Provider will be deemed to cure such Event of Default and no suspension of the Auction Procedures will occur) but will resume two Business Days after the date on which the Auction Agent receives notice from the City that such Event of Default has been waived or cured, with the next Auction to occur on the next regularly scheduled Auction Date occurring thereafter.

Section 2.02. Submission of Orders by Broker-Dealers to Auction Agent.

(a) Each Broker-Dealer will submit to the Auction Agent in writing or by such other method as will be reasonably acceptable to the Auction Agent, including such electronic communication acceptable to the parties, prior to the Submission Deadline on each Auction Date, all Orders obtained by such Broker-Dealer and specifying, if requested, with respect to each Order:

(i) the name of the Bidder placing such Order;

(ii) the aggregate principal amount of Bonds, if any, that are the subject of such Order;

(iii) to the extent that such Bidder is an Existing Owner:

(A) the principal amount of Bonds, if any, subject to any Hold Order placed by such Existing Owner;

(B) the principal amount of Bonds, if any, subject to any Bid placed by such Existing Owner and the rate specified in such Bid; and

(C) the principal amount of Bonds, if any, subject to any Sell Order placed by such Existing Owner; and

(iv) to the extent such Bidder is a Potential Owner, the rate specified in such Bid.

(b) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent will round such rate up to the next highest 0.001%.

(c) If an Order or Orders covering all of the Bonds of a particular Tranche held by an Existing Owner is or are not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent will deem a Hold Order to have been submitted on behalf of such Existing Owner covering the principal amount of Bonds of such Tranche held by such Existing Owner and not subject to Orders submitted to the Auction Agent; provided, however, that if there is a conversion from one Auction Rate Period to another Auction Rate Period and Orders have not been submitted to the Auction Agent prior to the Submission Deadline covering the aggregate principal amount of Bonds of such Tranche to be converted held by such Existing Owner, the Auction Agent will deem

a Sell Order to have been submitted on behalf of such Existing Owner covering the principal amount of Bonds of such Tranche to be converted held by such Existing Owner not subject to Orders submitted to the Auction Agent.

(d) If one or more Orders covering in the aggregate more than the principal amount of Outstanding Bonds held by any Existing Owner are submitted to the Auction Agent, such Orders will be considered valid as follows:

(i) all Hold Orders will be considered Hold Orders, but only up to and including in the aggregate the principal amount of Bonds of a particular Tranche held by such Existing Owner;

(ii) (A) any Bid of an Existing Owner will be considered valid as a Bid of an Existing Owner up to and including the excess of the principal amount of Bonds of such Tranche held by such Existing Owner over the principal amount of the Bonds of such Tranche subject to Hold Orders referred to in clause (i) above;

(B) subject to clause (A) above, all Bids of an Existing Owner with the same rate will be aggregated and considered a single Bid of an Existing Owner up to and including the excess of the principal amount of Bonds of such Tranche held by such Existing Owner over the principal amount of Bonds of such Tranche held by such Existing Owner subject to Hold Orders referred to in clause (i) above;

(C) subject to clause (A) above, if more than one Bid with different rates is submitted on behalf of such Existing Owner, such Bids will be considered Bids of an Existing Owner in the ascending order of their respective rates up to the amount of the excess of the principal amount of Bonds of such Tranche held by such Existing Owner over the principal amount of Bonds of such Tranche held by such Existing Owner subject to Hold Orders referred to in clause (i) above; and

(D) the principal amount, if any, of such Bonds of such Tranche subject to Bids not considered to be Bids of an Existing Owner under this paragraph (ii) will be treated as the subject of a Bid by a Potential Owner; and

(iii) all Sell Orders will be considered Sell Orders, but only up to and including a principal amount of Bonds equal to the excess of the principal amount of Bonds of such Tranche held by such Existing Owner over the sum of the principal amount of the Bonds of such Tranche considered to be subject to Hold Orders pursuant to paragraph (i) above and the principal amount of Bonds of such Tranche considered to be subject to Bids of such Existing Owner pursuant to clause (ii) above.

