The Staff Nurses Council contract for 2004-2006, which was approved by the Common Council on December 21, 2004, file number 021155, included a change in the automobile mileage reimbursement. In order to implement this change, Chapter 350-183-7.a-2 needs to be amended to reflect this change.

The change was that effective January 1, 2005, the city will increase the mileage reimbursement rates for mileage driven on City business from 20 cents to 21 cents per mile for monthly mileage driven between 1 and 200 miles and from 31 cents to 36 cents per mile for monthly miles driven over 200 miles.

Therefore, we request a file be open for the necessary ordinance amendment. The fiscal impact of this change had been included in the fiscal note with file 021155.

I will be also sending a hard copy letter regarding above.  
Betty
