

1. Describe the proposed ordinance or resolution. File number: _____

This is the annual grant renewal for the Communicable Disease Grant under the Clinical Operations Division of the Milwaukee Health Department. This is a State of WI issued grant that runs from July 1st 2024 - June 30th 2025.

2. Identify the anticipated equity impacts, if any, of this proposal.

This grant provides funding to the infectious disease program for supplies and equipment such as refrigerators and freezers for immunizations. Immunization access is a net benefit to health equity and overall equity. Immunization protects families and children from diseases that may carry lifetime negative health impacts, and preclude work. Immunizations offered by the Health Department target uninsured individuals and families who are more likely to be negatively impacted by serious cases of vaccine preventable diseases.

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

n/a

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

n/a

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

n/a

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

n/a
