Re: Dean Zarkos agent for Dino Z, LLC D/B/A Dino's Taverna
Renewal of Class "B" Tavern, PEP, Food Dealer and Sidewalk Dining
licenses

Dear All Members of the Milwaukee Common Council:

We are a law firm representing Dean Zarkos agent for Dino Z, LLC D/B/A Dino's Taverna as it relates to the renewal of the above described licenses.

The Licenses Committee recommended a renewal of the licenses with a twenty (20) day suspension at the committee hearing on July 12, 2016. The committee voted 5-0 in favor of said recommendation.

My client has indicated that an abatement plan has been implemented and he has completed immediate remedial measures since July 12, 2016, whereby the contracts for the marketing manager and security personnel were terminated. Additional security contractors were hired as indicated during the hearing and the updated security system remains in full affect.

This letter is to notify the Common Counsel that my client would prefer a reduced suspension from the 20 day suspension recommended by the committee pursuant to the abatement plan already implemented, but that there **is no formal objection** to the renewal with 20 day suspension.

Please contact me with any questions or concerns.

Very truly yours,
GALANIS, POLLACK, JACOBS, & JOHNSON, S.C.
