# Objection to July 30, 2025, Notice of Public Interest

License Type: Class B Tavern and Entertainment

**Premises** 

Applicant: Jay's Karaoke Lounge

Agent: Joshua Arnold

To Whom It May Concern:

I am writing to formally and respectfully **object** to the Notice of Public Interest of July 31, 2025 regarding the new application for a Class B Tavern and Public Entertainment filed for Jay's Karaoke Lounge LLC. My objection is rooted in concerns that affect both the immediate neighborhood and the wider community namely:

- · Noise impact on local residents;
- · Parking and traffic noise and congestion;
- · Public safety and order;
- · Fit with community character;

## Noise Impact on Local Residents

First and foremost, the proposed establishment raises serious concerns about noise levels, particularly during late-night hours. Jay's Karaoke Lounge will operate 7 days a week from 1100AM to 0200AM +1. As a result, granting a license as petitioned "will have an adverse impact on the health, safety, and welfare of the public and the neighborhood" (Source: July 30, 2025, Notice of Public Interest). This will impact negatively the quality of life and character of our neighborhood community.

On February 16<sup>th</sup>, 2022, I objected to an application by the licensee at the site, Lounge 340, for karaoke and disc jockey entertainment due to the certainty of the noise from the establishment violating existing city noise ordinances. This would have a disparate impact on all families with special concern for the neighborhood's elderly and for those who require a peaceful environment for rest.

The 2022 application for karaoke and disc jockey by Lounge 340 / Lush Lounge was denied by the License Division. The noise issue is for both the licensee's music volume noise <u>and</u> music frequency broad spectrum noise within the limits of city ordinances. Low-frequency music sounds, typically ranging from 10Hz to 200Hz, can penetrate through thick solid materials, making them difficult to block.

In my judgement, <u>nothing has changed with the current application dated July 31, 2025 to undo the License Division's prior established precedent(s) of denying the application by a previous licensee for Karaoke and Disk Jockey activities in the business.</u>

## Parking and Traffic Noise and Congestion

Additionally, the location of Jay's Karaoke Lounge could exacerbate already limited parking availability on local streets. Increased traffic flow and traffic noise would further inconvenience neighborhood residents. Traffic noise and traffic congestion violations were extensively documented in videos provided to the License Division for previous licensees' applications.

## **Public Safety and Order**

The operation of a late-night entertainment venue such as a karaoke lounge and a Class B tavern carries with it the risk of increased instances of loitering and potentially unruly behavior. This could strain local law enforcement resources and create safety concerns for both patrons and non-patrons alike.

Public safety and order violations have been a serious problem in the past years with the 2 previous licensees at the site; Luch Lounge and Lounge 340. As with noise violations, extensive video evidence of violations of public safety and order was submitted to the License Division.

## Fit with Community Character

It is also important to consider whether the proposed lounge aligns with the character and needs of our neighborhood which is principally residential and further enhanced by the Parish of St Francis of Assisi. The introduction of Jay's Karaoke Lounge and the license to sell alcoholic beverages may undermine the family-friendly atmosphere of a primarily residential neighborhood enhanced with the religious activities of the Parish of St Francis of Assisi.

As an example of possible ongoing risks to a primarily residential family and non-secular neighborhood atmosphere, video evidence was submitted for license violations by the prior licensee, Lush Lounge, engaging in female stripping activities.

It is noteworthy to point out that the entrance to the proposed Jay's Karaoke Lounge and the entrance to the St Francis of Assisi's Parish church based on a preliminary analysis would appear to be less than the city stipulated 300 feet minimum distance for a Class B tavern. This distance is calculated as the shortest distance between the entrances to the Class B tavern and the entrance to St Francis of Assisi church. This should preclude the granting of a Class B tavern and entertainment license.

## Conclusion

For these reasons, I respectfully urge the relevant authorities to deny approval of the application for Jay's Karaoke Lounge. The approval of the application "will have an adverse impact on the health, safety, and welfare of the public and the neighborhood" (source:

<u>July 30, 2025, Notice of Public Interest)</u> impacting negatively the quality of life and character of our community.

