This is additional to a recent claim regarding to an accident on 08-25-2023. My vehicle was struck by a city vehicle due to an illegal turn from your city driver. Approximately around noon, I was driving south on Teutonia approaching West Villard Ave. While arriving to my stop in the turning lane on the right, there's a vehicle stopped near the intersection in the straight lane, which is a city vehicle. The city vehicle is on my driver side stopped also. Eventually, I had the right away and was clear to approach the intersection to make my turn. In the act of completing my turn the city vehicle makes a right turn from the straight lane, striking the driver side of my vehicle causing some damage.
