This report is written by P.O. Marcel STOLZ, assigned to District 7, Late Power Shift.

On Friday, August 10, 2018 at approximately 1:58 AM, Squad 7468 (P.O. Andrew WILKIEWICZ and I) was dispatched to 4731 N. Hopkins St. regarding a ShotSpotter call for service. While in the area conducting our investigation we observed an abundance of vehicles parked in the 4700 block of N. Hopkins St., in the vicinity of Gold Digger's Gentlemen's Club located at 4750 N. Hopkins St. We also observed patrons gathered outside of the main entrance to the establishment. Knowing the tavern is supposed to be closed at 2:00 AM, we suspected the establishment might be operating afterhours.

The approximate time was 2:10 AM. P.O. WILKIEWICZ, I and Squad 7330 (P.O. Max OURS and P.O. Daniel STURMA) conducted a tavern check regarding. (CAD #: 182220235)

While walking up to the front door of the tavern we observed a group of 7-10 subjects standing outside, we observed one subject turnaround, open the door and whistle into the tavern. As we approached the group they slowly dispersed, appearing to go to their vehicles. As we got to the door we observed 3-5 subjects exiting the tavern. Upon entering the tavern we observed multiple patrons still inside. One patron was wearing a white tank top and red shorts was observed seated at the bar drinking from a disposable plastic cup. The same patron was also observed holding a freshly opened bottle of liquor, and also drinking from a wine/champagne glass. Another patron was observed seated at the stage also with a cup of alcohol.

The working bartender was identified as Lakita D LEWIS (b/f, 10-17-74). When LEWIS was asked when the patrons inside of the bar were served their last drinks LEWIS stated at approximately 1:15 AM. However the bottle of liquor in front of the patron that was seated at the bar was still cold to the touch and had condensation on it, consistent with the bottle recently being open. Furthermore, when the patron was told to leave he attempted to leave the tavern with the open bottle of liquor. When asked why patrons were still inside of the bar LEWIS stated they don't listen to her when she tells them to leave, and security doesn't work Thursday nights so it is difficult for her to ensure everyone is out at bar close. When asked, LEWIS was able to provide a valid Wisconsin State issued Class D Bartenders License.

After all patrons were cleared we requested to speak to the manager. The manger was identified as Kevin M CLAYTON (b/m, 11-22-74). CLAYTON appeared from the basement door. When speaking with CLAYTON, CLAYTON appeared to possibly be under the influence, based on his bloodshot eyes. CLAYTON stated he was unaware that there were still patrons inside of the bar since he was downstairs counting money. When asked, CLAYTON could not provide his Wisconsin State issued Class B Manager's License and stated he is not issued one.

CLAYTON was issued a citation for operating without a Class B Managers License (Citation #: J9817ZH5QT)

The business agent: Michael RAY (b/m, 04-27-78) was issued a citation for Class B Allow Patron After Hours (Citation #: J9817ZH5QS)

when I heard loud music coming from the front of the tavern. It should be noted that at the time that the loud music began, our squad was well over 50 feet away from the front of the tavern. It was determined that the loud music was coming from a unoccupied Nissan Allima bearing a Wisconsin registration of 874-XYX parked directly in front of Gold Diggers front door. P.O. RODRIGUEZ and I stood with the vehicle for over 10 minutes while the music continued to play. At approximately 2:30 AM, an individual who was identified as Robert H LYONS (B/M, 5/13/91) exited the front door of the tavern and attempted to gain entry to the Nissan playing loud music. LICENSE PREMISE REPORT

Flores, Jose E 026329

12/30/2018

This Report is written by P.O. Jose E. FLORES assigned to District Seven, Late Shift, Squad 7369.

On Saturday December 29, 2018 at 1:50 AM, Squad 7369 and Squad 7360 (P.O. ZENS and I, in full duty uniform with Axon Body Camera affixed and a marked Milwaukee Police Department Squad) observed a 2014 Ford Escape Sport utility Truck, parked partially in the City bike lane and partially in the street effectively blocking north bound traffic in front of 4750 N. Hopkins St. This incident occurred in the City and County of Milwaukee.

I observed the driver, later identified by Wisconsin driver's license as Jerald B. ADAMS (b/m 04/03/1981), exit his vehicle and walk towards the east facing side walk. I activated my Emergency lights due to the vehicle obstructing traffic and attempted to conduct a field interview of the driver. I determined ADAMS was the sole occupant of the vehicle, was not dropping any occupants off, and was not loading or unloading material.

***ADAMS stated that he is self employed and is the D.J. at the Gold DIGGERS establishment on various nights.

As I approached, ADAMS walked to the rear of his vehicle. ADAMS stated he was moving cones in front of the business so he could park. As I was interviewing ADAMS, he removed a green leafy substance consistent with marijuana enclosed in a tightened plastic bag from his left front pocket and tossed it to the ground. After I observed this, I began to detain ADAMS and he stated that he had a firearm on the right side of his waist holstered. I observed a Silver and black, Smith and Wesson SD9VE with a magazine inserted, in a black holster. Further, P.O. ZENS observed a green leafy substance consistent with marijuana enclosed in a tightened plastic bag within the center console of ADAMS vehicle. ADAMS was subsequently cited for Obstructing traffic (ECLI#-AC995085-0) and Possession of Marijuana while in possession of a firearm and conveyed to District Seven to be processed.

The drugs were placed on inventory at District Seven, Inventory#18047836.