(e) If more than one Bid is submitted on behalf of any Potential Owner, each Bid submitted with the same rate will be aggregated and considered a single Bid and each

Bid submitted with a different rate will be considered a separate Bid with the rate and the principal amount of Bonds of such Tranche specified therein.

(f) None of the City, the Trustee or the Auction Agent shall be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder, nor shall any of the City, the Trustee or the Auction Agent be responsible for failure by any Securities Depository to effect any transfer or to provide the Auction Agent with current information regarding registration of transfers. None of the City, the Trustee or the Auction Agent shall have any liability in the event that there are not Sufficient Clearing Bids from time to time pursuant to the Auction Procedures.

Section 2.03. Determination of Auction Rate.

(a) Not later than 9:30 a.m., New York City time, on each Auction Date for the Bonds, the Auction Agent will advise the Broker-Dealers and the Trustee by telephone or other electronic communication acceptable to them of the All Hold Rate, the Maximum Auction Rate and the Index for the Bonds of such Tranche.

(b) Promptly after the Submission Deadline on each Auction Date for the Bonds, the Auction Agent will assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a Submitted Hold Order” a “Submitted Bid” or a “Submitted Sell Order” as the case may be, and collectively as a “Submitted Order”) and will determine (i) the Available Bonds, (ii) whether there are Sufficient Clearing Bids, and (iii) the Auction Rate.

(c) Promptly after the Auction Agent has made the determinations pursuant to paragraph (b) above the Auction Agent will advise the City and the Trustee by telephone (promptly confirmed in writing), telex or facsimile or other electronic communication acceptable to the parties of the Auction Rate for the next succeeding Auction Rate Period and the Auction Agent will promptly notify DTC of such Auction Rate.

(d) In the event the Auction Agent fails to calculate or, for any reason, fails to timely provide the Auction Rate for any Auction Rate Period, (i) if the preceding Auction Rate Period was a period of 35 days or less, the new Auction Rate Period shall be the same as the preceding Auction Rate Period and the Auction Rate for the new Auction Rate Period shall be the same as the Auction Rate for the preceding Auction Rate Period; and (ii) if the preceding Auction Rate Period was a period of greater than 35 days, the preceding Auction Rate Period shall be extended to the seventh day following the day that would have been the last day of such Auction Rate Period had it not been extended (or if such seventh day is not followed by a Business Day then to the next succeeding day which is followed by a Business Day) and the Auction Rate in effect for the preceding Auction Rate Period will continue in effect for the Auction Rate Period as so extended. In the event an Auction Rate Period is extended as set forth in clause (ii) of the preceding sentence, an Auction shall be held on the last Business Day of the Auction Rate Period as so extended to take effect for an Auction Rate Period beginning on the Business Day

immediately following the last day of the Auction Rate Period as extended which Auction Rate Period will end on the date it would otherwise have ended on had the prior Auction Rate Period not been extended.

(e) In the event that the Auction Procedures are suspended pursuant to Section 2.01(c)(iv) of this Exhibit B due to the failure to pay principal of or premium or interest on any Bond of such Tranche, the Auction Rate for the next succeeding Auction Rate Period will be the Default Rate.

(f) In the event of a failed Conversion with respect to the Bonds to a Daily Interest Rate, a Weekly Interest Rate, a Bond Interest Term Rate, a Long Term Interest Rate or a Fixed Interest Rate, or in the event of a failure to change the length of the current Auction Rate Period due to the lack of Sufficient Clearing Bids at the Auction on the Auction Date for the first new Auction Rate Period, the Auction Rate for the next Auction Rate Period will be the Maximum Auction Rate and the Auction Rate Period will be a seven-day Auction Rate Period.

(g) If the Bonds are not rated or if the Bonds are no longer registered in the name of the Securities Depository, then the Auction Rate will be the Maximum Auction Rate.

