

January 29, 2007

To The Honorable, the Common Council

Subject: 2007 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
North 20th Street from
West Highland Avenue to West North Avenue

Dear Council Members:

The 2007 Capital Improvement Program includes the improvement of North 20th Street from West Highland Avenue to West North Avenue under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

The total estimated cost of the project is \$97,223.13 and one hundred percent of the total cost will be funded by the Wisconsin Department of Transportation (WISDOT).

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works and the Comptroller to execute a Local Force Account (LFA) – State contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of North 20th Street from West Highland Avenue to West North Avenue in the 4th and 15th Aldermanic Districts.

Respectfully submitted,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
