The Honorable  
Common Council of the  
City of Milwaukee  
City Hall, Room 205  
Milwaukee, WI 53202

Dear Common Council Members:

On behalf of the Metropolitan Milwaukee Association of Commerce, I am writing to endorse the appointment of Rocky Marcoux as Commissioner of the Department of City Development.

Over the past 12 years, we have had numerous opportunities to work with Commissioner Marcoux on projects responsible for bringing new jobs and capital investment to Milwaukee. Investment and jobs that have benefited residents all over the city. To back this up, here is just a partial list of the corporate attraction projects in which Commissioner Marcoux played an instrumental role representing the city:

- Royal Enfield
- Gardner Denver
- REV Group
- Remedy Analytics
- DRS Technologies
- Black Husky Brewing
- Consortiex
- Infosys
- Solaris Medical
- Argon Industries
- SIC Lazaro
- Ingeteam

Commissioner Marcoux has done an outstanding job both representing, selling, and helping close deals that mean real economic development for Milwaukee and its citizens. He never misses a chance to sell the whole city and its rich variety of neighborhoods. While there is more to the job of Commissioner, we are thankful to have an unapologetic champion to help convince others that an investment in the city will pay dividends. We encourage your support and look forward to working aggressively with Commissioner Marcoux in attracting family supporting jobs to the city.

Sincerely,

Timothy R. Sheehy  
President
