Dear Mr. Mahan:

We sincerely appreciate your consideration of the transfer of \$350,000 of HOME funds that were originally allocated to the United Community Center for the construction of Olga Village. Olga Village includes 37 units of public housing that were constructed in collaboration with the Housing Authority. Unfortunately, Olga Village could not use these HOME funds because of HUD requirements associated with the public housing units. We would like to use these HOME funds to support the construction of our single family homes.

If there is any additional information that would be helpful to you, please let me know.

Sincerely,

Antonio M. Pérez
Secretary-Executive Director