(h) In the event that the Auction Rate as determined in accordance with Section 2.03 of this Exhibit B exceeds the Maximum Interest Rate, the City will use its best efforts to convert the Interest Rate Period applicable to the Bonds to a Fixed Interest Rate.

Section 2.04. Allocation of Bonds.

(a) In the event of Sufficient Clearing Bids the Bonds, subject to the further provisions of paragraphs (c) and (d) below, Submitted Orders for the Bonds of such Tranche will be accepted or rejected as follows in the following order of priority:

(i) the Submitted Hold Order of each Existing Owner will be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Hold Order;

(ii) the Submitted Sell Order of each Existing Owner will be accepted and the Submitted Bid of each Existing Owner specifying any rate that is higher than the Winning Bid Rate will be rejected, thus requiring each such Existing Owner to sell the Bonds that are the subject of such Submitted Sell Order or Submitted Bid;

(iii) the Submitted Bid of each Existing Owner specifying any rate that is lower than the Winning Bid Rate will be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Bid;

(iv) the Submitted Bid of each Potential Owner specifying any rate that is lower than the Winning Bid Rate will be accepted, thus requiring each such Potential Owner to purchase the Bonds that are the subject of such Submitted Bid;

(v) the Submitted Bid of each Existing Owner specifying a rate that is equal to the Winning Bid Rate will be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Bid, but only up to and including the principal amount of Bonds obtained by multiplying (A) the aggregate principal amount of Outstanding Bonds which are not the subject of Submitted Hold Orders described in clause (i) above or of Submitted Bids described in clause (iii) or (iv) above; by (B) a fraction the numerator of which will be the principal amount of Outstanding Bonds held by such Existing Owner subject to such Submitted Bid and the denominator of which will be the aggregate principal amount of Outstanding Bonds subject to such Submitted Bids made by all such Existing Owners that specified a rate equal to the Winning Bid Rate, and the remainder, if any, of such Submitted Bid will be rejected, thus requiring each such Existing Owner to sell any excess amount of Bonds;

(vi) the Submitted Bid of each Potential Owner specifying a rate that is equal to the Winning Bid Rate will be accepted, thus requiring each such Potential Owner to purchase the Bonds that are the subject of such Submitted Bid, but only in an amount equal to the principal amount of Bonds obtained by multiplying (A) the aggregate principal amount of Outstanding Bonds which are not the subject of Submitted Hold Orders described in clause (i) above or of Submitted Bids described in clause (iii), (iv) or (v) above; by (B) a fraction the numerator of which will be the principal amount of Outstanding Bonds subject to such Submitted Bid and the denominator of which will be the sum of the aggregate principal amount of Outstanding Bonds subject to such Submitted Bids made by all such Potential Owners that specified a rate equal to the Winning Bid Rate, and the remainder of such Submitted Bid will be rejected; and

(vii) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Winning Bid Rate will be rejected.

(b) In the event there are not Sufficient Clearing Bids the Bonds, subject to the further provisions of paragraphs (c) and (d) below, Submitted Orders for the Bonds will be accepted or rejected as follows in the following order of priority:

(i) the Submitted Hold Order of each Existing Owner will be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Hold Order;

(ii) the Submitted Bid of each Existing Owner specifying any rate that is not higher than the Maximum Auction Rate will be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Bid;

(iii) the Submitted Bid of each Potential Owner specifying any rate that is not higher than the Maximum Auction Rate will be accepted, thus requiring each such Potential Owner to purchase the Bonds that are the subject of such Submitted Bid;

