LICENSED PREMISE REPORT

Letteer, David J 016078

05/04/2023

This report is written by PO David LETTEER, assigned to District 5, Day Shift, Sq. 5142 with PO Eric MLODZIK.

On 10-05-22 at 9:00 a.m., we were dispatched to the location of 633 W. North Ave., in the city and county of Milwaukee for a report of a burglary.

This location is the Wendy's restaurant, which was open for business upon our arrival. The incident was captured on our body worn cameras.

We were met by the store franchisee, Deborah L. HENRY-YOUNG (b/f 11-21-65) and her general manager David J. AKINES (b/m 02-24-69). AKINES stated he came to work this morning and arrived around 5:30 a.m. He stated he normally parks his vehicle in the parking lot of the restaurant, on the south side of the building, but today he did not, due to the lot lights not working, so he parked his vehicle in the lot, north of the building, where the lot lights were working.

AKINES stated he walked into the restaurant, through a door on the north side of the building and realized the customer dining area was messy, causing him to believe that his night crew did not clean the customer dining area before closing the restaurant at 1:00 a.m. (10-05-22).

AKINES stated he entered the workers area, behind the customer counter and realized that the door leading into this area was open. He stated as he continued into the workers' area, he realized that the cash register near the drive through was damaged and that other doors in the workers' area were open. AKINES stated he grabbed a knife, due to not knowing if anyone was still in the restaurant and began the check for anyone still inside, but he did not locate anyone. He did tell us that the door to the manager's office was opened, he went on to tell us the safes are located here, as well as electrical panels (circuit breakers), which one the door to Panel B was open and the lever for the circuit breaker was still set to on. We were informed if Panel B was turned off, that the panel would control electrical for such items of water heaters, microwaves and other electrical devices, which may also have an effect on the security

cameras for the restaurant.

We were also informed that the actor had entered the restaurant through a door located on the southside of the restaurant, a window was broken to gain entry. We were also informed that the door latch to the door, where the window was broken, the door latch was not in proper working order and if someone had pulled hard enough, the door would open.

AKINES attempted to cue the video for us to watch. As he was doing this, we were met by HENRY-YOUNG, who is not the store owner, but the franchisee. She stated she has several Wendy's in the Milwaukee area.

While speaking with HENRY-YOUNG, she stated she is the franchisee of the Wendy's at this location, while the owner is under the last name of BRIDGEMAN. HENRY-YOUNG began helping the police trying to get the video from this incident from her video security company, who was going to email me a copy of the videos from this incident. While speaking to her, she stated her insurance company was Colony Insurance Company.

HENRY-YOUNG was able to assist us with the video from the cameras. She stated when she watched the video on her phone, she observed the actor walk west to her building, go to the south side door and break the glass, entering the restaurant. As the person was in the restaurant, she believed he had some kind of axe with him, using it to pry open the cash register drawers, as well as using the axe to enter the office. She stated the money is put into the safe every night and when the employees leave for the night, there is no money in the cash register drawers. She went on to tell me, due to other restaurants getting burglarized, her staff is supposed to leave the cash register drawers open, with no money, to show anyone breaking in that the cash registers have no money in them.
