Chad,

The attached tow record and recordings are from a private property tow requested by Apys Cars Inc. on Friday, September 7<sup>th</sup> at 1:20 p.m. by an individual who identified himself as Jamie. He stated that he did not think his license was expired (first recording). He then called back at about 1:45 p.m., confirmed that his license was expired, and stated he was returning the vehicle (recordings 2 and 3). At 1:49 p.m. the process status was changed to cancelled. We have not received any other private property tow request from Apys Cars Inc. since, however will forward on anything else if received prior to tomorrow morning.

Respectfully,

Tom Woznick, CAPP

It is my opinion that you should keep a record of the calls and present that information at the renewal hearing on 09/11/18. We could possibly cite them for the days that they operated without a license and would need that documentation. Technically they still can operate today until midnight.

Chad/Tyrone,

I'm emailing to ask your guidance/recommendation in regard to Apys Cars Inc as their Recycling, Salvaging, or Towing Premises License expires tomorrow (September 6, 2018). We anticipate that they'll continue to contact us for tow requests (they average between 70-80 requests per month, in August they made 73 requests) upon expiration of their license. If this occurs who should we contact and how often should this contact be made (daily, weekly)? They average about 3-4 requests per day. I've also attached the letter we sent to the Licenses Committee Chair Ald. Kovac for the Licenses Committee's consideration pending renewal of their license, which is scheduled for the September 11<sup>th</sup> Licenses Committee Meeting @ 10:30 a.m.

Thank you for your review. I look forward to your reply.

Milwaukee, WI 53209

DPW-Parking Services is presenting the information below for the Licenses Committee's consideration pending the renewal of Apys Cars' Recycling, Salvaging or Towing Premises license.

Apys Cars, owned by Jamie and Diana Blas, has been operating since December 2015, which is the date of the first monthly billing by the City of Milwaukee for private towing service fees, and was issued their current Recycling, Salvaging or Towing Premises license on 9/7/16.

Per Wisconsin State Statute 349.13, the towing service fee of \$30 assessed to each vehicle owner shall be remitted to the municipality. All service fees collected by a towing service may be aggregated and forwarded together, on a monthly basis, to each applicable municipality.

Thirty-one (31) invoices have been issued since December 2015, totaling \$52,602.31. The first five (5) invoices were paid in a timely manner, totaling \$7,060, with the last payment made posted on June 2, 2016, made via cash. Since then, the remaining twenty-six (26) invoices dated July 15, 2016 through July 19, 2018, have not been paid. On September 30, 2017, twelve (12) invoices totaling \$19,110 were sent to Kohn Law Office for collection (File 901472-901483). Pursuant to the License Committee's decision to hold Apys Cars' license at their July 17, 2018 meeting, discussions between Jamie Blas, Tom Woznick and Kohn Law Firm resulted in Mr. Blas' refusal to pay or set up a payment plan. In order to conform to DPW-Parking's accounts receivable policy and to set a legal groundwork, the remaining fourteen (14) outstanding invoices totaling \$26,432.31 were forwarded to Kohn Law Firm (File 939560). Per an email dated August 1, 2018 from Kohn Law Firm, the total amount Kohn will be referring as a civil judgment is \$63,273.67, which includes interest. This amount includes \$17,125 of service fees which were forwarded to Kohn Law Office, the details of which are referenced directly below.

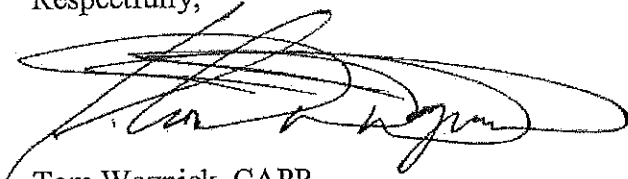

Prior to obtaining the license for Apys Cars, the same individuals operated under Cars Inc. performing private tows that required compliance with the same State statute from September, 2015 to August, 2016. During that time seven (7) invoices were issued for private tows to Cars Inc. totaling \$17,125. No payments were made on those invoices. On November 30, 2016, these invoices were sent to Kohn Law Office for collection (File T867859).

Please see the attached spreadsheet detailing the outstanding invoices referenced within.

