Dear Alderman Murphy:

The Board of Directors of the Irish Cultural and Heritage Center of Wisconsin applauds and supports your efforts to establish a sister city relationship between the cities of Milwaukee and Galway, Ireland.

We firmly believe that such cross-cultural exchanges promote greater understanding between peoples and thereby form the building blocks for a more tolerant world.

Once the relationship is established, please let us know how our organization can assist you in strengthening it.

Yours sincerely,

Tomas E. Wiseman  
President

To provide a facility which nurtures and perpetuates Irish culture and heritage in Wisconsin.