Thank you for your attention and for considering my objections. My objection to the license application is submitted considering only the best interests of Milwaukee and our beautiful community. I am proud to be a resident of Milwaukee and to participate in my civic responsibilities as requested by the City of Milwaukee authorities.

Sincerely,

August 12, 2025

Subject: License Application Objection - Jay's Karaoke Lounge

Hello,

We received a Notice of Public Interest letter in the mail this week for the new license application filed for Jay's Karaoke Lounge (340 W Reservoir), and would like to submit our objection.

We have lived in the neighborhood since 2018 and have witnessed firsthand the adverse effects of a late night / extended hours establishment operating in an otherwise quiet neighborhood, next to a YWCA and across the street from a church.

Please also note that the application incorrectly states that it is not within 300 feet of a church, however St. Francis of Assisi Roman Catholic Church is directly across the street (1937 N. Vel R. Phillips Ave).

In addition to the owner never operating a business with Extended Hours and applying for a license for 7 days a week from 11 am-2 am except Sundays (until midnight), they have not completed the required Responsible Beverage Server Training course nor have they held a bartending license in the state in the past two years, which makes us concerned that they do not understand the challenges with operating a karaoke bar / lounge serving both 91% alcohol and 9% tobacco products, especially one with extended hours.

As a karaoke bar with sound amplification inside the bar, there are serious concerns about the level of noise this establishment would emit into the neighborhood at the extended hours, seven days a week. The stage is displayed at the south window, with maximum sound amplification into the neighborhood and adjacent residences, with no plans for security to enforce noise ordinances and other laws. Also with the Public Entertainment Premises license and planned types of entertainment such as comedy, hookah, dancing, and jukebox, we have serious concerns with the level of noise and safety and welfare of the public and neighborhood as a result of this entertainment in a residential area. We are on

the record objecting in the past to the previous businesses at this address requests for karaoke, and it has no place in a residential neighborhood.

We would like to express our extremely large concerns with the new license application, and object to the granting of the license for Jay's Karaoke Lounge.

Thank you,

To Whom It May Concern,

This letter is to express my concerns over granting a license to Jay's Karaoke Lounge at 340 W Reservoir Ave.

I don't feel that this location is appropriate for an establishment of this kind. We are basically a residential area with a church right across the street from this location. We have had many issues with the former tenants. It has been a pleasant summer here since they closed. Now it appears that we may encounter even more disruptions and noise especially since he wants to be opened EVERY day until the wee hours of the night. It also doesn't appear to have any security measures besides cameras to control what goes on inside and outside the establishment.

I'm so concerned that we are just going backwards and will have to deal with all the issues that we did before.

Please consider the people who live in this area when you make your decision. Understand that I am not against someone having and starting a business. I just don't believe that it is appropriate in this case.

Thank you for your time and consideration in this matter. I hope that it will be denied.

Subject: Jay's Karaoke Lounge 340 W Reservoir

Hello,

I am writing to you today in regards to the notice I received regarding the opening of Jay's Karaoke Lounge.

My name is . I am the Regional Coordinator for . We are located at light around the corner from the proposed Jay's Lounge. I is a house of studies. We house and give supportive services to 12 formerly incarcerated men. Each of our resident scholars are here to continue their education and make positive changes in their lives. The men all go to school and hold down jobs.

Our residents came to me before I got this notice to express their concerns about what was going into the old lounge because that place was nothing but trouble and attracted the worst kinds of people. Our residents have found out that in fact it's going to be a hip hop club and that will "attract guns and drugs."

Those are their words, not mine. There has already been drug activity going on there. Our residents are working so hard,

some of them to keep clean and sober. This new lounge would pose such a threat to not only their sobriety but to keeping them from going back to their old lifestyle. I have 5 formerly incarcerated men here, some who were imprisoned for drug offenses so I believe them when they tell me, "it can be called a karaoke lounge, but the word out on the streets... it's going to be a hip hop club"

I ask that you do not let this license move forward. Please consider the hard work of our residents and their request to not let this lounge open. Let's give the residents of . the chance to change their lives.