Mr. Blas, during his testimony at the July 18, 2018 Licenses Committee meeting, requested information on two items. The first item was specific to drop fees when performed by a towing service. A private towing service is able to provide documentation confirming a vehicle was dropped, and upon receipt of confirmation of a drop, the service fee is reduced to \$15. The second item was specific to when towed vehicles are not claimed by the vehicle owner. I provided Mr. Blas with the attached "Towing Service Fee Notification" which was sent to all Milwaukee towing operators towing from private property, dated September 21, 2015, which states that the City will not require remittance of a service fee for authorized tows not claimed by the owner. The notification also provides details of what a towing operator must provide the City of Milwaukee Tow Lot in order to avoid being billed.

Please feel free to contact me via email or ext. 3635.

**City of Milwaukee Official Notification**

**To: All Milwaukee Towing Operators Towing From Private Property**

**Re: Non Remittance of Service Fees for Vehicles not Claimed by Owner and Payment Procedures**

Effective September 1<sup>st</sup>, 2015 the City of Milwaukee will not require remittance of a service fee for authorized tows not claimed by the vehicle owner. In order to avoid being billed, private towing contractors must provide the city of Milwaukee Tow Lot with verification the unclaimed vehicle has been recycled or sold. Acceptable verification includes: a weight ticket from a salvage yard, auction paper work, a signed over title (if vehicle is titled or signed over to towing organization), or other legal verification at the discretion of the City of Milwaukee. These documents should be grouped together and sent to the attention of Patricia Roundy at the City of Milwaukee Tow Lot by the last day of each month. Approved claims will be reflected on the billing cycle in which verification of unclaimed status is provided. Refunds of previous submitted service fees for vehicles not claimed by the owner will be processed upon submittal of the same aforementioned acceptable verification.

Effective September 1<sup>st</sup>, 2015, all towing operators towing from private property will no longer make payments at the City of Milwaukee Tow Lot. Invoices will be mailed and payments will be remitted to the City of Milwaukee Accounts Receivable Department. Please reference the invoice number upon remitting payment. All invoices will be sent monthly.

Very truly yours,

Ghassan Korban  
Commissioner of Public Works

Hi Amanda, I talked to you a month or so about the fact that my truck was towed away illegally from Dollar General on Locust across from Gordon Park. I went to small claims court, and the defendant of Apy's Cars showed up and told the commissioner a number of untruths. I am due to see them again on May 24th. Even though I have a the manager of the Dollar General coming as a witness I am anxious and need some support. . The towing company not only stole my truck, but ended up breaking the transmission so that all in all, they cost me \$2100. I and wonder if Nik could spare a half an hour for some moral support or advice either this Tuesday a.m., Wednesday or Thursday or next week at noon on Tuesday. I am taking several trips so don't have a lot of time, but I will be back on May 8th, and have lots of time up to the 24th. Let me know what might be possible. Sincerely,

Per Wisconsin State Statutes 349.13(3m)(dm), the towing service shall charge the vehicle owner a service fee not exceeding \$35 (current fee is \$30, which became effective September 1, 2015) and shall remit this fee to the municipality. All service fees collected by a towing service may be aggregated and forwarded together, on a monthly basis, to each applicable municipality. The service fees allow the City to comply with 349.13(3m)(dm), which requires every law enforcement agency to maintain a record of each invoice received, as well as identification of the towing service removing the vehicle.

Per Wisconsin State Statutes 349.13(3m)(d)2 before any vehicle on private property is removed by a towing service, the towing service shall notify a local law enforcement agency of the make, model, vehicle identification number, and registration plate number of the vehicle and the location to which the vehicle will be removed. Per 349.13(3m)(dr)2 a towing service operating in a 1<sup>st</sup> class city may not collect any charges for the removal or storage of an illegally parked vehicle if the towing service has not complied with the requirement above. Per 349.13(3m)(dr)1 a towing service may not remove a vehicle under this subsection if the vehicle has been reported to law enforcement as stolen.

Apys Cars, represented by Diana B Blas, Agent, has been operating since December, 2015 and was issued their current Recycling, Salvaging or Towing Premises license on 9/7/16. Twenty-nine invoices have been issued since December 2015, totaling \$47,687.82. The first five invoices were paid in a timely manner, totaling \$7,060, with the last payment made posted on June 2, 2016. Since then, the remaining 24 invoices dated July 15, 2016 through June 13, 2018, have not been paid. The outstanding balance for Apys Cars is currently \$40,627.82 which includes \$1,777.82 of interest. On September 30, 2017, twelve (12) invoices totaling \$19,110 were sent to Kohn Law Office for collection (File 901472-901483).

