Ald. Hamilton at the table – he wants to put some of the activity into context for the committee; there have been a number of community meetings held about this club and the club has made a number of changes since it opened in 2004. The biggest complaints that still linger relate to parking issues. His major concern is the type of violence that occurs at this establishment; the violence doesn't occur all the time, but when it does, it tends to be a major issue. He would ask that the committee suspend the license and the length of said suspension to be left up to the committee.
