04 CONKLIN, JR, Robert E, Agent for "PROBUCOLLS ASSOCIATION", Rooming House License Renewal Application for "THE CLARK HOUSE" at 933 N 24th St. (Expires 10/31/2025)

The applicant was present.

Individuals also present:

Ald. Bauman said that we could hear all four applications together because it is the same objection for all.

Individuals in objection:

James Dieter – 2432 W Kilbourn Av - said that the conditions of the four properties are poor and that he has documented it with pictures. He added that there is people loitering and smoking, that the applicant takes care of the front but not of the back. He also said that things were better with the previous owner. He mentioned that these buildings go away with many issues that other commercial properties do not like marked parking spots for example. He said that properties are not treated equally.

Individuals also present:

Ald. Bauman said that this is a 60 units development along 4 properties since the 1930's room and board alike situation for low income residents with physical, mental and emotional disabilities. He added that the lots are deep and that he agrees that there is a problem with the conditions. He also said that it is a DNS problem, that he does not know why there is not a proper follow up from that office. He mentioned that there is no remedy because even if we do not renew the licenses, we have to go to a different court to file evictions because not renewing the license will do it. He mentioned that the system is broken here and that he can see that the property is in a stable state of repair as he drives everyday by.

Mr. Dieter said that no neighborhood can survive with tens of rooming houses as this one has and added that he came with a recommendation to clean the back of the properties, to monitor the parking lots and to take care of the trees.

Ald. Zamarripa said that the neighbor's request is reasonable.

The applicant said that there is a person in charge for cleaning clean up the neighborhood and that the neighborhood association can testify on that. He added that they have dumpsters for garbage and bigger items, that they are watched very close by DNS. He also said that Mr. Dieter feeds street cats on paper plates twice/day and that they even pick up those plates. He also mentioned that they will look into the parking lot as they get the funds to do it. He said that he could reproduce invoices for tree servicing as well.

Ald. Pratt noted that there are signs posted that also need to be enforced.

Ald. Zamarripa and Ald. Burgelis said that they have a problem moving forward without DNS here to answer questions.

Ald. Bauman said that it would be appropriate to hold.

Ald. Burgelis moved to hold the application to the call of the chair. There were no objections. (Prevailed 5-0)

Mr. Amarjeet said that he is the manager and regarding the first item (12/01/24) on the police report said that he heard from the security guard that someone was shot but that they do not know who did it or how happened and that they assisted the person by calling 911. As for the second item where the security guard shot at somebody, said that no one was shot at, that the situation was about a panhandler coming almost every week, that the guard was handling him right until one day that an old lady asked for help because she was approached by the panhandler at the pump and got scared. He continued explaining that it happened again with another old customer. He added that the guard asked him not to approach people no more, that they argued and when the guard walked away, the panhandler jumped into the guard's back and the guard pulled out his gun and shot into the air to scare the panhandler away. He also explained that he let the guard go and explained him that he was not supposed to do that.

Sgt. Velasquez said that no one was shot at, that it was a warning shot, that the employee was arrested and waiting to appear before the judge.

Mr. Amarjeet said that since that incident happened, they have a new security guard and that he was told not to shot at the air again.
