Hello Kim,

Thank you for sharing this letter with me. I 100% support your efforts to save and preserve the Central City Plaza located at 600 W. Walnut St. which your Dad, Mr. Alonzo Robinson, Jr. designed in 1973. I have a special connection to that project as well because my father, Mr. Beechie O. Brooks was on the Board of Directors of Central City Development, along with Mr. Felmers Chaney and others, when this project was developed. I remember when the project was built.

Also, I feel very strongly about preserving our history and the vision that our fore fathers had. It is a challenge, however, if we work together it can be done. I often have to remind myself that I am (we are) standing on their shoulders.

Many blessing,
Cassandra

Cassandra L. Brooks
