Subject: Common Council Resolution File No. 030343

Dear Honorable Members:

Common Council Resolution File Number 021623, adopted March 25, 2003, authorized the Department of Public Works to perform underwater dive inspections for various bridge locations. This resolution also authorized and directed the City Comptroller to transfer \$70,000 to capital project account BR10030102 for underwater dive inspection.

Attached is a substitute resolution which, when adopted, will authorize the Department of Public Works to execute a professional services contract for the City Underwater Dive Inspection Program for City Bridges. We have also included a draft copy of the contract.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