The Silver and black, Smith and Wesson SD9VE, serial#FYP7495, Gun tag#86521, magazine, and 14, nine milli-meter unspent bullets was placed on inventory at District Seven, Inventory#18047842, and sent those items down to Milwaukee Police Department Forensics Division to be processed for evidence collection. recovering video from a shooting that occurred at 2624 W. Lisbon Ave. where apparently both the suspect and the victim were at Gold Diggers earlier in the evening (19-033-0026). Squads entered the tavern at approximately 12:45 AM and left the tavern at approximately 2:02 AM. I observed that the tavern shut the music off at approximately 1:45 AM and never turned the music back on. The tavern was cooperative with the follow up request.

On Friday, February 8, 2019, I received an e-mail forwarded to me from a neighbor of Gold Diggers, Roshonda CLEVELAND, containing an approximate 30 second clip from her "Ring" doorbell video and a complaint that she could hear music coming from the tavern at 1:58 AM. Additionally, Ms. CLEVELAND stated that she thought that a police car was parked on N 37th St., but that it was not a squad car, just a civilian black and white vehicle. I can personally confirm that I was inside the tavern at the time Ms. CLEVELAND claims to have heard the music and can say with certainty that there was no music playing at that time. Additionally, I can confirm that that was my marked Milwaukee Police vehicle seen in Ms. CLEVELAND'S video.

NOISE NUISANCE COMPLAINT

Stolz, Marcel C 028355

02/12/2019

This report is written by P.O. Marcel STOLZ, assigned to District 7, Late Power Shift.

On Monday, February 11, 2019, Squad 7468 (P.O. Rebecca RODRIGUEZ and I) was dispatched to Gold Diggers (4750 N. Hopkins St.) regarding a noise nuisance complaint (CAD#:190422757) . The caller, whom

was identified as Roshounda CLEVELAND (b/f, 07-27-70) stated she could hear loud music coming from 2-3 vehicle outside of the tavern. CLEVELAND was unable to provide a vehicle description.

Upon arriving on scene, we drove southbound on N. Hopkins St. past 4750 N. Hopkins St. Myself and P.O. RODRIGUEZ both rolled down our windows in an effort to see if could hear excessive noise coming from any vehicles parked in the 4700 block of N. Hopkins St. It should be noted I observed approximately 3-5 vehicle parked on the west side of N. Hopkins St. and approximately 3-5 parked on the east side of N. Hopkins St. Only one vehicle appeared to be occupied and it was determined no excessive noise was coming from inside of that vehicle.

We then turned eastbound onto W. Hampton Ave. and then southbound on N. 37th St. No vehicles were observed parked on N. 37th St. We then conducted another lap around the block, yet again passing the tavern, determining there was no excessive coming from the vicinity of the tavern.

We then changed locations to 4750 N. 37th St. to speak with CLEVELAND. While speaking with CLEVELAND she stated earlier in the evening she heard loud music coming from vehicles parked in front of Gold Diggers. CLEVELAND stated it has become a persistent issue and she is upset because the bar doesn't have "professional security" to deal with their clientele.

We then changed locations back to Gold Diggers and conducted a tavern check (CAD#: 190430011). While inside of Gold Diggers we observed approximately 6 staff members, and 3-5 customers. We advised security staff regarding CLEVELAND'S concerns. Security stated they will do their best to alleviate any excessive noise coming from vehicles that are parked outside of the tavern. They also stated it is difficult to do because in some cases, the vehicle parked on N. Hopkins St. are not associated to the tavern whatsoever.

It should be noted P.O. RODRIGUEZ, P.O. Andrew WILKIEWICZ and I, regular conduct patrols, investigations, and tavern checks based on CLEVELAND'S complaints, and on numerous occasions some of the complaints were found to be baseless.

TAVERN REPORT

Wilkiewicz, Andrew J 024625

04/19/2019

This report is written by Police Officer Andrew WILKIEWICZ, assigned to District 7, Late Power Shift.

On Friday, April 19, 2019, Squad 7468, Police Officer Marcel STOLZ and I, were dispatched to 4782 N Hopkins St. for a shotspotter complaint.

Upon arrival, I observed an employee of Gold Diggers Club (4750 N. Hopkins St.) sweeping up glass that was located in the street on the east side of W. Hopkins St. The employee stated that he was not sure what happened or how the glass got there. I spoke to another employee, Antonio M. JARVIS (B/M, 5/7/85), who stated that he believed that someone may have been shot because while inside the tavern, he heard shots fired and when the gunfire stopped and he believed it was safe to go outside he observed an unknown black male carrying another black male eastbound towards N. 37th St. where JARVIS stated that he believed the potential gunshot victim entered a waiting vehicle, which he did not observe, and flee. At the same time, P.O. STOLZ informed me that he had located some blood right where the broken glass was located. A short time later, it was relayed that a shooting victim arrived at St. Joseph's Hospital, which was related to our scene. JARVIS was cooperative with the investigation. All other employees of the tavern were also cooperative with the investigation.

I spoke to the manager at Gold Diggers, Kevin M CLAYTON (B/M, 11/22/74), who was cooperative and without hesitation allowed officers to review the taverns security footage and remained on scene, even after the tavern was closed, until the video was recovered. The video did have evidentiary value to the investigation.

It was learned during the investigation that the victim of the shooting intended to visit the tavern, however, never made entry into the tavern before he was shot and at this time, no other actors involved in this incident were inside the tavern at any point in the evening prior to the shooting.
