Subject: Re: Questions for meeting tonight

Hello,

I was very disappointed by this meeting tonight. This proposed building would negatively affect our property values and it would be detrimental to all of the homeowners here.

It was clear that the people involved did not take any consideration for the homeowners.

I am voting no.

Sincerely,
Angela Beltrame

Hello,

I live in 1915 #303

Will the construction cause the road to be closed?
How much of the road will be blocked by equipment and worker's vehicles?
Will the units have first floor patios that take up space of the Riverwalk?

Thanks!
