Meeting: FINANCE & PERSONNEL COMMITTEE on 2025-03-31 9:00 AM - Special

Item: 7. 241394 Substitute resolution directing the City Clerk to expend from the resources reserved in the Council-Led Transfer Fund.

eComment: Supporting Refugees in the Milwaukee Community The work of Hanan Refugees Relief Group is more important than ever as they continue to provide critical support for refugees in need. Due to recent funding cuts, their ability to assist families with housing, job training, and essential services has been impacted. They are grateful for the community's support and for local leaders recognizing the urgency of this issue. Ensuring continued resources for refugee families strengthens our entire community. We urge everyone to stay engaged and support efforts that keep these vital services running.
