So the only thing we see in anything related to Andrew is, if we have questions, it didn't say anything about if we had objections that we should contact him period so we called him today. Oh, he's out till March 31st, and then we called the alternate. And he's not available. Of course, and your office is closed all week. So everything works out to your favor property owners get no consideration whatsoever. Your constituents never get to meet with you and you continue to ruin neighborhoods. Sherman boulevard garden homes district. Let's have some more boarded up houses.

There is nothing in your ordinance that talks about contacting anyone, such as Andrew if we are against the district. plus you knew we were against it, but didn't tell us at the last meeting. Board Up Bob! Im going have thousands of pins made and will have all of my gay friends get involved in this fight. Bob Bauman who lies on disclosure forms gets to continue ruining another neighborhood. What about that LLC in Chicago Bob. You're such a crooked politician. Why don't you go back to Chicago.