(iv) the Submitted Sell Orders of each Existing Owner will be accepted as Submitted Sell Orders and the Submitted Bids of each Existing Owner specifying any rate that is higher than the Maximum Auction Rate with respect to the Bonds will be deemed to be and will be accepted as Submitted Sell Orders, in both cases only up to and including the principal amount of Bonds obtained by multiplying (A) the aggregate principal amount of Bonds subject to Submitted Bids described in clause (iii) above; by (B) a fraction the numerator of which will be the principal amount of Outstanding Bonds held by such Existing Owner subject to such Submitted Sell Order, or such Submitted Bid deemed to be a Submitted Sell Order, and the denominator of which will be the principal amount of Outstanding Bonds subject to all such Submitted Sell Orders and such Submitted Bids deemed to be Submitted Sell Orders, and the remainder of each such Submitted Sell Order or Submitted Bid will be deemed to be and will be accepted as a Hold Order and each such Existing Owner will be required to continue to hold such excess amount of Bonds; and

(v) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Maximum Auction Rate with respect to the Bonds will be rejected.

(c) If, as a result of the procedures described in paragraph (a) or (b) above, any Existing Owner or Potential Owner would be required to purchase or sell an aggregate principal amount of Bonds which is not an Authorized Denomination for Bonds on any Auction Date, the Auction Agent will by lot, in such manner as it will determine in its sole discretion, round up or down the principal amount of Bonds to be purchased or sold by any Existing Owner or Potential Owner on such Auction Date so that the aggregate principal amount of Bonds purchased or sold by each Existing Owner or Potential Owner on such Auction Date will be in an Authorized Denomination, even if such allocation results in one or more of such Existing Owners or Potential Owners not purchasing or selling any Bonds on such Auction Date.

(d) If, as a result of the procedures described in paragraph (a) above, any Potential Owner would be required to purchase Bonds in a principal amount that is less than an Authorized Denomination on any Auction Date, the Auction Agent will by lot, in such manner as it will determine in its sole discretion, allocate Bonds for purchase among Potential Owners so that the principal amount of Bonds purchased on such Auction Date by any Potential Owner will be an Authorized Denomination, even if such allocation results in one or more of such Potential Owners not purchasing Bonds on such Auction Date.

Section 2.05. Notice of Auction Rate.

(a) Not later than 3:00 p.m. on each Auction Date, the Auction Agent will notify by telephone or other telecommunication device or other electronic communication acceptable to the parties or in writing each Broker-Dealer that participated in the Auction held on such Auction Date of the following with respect to the Bonds for which an Auction was held on such Auction Date:

(i) the Auction Rate determined on such Auction Date for the succeeding Auction Rate Period;

(ii) whether Sufficient Clearing Bids existed for the determination of the Winning Bid Rate;

(iii) if such Broker-Dealer submitted a Bid or a Sell Order on behalf of an Existing Owner, whether such Bid or Sell Order was accepted or rejected and the principal amount of Bonds, if any, to be sold by such Existing Owner;

(iv) if such Broker-Dealer submitted a Bid on behalf of a Potential Owner, whether such Bid was accepted or rejected and the principal amount of Bonds, if any, to be purchased by such Potential Owner;

(v) if the aggregate principal amount of the Bonds to be sold by all Existing Owners on whose behalf such Broker-Dealer submitted Bids or Sell Orders is different from the aggregate principal amount of Bonds to be purchased by all Potential Owners on whose behalf such Broker-Dealer submitted a Bid, the name or names of one or more Broker-Dealers (and the Agent Member, if any, of each such other Broker-Dealer) and the principal amount of Bonds to be (A) purchased from one or more Existing Owners on whose behalf such other Broker-Dealers submitted Bids or Sell Orders, or (B) sold to one or more Potential Owners on whose behalf such Broker-Dealer submitted Bids; and

(vi) the immediately succeeding Auction Date.

