SUMMER YOUTH PROGRAM**

The City of Milwaukee's Community Block Grant Administration (CBGA), through the Community and Economic Development Committee, has available funding for agencies in the City of Milwaukee to organize and implement **Summer Youth Programs** for youth from low and moderate income families residing in the CDBG target area and for the express purpose of providing positive activities in and outside of the school environment.

The timeline for these projects to start is June 1, 2005 with a completion date of August 31, 2005.

Applicants must meet certain eligibility criteria as to non-profit status **at the time of application** and project location among others, to be eligible for a grant. In addition, applicants must obtain necessary insurance coverage as a condition of funding.
