JAMES CARROLL

File #021350 is resolution relating to the issuance and sale of general obligation bonds in the amount of \$200,000 for engine houses and reasonable facilities for fire protection apparatus.

Background and Discussion

1. The Comptroller's Office annually submits initial-borrowing resolutions for projects and programs approved in the adopted budget.
2. The resolution authorizes the sale of general obligation bonds in the amount of \$200,000 for engine houses and reasonable facilities for fire protection apparatus.
3. The table below shows the projects and the amount of borrowing authorized by this resolution.

| Capital Project | Amount |
|--|------------------|
| Ventilation and Toilet Separation at Various Locations | \$200,000 |
| Total | \$200,000 |

Fiscal Impact

Until the actual structuring of the debt issue is determined by the Public Debt Commission, details relating to the long-term fiscal impact will not be known. Depending on actual sale date in 2003, a maximum of 6 months interest would be incurred during the year. If sold after July 1, 2003, there would be no fiscal impact in 2003.
