Subject: I Support the Puddlers" Cottages, File 201378
Date: Wednesday, June 23, 2021 6:27:42 PM

The history of the workers that made Milwaukee a metals industry powerhouse, is best maintained by protecting the Puddlers Cottages. Similar to the charming cottages found near Martha's Vineyard, please be sure that our history is represented. I have loved my city since moving here in 1978.

Thank you for your consideration,
Patricia Adams
