Dear Council Members:

JNR Adjustment Company, Inc. alleges that on January 30, 2020 the City was performing work on a storm basin at/near 12th and Wright Street and hit the AT&T cable. Claimed damages are \$7,267.05.

The Infrastructure Services Division indicates that Sewer Maintenance was excavating a catch basin at 1128 West Wright Street on January 30, 2020. The basin was hotlined. The crew did not see any cables throughout the basin and assumed that the cable went around the outside of the structure. After reaching the bottom of the basin, the excavator caught the cable and damaged it.

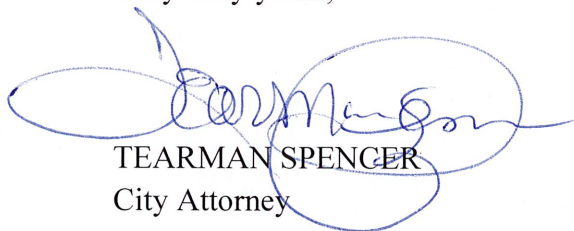

Sewer Maintenance has reviewed the claimed damages and determined that they are in line. Because settlement of this matter is deemed expeditious to the City of Milwaukee,

The Honorable Common Council
