To: Alderman Jim Bohl

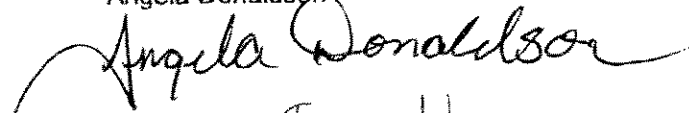

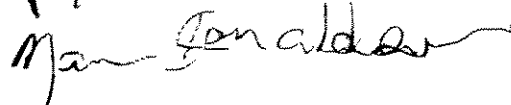

To whom it maybe concern:

I am writing this letter to you because we have a serious problem on the corner of 82nd and Townsend. I brought my house on 3434 North Ripon place 10 months ago not knowing the problems that go on at that corner. They speed around that corner like it's a race track no one stop or yields. On two different occasions a car speeding down 82nd and not knowing it is a turn. The car ran right up in my yard almost hitting my house were my bedroom is located. The car hit the big tree knocking all my bricks down and left marks. The second car did the same thing but went to the front of my house hitting the big tree as well. If the tree was not there I don't know what would happen to my house and kids. My kids are 9 years old and 1 years old and they are scared to go to sleep at night because they think another car is going to do the same thing. I am afraid for my kids to come outside. You have to do something before it is to late and someone gets seriously hurt or die then it will be to late to say you are sorry.

I would like to see a stop sign put at the corner of west Townsend street and a stop sign put on the corner off 82nd street.

Sincerely,

Angela Donaldson