Thank you for your consideration,

Subject: Letter of License Application Opposition - 340 W Reservoir Ave. - Jay's Karaoke Lounge

Good Evening MKE License Committee,

Please find attached our written opposition to the open application of "Jay's Karaoke Lounge" at 340 W Reservoir Ave.

The business was documented on the nights of Friday 8/1 and Sunday 8/3 of serving alcohol and tobacco products from behind the bar without a license. The bar was not open to the public as it had its "Open" sign off, curtains drawn, but there were numerous cars parked outside and 5-8 patrons within the bar. Additional video/photo evidence is available upon request.

Thank you and please confirm once received,

Office of City Clerk, License Division Room 105, City Hall 200 E. Wells St. Milwaukee, WI 53202

Dear Milwaukee License Committee,

This is a formal letter of opposition to the application by Jay's Karaoke Lounge, LLC for "Jay's Karaoke Lounge" (JKL) proposed for 340 W Reservoir Dr.

After reviewing the attached license application, many immediate neighbors of the bar have severe anxiety about quality of life and noise level of the neighborhood. Particularly because the business model JKL proposes in their application is very similar to previous bars that were tenants of the building in the last 4 years. This letter will highlight those.

Before we get to the highlights, as of 8/4/2025 the JKL's application for a license has only been submitted but not approved. Despite this, on the nights of Friday 8/1 and Sunday 8/3, it was observed the bar had visitors (ranging from five on 8/1, and eight on 8/3) who were consuming alcohol and tobacco products being served from behind the bar. Please see below pictures confirming this. There is also video evidence upon request. There may also be a police report available associated with the 8/3 incident since the district 5 Tavern Unit was called and asked to check. How is this legal or behavior of a responsible business owner if JKL's liquor and operator's license hasn't been approved yet?

Per WiDOR rules: "No one can sell alcohol beverages (or <u>give away</u> for a commercial purpose) or allow consumption in a public place without getting the appropriate license or permit."

Responsible Beverage Server Training. The bar owner/agent states they have satisfied the responsible

do not submit proof of this as required. Applicant will need to submit proof, someone who owns a bar
as a sole proprietor is not allowed to have an Operator's license per Wisconsin Law without this

13. How do I qualify for an operator's license?
To qualify for an operator's license, you must

- o be at least 18 years old,
- o meet criminal record requirements, and
- have completed a responsible beverage server training course. Contact your local Wisconsin technical college, or see "Training" on the Department of Revenue website

The last requirement can be waived if it is a renewal application or if you held a non-expired Wisconsin alcohol beverage license, including an operator's license, within the past two years. The municipality may issue you a provisional operator's license if you are enrolled in a responsible beverage server training course when you apply. An operator's license is only good in the municipality that issues it. For instance, if you are issued an operator's license in the City of Milwaukee, you may not use it in a suburban municipality, like Franklin. (sec. 125.04(5), Wis. Stats.)

2. The Owner has Criminal History. Personally, I'm not comfortable being neighbors with someone who has a history of being convicted of domestic abuse and did jail time. While this was 14 years ago, to me this says the owner has an aggressive demeanor, and complaints by neighbors will not be received well. In addition, the applicant/sole proprietor has a history of fines for driving without a valid license numerous times and refusing to renew per Wisconsin Circuit. While not a violent crime, to me it tells of irresponsibility. Knowing this pattern, serving alcohol and tobacco products without a license in a public setting checks out.

3. A History of LLCs That Are Delinquent. The registered agent of JKL is also that of two other local LLCs. Both at some point in their history were delinquent. Jay A LLC dissolved and 4Jay's Hot Dogs has been of delinquent status twice with only returning to in good standing in June of this year. Running a business is tough and not being profitable enough to pay taxes is not necessarily reflective of the character of the business. However, if the owner is already running a struggling hot dog business and now wants to run a karaoke bar simultaneously but per application has no experience of running a latenight bar.... I have severe concerns if the owner will be able to be attentive enough to maintain a quiet neighborhood setting at 340 W Reservoir.