(b) On each Auction Date with respect to the Bonds for which an Auction was held on such Auction Date, each Broker-Dealer that submitted an Order on behalf of any Existing Owner or Potential Owner will: (i) advise each Existing Owner and Potential Owner on whose behalf such Broker-Dealer submitted an Order as to (A) the Auction Rate determined on such Auction Date, (B) whether any Bid or Sell Order submitted on behalf of each such Owner was accepted or rejected, and (C) the immediately succeeding Auction Date; (ii) instruct each Potential Owner on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, to instruct such Existing Owner's Agent Member to pay to such Broker-Dealer (or its Agent Member) through the Securities Depository the amount necessary to purchase the principal amount of Bonds to be purchased pursuant to such Bid (including, with respect to the Bonds in a daily Auction Rate Period, accrued interest if the purchase date is not an Auction Rate Interest Payment Date for such Bond) against receipt of such Bonds; and (iii) instruct each Existing Owner on whose behalf such Broker-Dealer submitted a Sell Order that was

accepted or a Bid that was rejected in whole or in part, to instruct such Existing Owner's Agent Member to deliver to such Broker-Dealer (or its Agent Member) through the Securities Depository the principal amount of Bonds to be sold pursuant to such Bid or Sell Order against payment therefor.

Section 2.06. Index.

(a) The Index on any Auction Date with respect to Bonds in any Auction Rate Period of less than 180 days shall be the greater of LIBOR or the Thirty-Day "AA" Financial Composite Commercial Paper Rate on such date. The Index with respect to Bonds in any Auction Rate Period of 180 days or more but less than 365 days shall be the greater of LIBOR or the rate on United States Treasury Securities having a maturity which most closely approximates the length of the Auction Rate Period, as last published in The Wall Street Journal. The Index with respect to Bonds in any Auction Rate Period of 365 days or more shall be the rate on United States Treasury Securities having a maturity which most closely approximates the length of the Auction Rate Period, as last published in The Wall Street Journal. If LIBOR, the Thirty-Day "AA" Financial Composite Commercial Paper Rate or the rate on United States Treasury Securities last published in The Wall Street Journal is unavailable, the Index will be an index or rate agreed to by all Broker-Dealers and consented to by the City.

"Thirty-Day 'AA' Financial Composite Commercial Paper Rate" on any date of determination, means the interest equivalent of the Thirty-Day rate on commercial paper placed on behalf of issuers whose corporate bonds are rated "AA" by S&P, or the equivalent of such rating by S&P, as made available on a discount basis or otherwise by (i) the Federal Reserve Board or the Business Day immediately preceding such date of determination, or (ii) if the Federal Reserve Board does not make available any such rate, then the arithmetic average of such rates, as quoted on a discount basis or otherwise, by _____, commercial paper dealers designated by the City (the "Commercial Paper Dealers"), to the Auction Agent before the close of business on the Business Day immediately preceding such date of determination.

For purposes of the definitions of Thirty-Day "AA" Financial Composite Commercial Paper Rate, the "interest equivalent" means the equivalent yield on a 360-day basis of a discount-basis security to an interest-bearing security. If any Commercial Paper Dealer does not quote a commercial paper rate required to determine the Thirty-Day "AA" Financial Composite Commercial Paper Rate, the Thirty-Day "AA" Financial Composite Commercial Paper Rate will be determined on the basis of the quotation or quotations furnished by the remaining Commercial Paper Dealer or Commercial Paper Dealers and any substitute commercial paper dealer not included within the definition of Commercial Paper Dealer above, which may be such commercial paper dealers (a "Substitute Commercial Paper Dealer") selected by the City to provide such commercial paper rate or rates not being supplied by any Commercial Paper Dealer or Commercial Paper Dealers, as the case may be, or if the City does not select any such Substitute Commercial Paper Dealer or Substitute Commercial Paper Dealers, by the remaining Commercial Paper Dealer or Commercial Paper Dealers.

