

June 16, 2005

Honorable Robert J. Bauman  
Alderman, 4<sup>th</sup> Aldermanic District  
Room 205, City Hall

SUBJECT: 4<sup>TH</sup> ALDERMANIC DISTRICT – FILE #050170  
PROHIBITION OF PEDESTRIAN CROSSINGS  
EAST AND SOUTHEAST CROSSWALKS AT  
EAST CLYBOURN STREET,  
NORTH MILWAUKEE STREET, AND  
I-794 OFF-RAMP

Dear Alderman Bauman:

The geometry of the intersection including bridge supports, guardrails, and the I-794 off-ramp creates unsafe crossings for pedestrians crossing at the east and southeast crosswalks. Therefore, we recommend the prohibition of the pedestrian crossings on the east and southeast crosswalks at the intersection.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

SUBJECT: 7<sup>TH</sup> ALDERMANIC DISTRICT – FILE #050170  
PROHIBITION OF PEDESTRIAN CROSSING  
NORTH CROSSWALK AT SOUTH  
INTERSECTION OF WEST CONGRESS STREET  
AND NORTH SHERMAN BOULEVARD

Dear Alderman Wade:

Due to the geometry of the intersection and the location of Lincoln Creek and the bridge on North Sherman Boulevard, there is no sidewalk on the north side of West Congress Street on either side of North Sherman Boulevard. Therefore, we recommend the prohibition of the pedestrian crossing on the north crosswalk at the traffic signal at the intersection.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Alderman, 10<sup>th</sup> Aldermanic District

SUBJECT: 10<sup>TH</sup> ALDERMANIC DISTRICT – FILE #050170  
INSTALL NO LEFT TURN ON  
WEST BLUE MOUND ROAD AT NORTH 107<sup>TH</sup> STREET  
EASTBOUND FROM 3:00 PM TO 6:00 PM  
MONDAY THROUGH FRIDAY

Dear Alderman Murphy:

This is in response to a request we received from the City of Wauwatosa. The City of Wauwatosa has been working the AAA, the State of Wisconsin, and the City of Milwaukee on an AAA Road Improvement Program for the intersection of STH 100 and West Blue Mound Road. One remaining problem is the afternoon rush hour crashes occurring at West Blue Mound Road and North 107<sup>th</sup> Street. The majority of accidents are due to eastbound cars turning left and being struck by westbound vehicles on West Blue Mound Road. Therefore, in the interest of public safety, we recommend installing the above traffic control restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