4. Hours of Operation/No Experience with Extended Hours/No Bartending License. With previous bars at this location, the neighborhood has had substantial issues with noise, particularly at night on weekends. Residents could not properly fall asleep or have windows open due to traffic and patron loitering noise brought upon by the bar. Given the below hours are calling for the bar to be open 7 days a week with most nights until bar close and expecting upwards to 70 patrons per night, I am terrified of noise level and quality of life. Not having a bar next door these last two months has greatly improved quality of life of the neighborhood. Loud noisy bars and ability to having a quiet night enjoyed by residents are not compatible.

The agent/sole proprietor has not had a bartending license in the last two years and has not owned a bar per their LLC history. Combine this with the stated inexperience of operating a business with extended hours, I fear the owner not being onsite late at night when most issues arrive. The owners of the previous bars both had extensive bar experience but still struggled to comply with basic local city noise ordnances.

5. Similar Operations to Previous Loud Bars. The applicant is applying for many similar operations as previous loud bars such as Hookah Service, Sound Amplification, "Poetry Reading", etc. I fear this will just be a repeat of previous issues the neighborhood has had with a bar at this location. Looking at the floorplans, the stage will be right next to the front windows that face Reservoir Ave and my residence across the street. This building is not soundproof contrary to what anyone says whether from the actual music or use of subwoofers. Having most sound amplification concentrated right here, neighbors will be subjected to loud music and singing seven days a week. Per Milwaukee Chapter 80 "Nuisances", no business may engage in an activity that projects sound beyond 50 feet without a proper permit. That's aside from the expected loud vehicle noise due to patrons having to park up and down the street.

6. **No Security is Planned for This Bar.** Previous bars at this location with similar business models required security to maintain peace and enforce city ordinances. 7. Applicant States No Church with 300 Feet of Lounge. To me, this demonstrates a complete lack of understanding on where the bar will operate given there is literally an entire block-sized monastery and church right across the street. Not to mention next to a Boys & Girls Club and YWCA center. The bar main entrance is located approximately 165 feet from the nearest corner of the church and 282 feet from the church's main entrance. Technically this would be illegal if the bar was founded after 1947 per Wisconsin State Statute.

## 90-14. Restrictions as to Location of Premises.

- 1. 300 FEET RESTRICTION. No "Class A" or "Class B" license for the sale of intoxicating liquor may be issued for premises the main entrance of which is less than 300 feet from the main entrance of any church, school, day care center or hospital, except that this prohibition may be waived by a majority vote of the common council. The distance shall be measured by the shortest route along the highway from the main entrance of the school, church, day care center or hospital to the main entrance of the premises covered by the license.
- **2.** EXCEPTIONS. The prohibition in sub. 1 does not apply to any of the following:
- a. Premises covered by a "Class A" or "Class B" license on June 30, 1947.
- b. Premises covered by a "Class A" or "Class B" license prior to the occupation of real property within 300 feet thereof by a school, day care center, hospital or church building.
- c. A restaurant located within 300 feet of a church, day care center or school. This paragraph applies only to restaurants in which the sale of alcohol beverages accounts for less than 50% of its cross receipts.

The neighborhood is NOT anti-business contrary to what has been said and what will be accused of after this letter is reviewed. We would love nothing more if a quiet daytime coffeeshop or sandwich shop opened at this location. For the last 4 years we have experienced decreased quality of life and high noise levels when a bar similar to what JKL is applying for is allowed to operate. Business owners that have no connection to the neighborhood profit at the expense of our quality of life. With the closing of the previous bar, the neighbors have had unparalleled quiet in the neighborhood only interrupted by normal city functions like emergency vehicle sirens. On top of all of this, the bar has documented incidents of serving alcohol and tobacco products prior to their liquor and tobacco license being granted. Does the License Committee really see this as appropriate?

I ask the License Committee decline this application knowing the trouble past bars have been at this location. The neighbors are tired of "giving chances."

Thank you,

Subject: Aldermanic District 6 / Jay's Karaoke Lounge LLC

Good morning,

Our names are and we're residents in Aldermanic District 6 and are in the neighborhood where Jay's Karaoke Lounge bar would be located.

Many residents on our our, are not interested in our peace and quiet being disturbed by a karaoke lounge/bar. This is a neighborhood where children, teens, and families live and daily frequent the sidewalk area near this location (where some proposed hours of the establishment) overlap those times.