“LIBOR” on any date of determination for any Auction Rate Period, means (i) for any Auction Rate Period of fewer than 49 days, the offered rate for deposits in U.S. dollars for a one-month period which appears on the Telerate Page 3750 at approximately 11:00 a.m., London time, on such date, or if such date is not a date on which dealings in U.S. dollars are transacted in the London interbank market, then on the next preceding day on which such dealings were transacted in such market (the “calculation date”); and (ii) for any Auction Rate Period of (A) 49 or more but fewer than 70 days, such rates for deposits in U.S. dollars for a two-month period; (B) 70 or more but fewer than 85 days, the arithmetic average of such rates for deposits in U.S. dollars for two and three-month periods; (C) 85 or more but fewer than 120 days, such rate for deposits in U.S. dollars for a three-month period; (D) 120 or more but fewer than 148 days, the arithmetic average of such rates for deposits in U.S. dollars for three- and six-month periods; (E) 148 or more but fewer than 180 days, such rate for deposits in U.S. dollars for a six-month period; (F) 180 or more but fewer than 225 days, the arithmetic average of such rates for deposits in U.S. dollars for six- and nine-month periods; (G) 225 or more but fewer than 290 days, such rate for deposits in U.S. dollars for a nine-month period; (H) 290 or more but fewer than 325 days, the arithmetic average of such rates for deposits in U.S. dollars for nine-month and one-year periods; and (I) 325 or more but fewer than 365 days, such rate for deposits in U.S. dollars for a one-year period.

(b) If for any reason on any Auction Date the Index will not be determined as hereinabove provided in this Section, the Index will be the Index for the Auction Rate Period ending on such Auction Date.

(c) The determination of the Index as provided herein will be conclusive and binding upon the City, the Broker-Dealers, the Auction Agent and the Owners of the Bonds.

Section 2.07. Miscellaneous Provisions Regarding Auctions.

(a) In this Exhibit B, each reference to the purchase, sale or holding of Bonds will refer to beneficial interests in Bonds, unless the context clearly requires otherwise.

(b) During an Auction Rate Period, the provisions of the Indenture, including, without limitation, the definitions contained therein and described in this Exhibit B, including, without limitation, the definitions of Auction Multiple, Auction Rate, Default Rate, Index, Maximum Auction Rate, Maximum Interest Rate, and All Hold Rate, may be amended pursuant to the Indenture.

(c) If the Securities Depository notifies the City that it is unwilling or unable to continue as Owner of the Bonds or if at any time the Securities Depository shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to the Securities Depository is not appointed by the City within 90 days after the City receives notice or becomes aware of such condition, as the case may be, the City shall execute and the Trustee, acting as registrar, shall authenticate and deliver certificates representing the Bonds. Such Bonds shall be registered in such names and authorized denominations as

the Securities Depository, pursuant to instructions from the Agent Members or otherwise, shall instruct the City and the Trustee.

(d) During an Auction Rate Period, so long as the ownership of the Bonds is maintained in book-entry form by the Securities Depository, an Existing Owner or a Beneficial Owner may sell, transfer or otherwise dispose of a Bond only pursuant to a Bid or Sell Order in accordance with the Auction Procedures or to or through a Broker-Dealer; provided that (i) in the case of all transfers other than pursuant to Auctions such Existing Owner or its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer; and (ii) a sale, transfer or other disposition of Bonds from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the holder of such Bonds to that Broker-Dealer or another customer of that Broker-Dealer will not be deemed to be a sale, transfer or other disposition for purposes of this paragraph if such Broker-Dealer remains the Existing Owner of the Bonds so sold, transferred or disposed of immediately after such sale, transfer or disposition.

Section 2.08. Changes in Auction Rate Period or Auction Date.

(a) Changes in Auction Rate Period.

(i) During any Auction Rate Period, the City may, from time to time on any Auction Rate Interest Payment Date, change the length of the Auction Rate Period with respect to all of the Bonds among daily, seven-days, 28-days, 35-days, three months, six months and a Flexible Auction Rate Period in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Rate Period and the interest rate borne by such Bonds. The City will initiate the change in the length of the Auction Rate Period by giving Notice by Mail to the Trustee, the Auction Agent, the Broker-Dealers, the Liquidity Facility Provider and the Securities Depository that the Auction Rate Period will change if the conditions described herein are satisfied and the proposed effective date of the change, at least 10 Business Days prior to the Auction Date for such Auction Rate Period.

