Re: Mike Heinen

Dear Mr. Langley:

We have received your denial letter for the above stated claim. We at this time would like to appeal this decision due to the fact that we feel the city is liable for damages to our vehicle obtained on June 12, 2008 by man hole cover that is owned by the city of Milwaukee on the west bound side between 4<sup>th</sup>-6<sup>th</sup> St and Morgan/Holt Ave.

At this time we will request from the Milwaukee County Sheriffs department the dispatched officer and unit assigned to the incident reported at approximately 10pm on June 12<sup>th</sup>, 2008. We will also ask for any other reported incidents at that time from others that we observed getting damaged at that time.

Until then we ask that this case be left open until we have resolved this matter to our satisfaction.

Very truly yours,

Mike Heinen

To Whom It May Concern:

I'm writing to you in regards to an incident that happened on Thursday June 12, 2008. I was driving west bound on Morgan/Holt Ave about 6<sup>th</sup> Street, under the freeway bridge at 10pm when a man hole cover blew up under my car as I drove by. The sheriff's department came and told us to contact the City of Milwaukee and you would take of this. The man hole cover damaged the bottom of my car and my tire. I have enclosed an estimate for the cost of \$2,746.44 for the damages.

I'm hoping to get this fixed in a timely manner – if you can please contact me ASAP at 414-559-1390 or my wife Linda at 414-649-3558 to make arrangements for this.

I appreciate your prompt attention on this.

Sincerely,

Mike Heinen