Prior to obtaining the license for Apys Cars, the same individuals operated under the business name of Cars Inc., performing private tows that required compliance with the Wisconsin State Statutes referenced above from September, 2015 to August, 2016. During that time, seven (7) invoices were issued for private vehicle tows to Cars Inc. totaling \$17,125. No payments were made on any of those invoices. On November 30, 2016, \$16,495 of this balance was sent to Kohn Law Office for collection (File T867859).

Based on the payment history, not only of Apys Cars, but of the previous company owned by the same individuals, Cars Inc., DPW-Parking is presenting this information for the Licensing Committee's consideration pending the renewal of Apys Cars' license.

We recommend suspension of Apys Cars Recycling, Salvaging or Towing Premises license until such time that all fees owed to the City of Milwaukee per Wisconsin State Statute 349.13 by Apys Cars and Cars Inc. have been paid in full.

**City of Milwaukee Official Notification**

**To: All Milwaukee Towing Operators Towing From Private Property**

**Re: Non Remittance of Service Fees for Vehicles not Claimed by Owner and Payment Procedures**

Effective September 1<sup>st</sup>, 2015 the City of Milwaukee will not require remittance of a service fee for authorized tows not claimed by the vehicle owner. In order to avoid being billed, private towing contractors must provide the city of Milwaukee Tow Lot with verification the unclaimed vehicle has been recycled or sold. Acceptable verification includes: a weight ticket from a salvage yard, auction paper work, a signed over title (if vehicle is titled or signed over to towing organization), or other legal verification at the discretion of the City of Milwaukee. These documents should be grouped together and sent to the attention of Patricia Roundy at the City of Milwaukee Tow Lot by the last day of each month. Approved claims will be reflected on the billing cycle in which verification of unclaimed status is provided. Refunds of previous submitted service fees for vehicles not claimed by the owner will be processed upon submittal of the same aforementioned acceptable verification.

Effective September 1<sup>st</sup>, 2015, all towing operators towing from private property will no longer make payments at the City of Milwaukee Tow Lot. Invoices will be mailed and payments will be remitted to the City of Milwaukee Accounts Receivable Department. Please reference the invoice number upon remitting payment. All invoices will be sent monthly.

Very truly yours,

Ghassan Korban  
Commissioner of Public Works

RE: Outstanding balance due to City of Milwaukee for Tow Reference Number Service Fees

Dear Mr. Blas:

APYS CARS is currently delinquent for remittance of towing service fees to the City of Milwaukee in the amount of \$12,690 for service between May 2016 and November 2016.

Pursuant to Wisconsin Statute § 349.13(3m)(d) and (dm), towing services must charge the owner of a towed vehicle the service fee imposed by the municipality in which the towed vehicle was removed, and remit that fee to the municipality. The City of Milwaukee has set that service fee at \$30 for each towed vehicle. All service fees collected by a towing service under this paragraph may be aggregated and forwarded together, on a monthly basis, to the City of Milwaukee. Failing to remit these fees places you in violation of state statutes and City of Milwaukee Ordinances.

Failure to remit these fees in full by April 3, 2017, will **automatically** result in your account being referred to the City Attorney for collection. The City Attorney will transfer your delinquent remittance of fees to the City's collection law firm. The Kohn Law Firm serves as the collection agent for the City of Milwaukee. Contact Danielle Rodriguez, Parking Financial Manager at 414 286-2404, with questions. Remit payment to: Parking Services, Attn: Danielle Rodriguez, 841 N Broadway, Room 614, Milwaukee WI 53202.

Sincerely,

Ghassan Korban  
Commissioner of Public Works

We ask that you adhere to State Statute 349.13 by remitting the currently owed amount of \$4,390.00 immediately. We also ask that you ensure that all service fees are remitted in a timely manner – at a minimum, on a monthly basis. Any portion of these delinquent service fees not paid by May 27, 2016, will be send to collections.

