Upon arrival, PO BURLO and I, observed responding officers rendering aid (chest compressions) to an unknown b/m subject who was unconscious and not breathing lying on the ground in front of the location. The subject was later identified as observed to have a gunshot wound to his chest. I entered inside of the location and spoke with Gas Depot employee who was identified as **Nishen SINGH (M/A, DOB 09/08/1981)** who stated the subject who was shot works at the location as security. SINGH was cooperative and allowed me to view surveillance footage in order to assist with the investigation. SINGH stated he did not think anything of the gunfire until he observed pedestrians running to the front of the location and observed the store security guard lying on the ground. SINGH stated his work hours at the location are 12PM-7:00PM.

Upon watching surveillance, I observed the victim of this shooting exit the location through the front entrance on the north side of the building. The victim walked W/B towards the west side of the location where he was observed having a brief verbal conversation with unknown subjects who were not observed on surveillance footage. I then observed the victim to appear struck by gunfire as well as debris on a parked vehicle. The victim was then observed running backwards towards the front of the location until collapsing near the front entrance door of the location.
