Grant Application Date: November, 2005

Anticipated Award Date: January, 2006

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

These additional grant funds will be used to provide education to 50 women ages 40 and over on breast health, breast self-exam and breast cancer screening guidelines. In addition, 38 women will be screened for breast cancer. All women who are eligible for the program will be offered screening for other chronic diseases such as diabetes, hypertension and heart disease.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This grant would enable the Milwaukee Breast Cancer Awareness Program (MBCAP) and other programs within the Healthy Behaviors and Health Care Access Division to work as a collaborative effort with existing community providers. Additional partnerships with existing community providers will be enhanced and established to assure access to health promotion/risk reduction services.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

These grant funds are needed to strengthen, enhance and expand our current program and services provided. The services are for breast cancer screening; however, all eligible women will be offered screenings for other chronic diseases such as cardiovascular disease screening and diabetic screening.

4. Results Measurement/Progress Report (Applies only to Programs):

Results will be measured through our client data collection system and the required Komen Grant reporting mechanism that is specific to this grant.

5. Grant Period, Timetable and Program Phase-out Plan:

The grant period is January 1, 2006 through March 31, 2006. This grant funds services vital to the daily operation of the Breast Cancer Program.
