

# Grant Award Summary

## FY16-17 Federal Bureau of Investigation "Save Our Streets" Task Force

**Grant Type:** New Grant

**Grantors:** U.S. Department of Justice, Federal Bureau of Investigation (FBI)

**Grant Period:** October 1, 2016 to September 30, 2017

**Award Amount:** \$35,000

**Match Required:** N/A

**Fiscal Agent:** Milwaukee Police Department (MPD)

**MPD Sub-Awardee:** N/A

**Allocation Purpose:** Funding for overtime for MPD members assigned to the "Save Our Streets" Task Force.

**Partners:** FBI/MPD

### Program Goals

Through a multi-agency FBI coordinated effort, the "Save Our Streets" task force will use agency resources, intelligence and investigative expertise to investigate violent crimes, monitor gang intelligence, and apprehend criminal offenders. Concentrated efforts focus on investigating unsolved violent crimes and information sharing to develop intelligence on criminal networks operating in the area. Further, efforts also involve the generation of actionable intelligence related to gangs and to assess whether new gangs are relocating in local communities.

### Programmatic Summary

The overtime funds solely will be used to assist this agency in current and future joint law enforcement operations, investigations, and prosecutions to reduce violent crime (ie. homicides and non-fatal shootings), arrest violent gang members, and seize weapons and drugs to create safe neighborhoods for the residents of the City of Milwaukee.

### Data

Approximately 473.5 hours have been charged to this grant with approximately \$32,489.24 charged to the account.

Investigations were comprehensive and included extensive interviews with victims/witnesses, suspect identification through DNA collection, NIBIN investigative leads, and photo arrays to provide prosecutorial outcomes.