(ii) Any such changed Auction Rate Period will be for a period of one day, seven-days, 28-days, 35-days, three months, six months or a Flexible Auction Rate Period and will be for all of the Bonds in an Auction Rate Period.

(iii) The change in the length of the Auction Rate Period for any Bonds will not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given as provided in this subsection (a) and the Auction immediately preceding the proposed change.

(iv) The change in length of the Auction Rate Period for any Bonds will take effect only if (A) the Trustee and the Auction Agent receive, by 11:00 a.m., New York City time, on the Business Day before the Auction Date for the first such Auction Rate Period, Notice by Mail from the City specifying the

change in the length of the Auction Rate Period; and (B) Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Rate Period. For purposes of the Auction for such first Auction Rate Period only, each Existing Owner will be deemed to have submitted Sell Orders with respect to all of its Bonds of such Tranche except to the extent such Existing Owner submits an Order with respect to such Bonds. If the condition referred to in (A) above is not met, the Auction Rate for the next Auction Rate Period will be determined pursuant to the Auction Procedures and the Auction Rate Period will be the Auction Rate Period determined without reference to the proposed change. If the condition referred to in (A) is met but the condition referred to in (B) above is not met, the Auction Rate for the next Auction Rate Period will be the Maximum Auction Rate, and the Auction Rate Period will be a seven-day Auction Rate Period.

(v) On the conversion date for Bonds selected for conversion from one Auction Rate Period to another, any Bonds which are not the subject of a specific Hold Order or Bid will be deemed to be subject to a Sell Order.

(b) *Changes in Auction Date.* During any Auction Rate Period, the Auction Agent, with the written consent of the City, may specify an earlier Auction Date for any Bonds (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of “Auction Date” in order to conform with then current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne on the Bonds. The Auction Agent will provide notice of its determination to specify an earlier Auction Date for an Auction Rate Period by means of a Notice by Mail delivered at least 45 days prior to the proposed changed Auction Date to the City, the Trustee, the Liquidity Facility Provider, the Broker-Dealers and the Securities Depository.

Section 2.09. Conversions from an Auction Rate Period. At the option of the City, the Interest Rate Period applicable to all of the Bonds or a Tranche thereof, as the case may be, may be converted from an Auction Rate Period to a Daily Interest Rate Period, a Weekly Interest Rate Period, a Long Term Interest Rate Period, a Short Term Interest Rate Period or a Fixed Interest Rate Period in accordance with Section 3.02 of the Indenture.

ARTICLE III

AUCTION AGENT

Section 3.01. Auction Agent.

(a) One or more Auction Agents (after the initial Auction Agent) shall be appointed by the City to perform the functions specified herein. The Auction Agent for any Bonds (which may but need not be the Auction Agent for any other Bonds) shall designate its principal office and signify its acceptance of the duties and obligations imposed upon it hereunder by entering into an Auction Agreement which will set forth

such procedural and other matters relating to the implementation of the Auction Procedures as will be satisfactory to the City.

(b) Subject to any applicable governmental restrictions, the Auction Agent may be or become the owner of or trade in Bonds with the same rights as if such entity were not the Auction Agent.

Section 3.02. Qualifications of Auction Agent; Resignation; Removal. The Auction Agent will be (a) a bank or trust company organized under the laws of the United States or any state or territory thereof; or (b) a member of NASD having a capitalization of at least \$30,000,000 and, in either case, authorized by law to perform all the duties imposed upon it by the Indenture and a member of or a participant in, the Securities Depository. The Auction Agent may at any time resign and be discharged of the duties and obligations created by the Indenture by giving such notice to the City and the Liquidity Facility Provider as may be agreed to between the Auction Agent and the City. The Auction Agent may be removed by the City by such notice, delivered to the Auction Agent and the Liquidity Facility Provider as may be agreed to between the Auction Agent and the City. Upon any such resignation or removal, the City shall appoint a successor Auction Agent meeting the requirements of the Indenture.