Recycling, Salvaging, or Towing Premises License Renewal Application

**Tuesday, October 02, 2018 at 10:30 AM**

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 10/2/2018 at 10:30 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

---

## Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
  - a. Include only information relating to the above license application.
  - b. Include only information you have personally witnessed or seen.
  - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
  - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.  
**Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.**

**Regarding:** Your Recycling, Salvaging, or Towing Premises License Application as agent for "AT Towing Inc" for "A+ Towing" at 4030 W DOUGLAS Av.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. **ADDITIONAL COMMENTS/RECOMMENDATIONS:**

This report is written by P.O. Joshua Dummann assigned to District Six, Early Power Shift.

On 08-16-18 at 3:30PM I conducted a CPTED survey at 3956 S. Howell Av. I met with Patsy Smith-James who is the owner/licensee of Patsy's Niche Pub and Grill at the location. Patsy

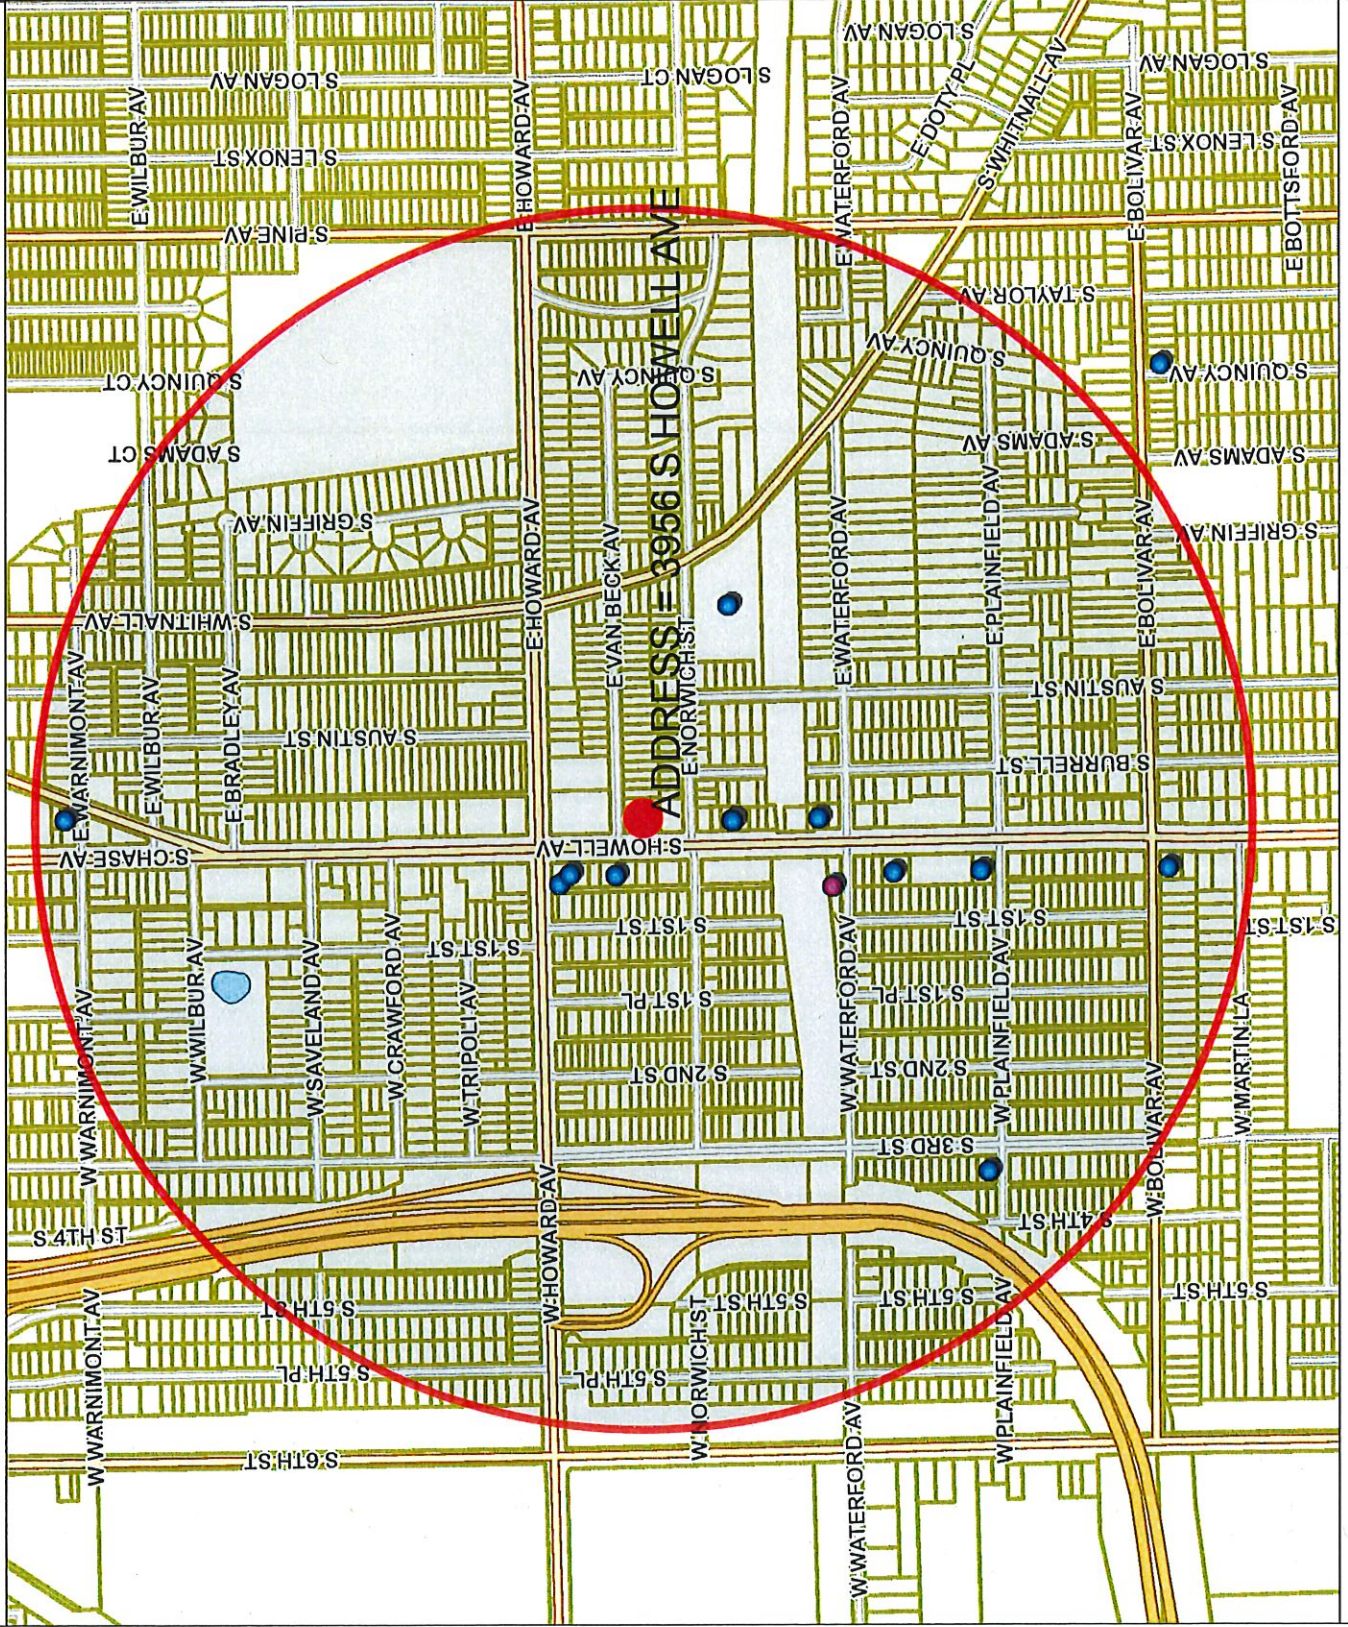

stated she is leasing the property and the projected open date of the restaurant is November 1, 2018. She stated she plans on remodeling the entire interior of the restaurant and updating the exterior as well.

I walked throughout the property with Patsy. The interior space was filled with personal belongings of the building owner. The area was dark with no windows on any side of the restaurant. Patsy stated she plans on adding numerous windows on the south end of the building. She also plans of extending the kitchen area and revamping the entrances to become a more open and visible area.

Throughout the walk through I observed no exterior or interior cameras. Patsy stated she will be installing a total of 8 cameras which will cover both the interior and exterior space. She also stated she will be adding additional lighting to the exterior and parking lot area.
