RE: 5736 N 65th St, Milwaukee, WI 53218
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Department of Neighborhood Services
(Name of City Department)

Amount of the charges \$ 719.19

Charge relative to: Record ID: GBG-25-01877

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence,
including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

Renovation work was being undertaken at the said property and during this time a notice was
posted to correct the nuisance. I called in to request time to request extra time and was given
till the end of the week. However, the reinspection was done on Friday of that week instead of
Monday, as I assumed. I called in again on Monday to let them know that i have asked my
maintenance guys to cleanup and was told that reinspection was already done and a contractor
assigned. In view of the misunderstanding on my part I request leniency as the charge of \$719.19
is way too high, almost one month of rent, and hope that the charge will be cut down substantially.
