OK Chris it should be this:

In the Positions Ordinance

Under Library, Administrative Services Decision Unit, Auxiliary Positions:
Delete one position of "Media Specialist".
Add one position of "Library Marketing Specialist".

This must have changed with 2019 Positions Ordinance. What you have would be correct but I'm trying to figure out if having aux authority only is acceptable to change to regular?

Derek,

I believe the action required for the MPL CSC report from this most recent cycle should be change from:

Under "Library, Administrative Services Decision Unit, Communications and Marketing Section", delete one position of "Media Specialist" and add one position of "Library Marketing Specialist".

To:

Under "Library, Administrative Services Decision Unit, **Auxiliary Positions**", delete one position of "Media Specialist".

Under “Communications and Marketing **Division**”, add one position of “Library Marketing Specialist”.

Please confirm.