Over the last three years, we've seen extremely disturbing, violent, troubling, chaotic, loud activity, disruptive behavior, and reckless driving. Although, this proposed new establishment Jay's Karoke Lounge, may not be tied to the previous two owners, we've noticed a ongoing pattern with music, lack of care and respect for residents surrounding the bar, that includes, illegal parking, trash, loitering outside the bar throughout the neighborhood during/after business hours, loud music blaring from bar and from vehicles, along with arguments.

This type of behavior seems to follow these types of establishments and never adds value to our neighborhood. The current owner doesn't live anywhere near the bar, and when individuals don't live

in our neighborhood, they don't usually show care or create productive pathways of connection to residents.

I'm also not sure the applicant has the experience necessary to support the type of establishment he's requesting, with not even 2 years of holding a bartender's license, per his application. That lack of experience, along with not having held a Class A or Class B alcohol beverage doesn't give us much confidence at all that this person has the necessary experience to manage the type of crowds this bar attracts.

Mr. Arnold has also never had experience with an "Extended Hours License," and we do not want our neighborhood to be a testing ground for his inexperience. We've also seen previous owners mention that the property and surrounding areas would be cleaned daily, and that was not always the case. Again, although this is a new applicant, we have lost much faith in these types of establishments. It's noted that Mr. Arnold would be the person who cleans the establishment, not his employees, and we're curious if that will be feasible/he be able to keep up, also as the person running the day-to-day operations.

Regarding noise issues and how they'll be addressed, the licensee does not note that he'll have any security and which seemed to support some of the behavior from previous owners. Note, this did not rectify the noise issues, but did to a certain extent. Without the commitment and lack of security, it only adds to our lack of faith and confidence in safety and any noise concerns being addressed in a timely manner or efficient manner. With no security, there's likely to be more parking issues, which will likely lead to illegal parking, including parking too close to the corners, areas where signage notes there is no parking, parking in front of walkways, and driveways. Also, with no security or any searches of patrons, how will the bar owner support an environment where guns or other weapons aren't on site?

Finally, the request for the age range begins at 21 years old, and across the city, we continue to see individuals closer to this age range hang out and loiter, causing trouble at times when associated with spaces that play music that glorifies drugs, violence, and unproductive behavior.

Right now, Mr. Arnold doesn't even have a lease beyond one year, and we're curious if the owner is uncertain if this type of establishment, similar to the other two establishments, Lush Lounge and Lounge 340, will last.

Residents have rallied together in the past when the patrons of the last two establishments caused the issues we discussed above. Since the Lush Lounge's license wasn't renewed, residents have mentioned the peace they've been able to enjoy, and we'd like support in keeping it that way.

Sincerely,

#### Roman, Carmen

This objection is in regard to Jay's Karaoke Lounge LLC, 340 W Reservoir

My name is

and I reside

from the proposed Jay's Karaoke

Lounge.

This lounge is located on a quiet residential street, very close to our condo building and within about 300 feet of a church. I strongly object to a liquor and entertainment license at that address given past issues. My fellow residents and neighbors regularly witnessed fights (even a fatal shooting), excess noise, public drunkenness, illegal parking (often blocking our parking lot and garage entrances), trash, cups and bottles thrown on our property and vicinity and reckless driving—all of which which negatively impacts the health, safety and welfare of the public and area residents.

I take it as a warning sign that the new owner has **not** reached out to neighbors or taken steps to organize a community meeting. His fairly identical business model ensures more of the same or worse given that his application includes plans for sound amplification inside the bar. Proposed hours of 11am-2am every day except Sunday will create noise, disruption and havoc in our neighborhood.

I appreciate someone trying to make a living but there are businesses that would be a much better suited to this location such as a shop or cafe (think Honey B Sage or Niche Books). Our quality of life—even simply being able to have our windows open and no daily litter pickups—has improved exponentially since the last bar (Lush Lounge) closed.

A bar in a residential neighborhood is never a good idea, especially one that's going to have loud music and is open seven days a week with extended hours.

Thank you,
