To the Honorable Members of the
Public Works Committee
City of Milwaukee
City Hall, Room 205

Dear Committee Members:

File No. 190405 authorizes acceptance of two quit claim deeds from the State of Wisconsin Department of Transportation, for portions of property along East Clybourn Street and North Harbor Drive (Lakefront Gateway) for dedication as public right-of-way purposes for street purposes, in the 4th Aldermanic District.

Since the reconstruction of the Lakefront Gateway and the interchanges associated with it, the City of Milwaukee Department of Public Works has been working with the State of Wisconsin Department of Transportation on conveying two strips of land to the City of Milwaukee. This file permits the City of Milwaukee to accept two quit claim deeds to acquire property and to dedicate the property for public right-of-way for street purposes.

Since the proposed file dedicates land for necessary public right of way purposes, the City Plan Commission at its regular meeting on July 15, 2019 recommended approval of the subject file.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
